## Prince George County to hold public meeting on proposed Solar Energy Facility Siting Policy

**PRINCE GEORGE, VA** – Prince George County will hold a public information and citizen input meeting on Tuesday, June 30 at 6:30 p.m. at the Prince George Central Wellness Center, 11023 Prince George Drive, Disputanta, VA, 23842, on the Draft Siting Policy for solar facilities.

As global energy needs increase and energy providers look towards renewable sources to meet demands, solar energy is emerging as one of the fastest growing solutions for energy needs. Prince George County, Virginia has received several requests for construction of Solar Energy Facilities throughout the County, and has developed a draft policy governing the location, screening, and site development of these facilities. Prince George County is soliciting citizen comments to the County's proposed Solar Energy Facility Siting Policy.

A website has been created with solar policy information at:  
[https://www.princegeorgecountyva.gov/residents/community\\_development\\_and\\_code\\_compliance/public\\_comments\\_for\\_solar\\_energy\\_facility\\_siting\\_policy.php](https://www.princegeorgecountyva.gov/residents/community_development_and_code_compliance/public_comments_for_solar_energy_facility_siting_policy.php)

Citizens can provide comments through the email: [solarpolicy2020@princegeorgecountyva.gov](mailto:solarpolicy2020@princegeorgecountyva.gov).
