Public Notice of the Pasco County Local Mitigation Strategy Working Group Quarterly Meeting

March 19, 2024 (2:00 p.m. to 4:00 p.m.):

Notification is hereby given to the public for the upcoming Local Mitigation Strategy Working Group (LMSWG) meeting to provide an update on all actions taken since the previous LMSWG meeting. The meeting will be held virtually via Microsoft Teams.

The nature of this meeting is to conduct rankings for the Hazard Mitigation Grant Program (HMGP) 4734-DR Hurricane Idalia project list. Pasco County Emergency Management will also solicit project submissions from county departments and agencies and provide an overview of updates needed for the LMS in 2024.

For more information about Pasco County's LMS and previous LMSWG meeting minutes, please visit the Pasco County Emergency Management Mitigation webpage: mypas.co/Mitigation.

Please contact Nolan Ristau, at 727.847.8137 to request an invitation or with any other questions.
