Prince George operates a producer-grower farmers' market. We are dedicated to building a sustainable, regional foodshed and to educating people about the benefits of sustainable agriculture. Our Farmers' Market emphasizes the direct connection between local food choices and the quality and health of our environment and daily lives. We support farmers/growers who cultivate the land using sustainable agricultural practices or raise livestock using humane and sustainable practices. By providing these farmers/growers with direct markets for their products, Prince George helps sustain the regional farm economy and helps ensure the future of farming in our area. The Rules & Procedures and Product Guidelines are used to ensure the integrity of all products sold at the Farmers Market. These documents can be found under the Applications and Information link on the County web site.
