<p>Chapter 500 Zoning; Section 530 Supplemental Regulations; Section 530.23 Community Gardens, Market Gardens and Community Farms; Section 503.23.G Community Gardens on Public Land. (New subsection 4.)</p>	<p>Adds Invasive Vegetation requirements for the Garden Manager to identify all invasive vegetation on the site and to include an invasive management plan requiring removal of invasive vegetation, BMPs and guidelines, types of treatment, etc., providing for the appropriate method of disposal to prevent propagation, and ongoing maintenance and monitoring controls of invasive plants. ODT 3-28-24 / HRT 4-17-24 Page 530-34</p>
<p>Chapter 600 Overlay and Special District Areas; Section 604 Northeast Pasco Rural Protection Overlay District; Section 604.4 Scenic Roadway Corridor Preservation and Enhancement; Section 604.4.C.1 Corridor Buffer. (Revise language)</p>	<p>Cleans up references to other LDC Sections within this section. ODT 3-28-24 / HRT 4-17-24 Pages 604-3 and 4</p>
<p>Chapter 800 Natural and Cultural Resource Protection; Section 804 Ecological Corridors; Section 804.8 Permitted Uses within Ecological Corridors; Section 804.8.B Permitted Uses with Specific County Approval. (Revise language)</p>	<p>Clarifies control and/or removal language of exotic pest plant species that are invasive plant species. ODT 3-28-24 / HRT 4-17-24 Page 804-10</p>
<p>Chapter 900 Development Standards; Section 901.2 Transportation - Corridor Management; Section 901.2.F.2.b Interim Uses, allowed interim uses, applicable conditions. (New subsection 7.)</p>	<p>Adds Invasive Vegetation requirements for interim uses within transportation corridors. HRT 4-17-24 Page 901.2-5</p>

(*) Sections marked with an asterisk are currently being revised by Amendment #68.

Code Section	Issue/Reason
(*) Chapter 900 Development Standards; Section 901.3 Access Management; Section 901.3.R. (Add language to existing subsection)	Incorporates additional language to the maintenance subsection to include the identification of and removal of all invasive vegetation on the site, to provide a management plan for the appropriate method of disposal to prevent propagation, ongoing maintenance and monitoring controls of invasive plant species. HRT 4-17-24 Page 901.3-12
Chapter 900 Development Standards; Section 901.4 Substandard Roadway Analysis and Mitigation; Section 901.4.E. Submittal Information (Renumber subsection 8 to new subsection 9, and replace language for subsection 8 with Invasive Vegetation requirements)	Adds Invasive Vegetation requirements identify all invasive vegetation on the site and include an invasive management plan requiring removal of invasive vegetation, BMPs and guidelines, types of treatment, etc., providing for the appropriate method of disposal to prevent propagation, and ongoing maintenance and monitoring controls of invasive plant species. Subsection 8 - Cost Estimate - language remains as written and is renumbered as new subsection 9. HRT 4-17-24 Page 901.4-14
Chapter 900 Development Standards; Section 901.6 Street Design and Dedication Requirements; Section 901.6.D. Design and Construction (New subsection 14.)	Adds Invasive Vegetation requirements to identify all invasive vegetation on the site and include an invasive management plan requiring removal of invasive vegetation, BMPs and guidelines, types of treatment, etc., providing for the appropriate method of disposal to prevent propagation, and ongoing maintenance and monitoring controls of invasive plant species. HRT 4-17-24 Page 901.6-13

Code Section	Issue/Reason
Chapter 900 Development Standards; Section 901.6 Street Design and Dedication Requirements; Section 901.6.E.1. Roadside Design (Add language to existing subsection)	Adds Invasive Vegetation language to existing subsection All vegetation and sod shall be free and clear of invasive vegetative species. HRT 4-17-24 Page 901.6-13
Chapter 900 Development Standards; Section 901.7 901.7. Bicycle Facilities; Section 901.7.D. Construction (New subsection 5.)	Adds Invasive Vegetation requirements to identify all invasive vegetation within the boundaries of the limits of construction for the bicycle facilities. Include an invasive management plan requiring removal of invasive vegetation, BMPs and guidelines, types of treatment, etc., providing for the appropriate method of disposal to prevent propagation. HRT 4-17-24 Page 901.7-2
Chapter 900 Development Standards; Section 901.8 901.7. 901.8. Pedestrian Facilities. (New subsection H.)	Adds Invasive Vegetation requirements to identify all invasive vegetation within the boundaries of the limits of construction for the bicycle facilities. Include an invasive management plan requiring removal of invasive vegetation, BMPs and guidelines, types of treatment, etc., providing for the appropriate method of disposal to prevent propagation. HRT 4-17-24 Page 901.8-2
(*) Appendix A Definitions (New definition - Invasive vegetation or invasive plant species)	Adds Invasive Vegetation or invasive plant species definition. ODT 3-28-24 / HRT 4-17-24 Page A-34
