Orange Belt Trail Study Public Workshops

Pasco County wants your input on the Orange Belt Trail (OBT) Study

[Pasco County Engineering Services](#) is hosting two open house-style public meetings to go over a planned 37-mile multi-use trail from Trinity to Trilby. The proposed [Orange Belt Trail](#) will enhance the existing and planned regional trail network by connecting to the Coast-to-Coast Trail, Starkey Trail, Suncoast Trail and Withlacoochee Trail.

Two public workshops are being held to hear from the community. The same information will be shared at both workshops, so you only need to attend one.

December 6, 5-7:30 p.m.

Hampton Inn

11780 SR 54, Odessa, FL 33556

December 7, 5-7:30 p.m.

Dade City Garden Club

13630 5th St., Dade City, FL 33525

The workshops will be informal, and residents can drop in anytime between 5-7:30 p.m. However, there will be a short, formal presentation about the project each night at 6 p.m. For those who can't attend at that time, the presentation will be posted online after the workshops end.
