All,

I have just received official notification from the John Randolph Foundation that they have awarded our department a grant for the Life Safety House and Project SAFE in the amount of \$40,000. I would like to thank all who helped make this a successful grant, especially Helen Leonard. We will still need approximately \$10,000 to complete the project and will begin the process the first of the year to raise the additional funds. Again, thank you for all of your help and support.

Dear Helen:

I want to thank you for your four years with us as our Employment Services Supervisor and the Supervisor who provided oversight for our Day Care Program. You came just as we were beginning to implement Welfare Reform and you have done an outstanding job of making both our Welfare Reform and Child Care Programs two of the very best in the State of Virginia.

Not only have you provided outstanding leadership to your unit and peers but to our community partners as well. The "Hard to Serve" Grant, the Section 8 Voucher Program with MH/MR, GREAT, Goodwill, CATC, C-Van, Head Start and the schools are just a few of the relationships you have cultivated to make services for our customers so much better.

You have been a most ideal and exceptional employee in your professionalism, high standards, ethical behaviors, sense of urgency, ability to anticipate problems before they occur, high energy level and by assisting me in any way possible.

The new position will no doubt allow you more time with your family. I know they will be glad to see more of you and I really appreciate them sharing you with us.,

I will certainly miss you. I know you will do your usual outstandingly exceptional good job as the Director of the Crater District Work Force Investment Act Board.

Sincerely,

Bettie S. Kienast  
Director
