**Permit Information:**

Disturbed Area (acres)	Fee
0 - 2.00	\$50
2.01- 3.00	\$75
3.01- 4.00	\$100
4.01 +	\$125

**Persons performing construction work under this permit must observe Tenn. Law, (Pub. Chap. 289 Acts of 1955) providing for precautions to be taken in the vicinity of high voltage wires.**

**Land disturbance permits issued are valid for a period of one year from date of issuance. Additional regulations may apply. See applicable City ordinance.**

**This document, along with the attached stamped copy of plans, becomes the land disturbance permit when signed for or by the Stormwater coordinator.**

**Notice that sediment & erosion control measures must be in place and functional prior to any land disturbance taking place. No silt or debris will be permitted to run onto adjacent waterways, properties or rights-of-way. Controlling parties are to manage wastes such as litter, discarded building materials, concrete wash, chemicals & sanitary waste so that there is no adverse impact to water quality.**

*I certify under the penalty of law that I have examined an am familiar with the submitted information and believe it to be true and accurate. Also, I hereby give permission for personnel or agents of the City of Morristown to enter this property for any necessary inspections, or to correct deficiencies, or provide work site stabilization in accordance with any bonding posted with this permit.*
