* The Morristown Regional Planning Commission and Board of Zoning Appeals regularly meet on the second Tuesday of each month in the Council Chambers of the City Center. There is a work session at 12:00 p.m. on the scheduled meeting date to review items on the agenda. The public meeting begins at 4:00 p.m.

** Deadline dates for the next month's meeting are commonly on the first Monday following a regularly scheduled Regional Planning Commission and Board of Zoning Appeals meeting. It is expected that all information (application, drawings, etc.) be complete at the time of submittal. If, after staff review, minor corrections or revisions are required, a second deadline date will be provided by staff in order to remain on that month's agenda. Complex projects such as **major subdivisions** require additional review time. Therefore, it is highly recommended that such projects be submitted at least two months prior to the requested planning commission date. Deadline dates that fall on a holiday shall be extended to the next business day.
