Applicant agrees that all necessary service charges for Pasco County Utility services and all system improvement costs required will be at the Owners expense in accordance with Pasco County Ordinances. In addition, the Owner/Contractor agrees that all Utility system improvements will be installed according to Pasco County Utility standards and specifications. All system improvements shall become the property of the Pasco County Utilities Department, and shall constitute part of the Utility system of the County and subject to all the rules and regulations pertaining thereto. Utility System includes only pipe lines and other improvements installed on public right of ways or within utility easements. All application fees and charges must be paid prior to the activation of utility services by the County.
