SPRING/SUMMER
2022

PRINCE GEORGE COUNTY NEWSLETTER

JEFFREY D. STOKE HIRED AS COUNTY ADMINISTRATOR

The Prince George County Board of Supervisors voted unanimously at its April 12th meeting to name Jeffrey D. Stoke as the County's next Administrator. Stoke, who was appointed Interim County Administrator on December 4, 2021, transitioned into his new role of County Administrator on April 13th.

Stoke was hired in 2009 as the Director of Economic Development and in 2011 was promoted to Deputy County Administrator - Economic Development. He has a Master's degree in Public Administration from James Madison University and is a Certified Economic Developer (C.Ec.D.) through the International Economic Development Council and an International City/County Management Association Credentialed Manager (ICMA-CM).

"Stoke's demonstrated success and leadership with the County, along with his qualifications and performance during the selection process has made it clear that he is the right person to lead the organization as we move forward to the next chapter," said Board Chair Marlene Waymack. "Stoke was one of 63 applicants from 21 states, Washington DC, and Canada."

"I am tremendously honored to be selected as Prince George County's next Administrator," Stoke said. "I am humbled by the trust that the County Board of Supervisors has placed in me and look forward to leading a group of talented employees as we collaborate with our community partners to implement the priorities of the Board of Supervisors."

FISCAL YEAR 2023 INTRODUCED BUDGET

Interim County Administrator Jeffrey Stoke presented the introduced FY 2023 budget to the Board of Supervisors and the public on March 22. The presentation followed four pre-budget work sessions, where Board members provided input into budget priorities. The Board authorized modifications to the introduced budget and lowered the introduced tax rates on March 29 after receiving updated increased assessed real property values.

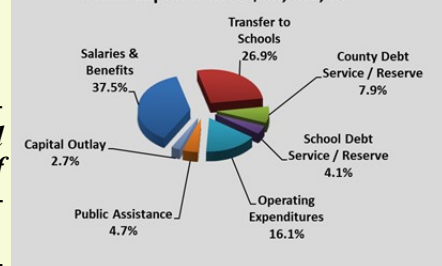

The modified budget **lowers the Real Estate Tax rate by \$0.04** to \$0.82 from \$0.86 per \$100 of assessed value. The **Personal Property Tax rate will be reduced by \$0.35** from \$4.25 to \$3.90 per \$100 of assessed value, and the **Motor Vehicle License Fee will be eliminated**. As seen across the Commonwealth, values for real property and personal property have increased due to wide market fluctuations, limited inventory and inflation. State sales tax revenue is expected to climb by \$500,000 during FY 2023 if the General Assembly holds localities harmless for their planned actions to lower or eliminate the grocery tax. There are increases proposed in the water or sewer rates for FY 2023 to address inflation and to maintain existing systems and equipment. Public hearings on the tax rates and water and sewer rates were held April 26.

Budget Highlights:

1. General Fund transfer to the **Public School Division** of **\$18,553,165**; an increase of \$1,496,522.

2. A 5% scale adjustment for all County pay scales is proposed to make sure the County stays competitive in compensation in light of state mandated minimum wage increases and increases provided by our neighbors and government peers. In FY 2023, non-public safety employees will be placed on steps according to relevant years of service to address pay compression in keeping with similar actions taken for public safety employees in FY 2022. Public safety employees will progress one step in FY 2023, and state mandated increases will be provided to constitutional officers and their funded employees, along with state supported positions in the Department of Social Services and Riverside Criminal Justice Agency.

FY 2023 Introduced Budget as Modified General Fund Expenditures \$68,951,487

(continued on pg. 2)

PRINCE GEORGE FARMERS MARKET IS OPEN FOR BUSINESS

The Prince George Farmers Market officially opened for the season on May 7th and will run through the end of October. Opening day featured a Youth Entrepreneur market and a tomato planting activity sponsored by the Prince George Master Gardeners. The Market will feature a free weekly story time with a free book to all kids who attend as well as a monthly free Kids Creation activity and various events with expanded vendor markets throughout the season. Some of the planned events will include Kids Day (with a petting zoo), World Snake Day (snakes & reptiles will be onsite), Christmas in July (visits with Santa and story time with Santa), First Responders Day (honoring our first responders), "Best of" Day (multiple categories to compete in), a Fall Festival (free games and prizes) and much more!

The Market will continue to offer SNAP match incentives to SNAP-eligible customers. For every dollar of SNAP benefits spent at the market on fresh fruits & vegetables, the customer gets a dollar's worth of SNAP tokens FREE! There are more than 35 vendors signed up for this year and more are expected throughout the season. For more information, or if you would like to be a vendor or volunteer to help at the market, contact Corrie Hurt, Market Manager at 804-722-8777. Like & follow us on Facebook (facebook.com/PrinceGeorgeFarmersMarket) or visit our website at www.princegeorgecountyva.gov for more information.

CLEAN COMMUNITY DAY

The annual Clean Community Day was held on April 16th. Citizens

were able to dispose of tires, shredding, household hazardous waste, white goods, yard debris, unwanted household items and trash at no cost from 8 a.m. until 1 p.m.

This event is held each April at two simultaneous locations; the government complex for tires, shredding and chemicals and the Prince George convenience center (all other items) located at 3100 Union Branch Road. Several hundred citizens dropped off materials during the designated hours at both locations and more than 70 tons of materials were collected during the event.

4-H CAMP OFFERS FULL CAMPING EXPERIENCE

The in-person camping experience will be back in full force at Airfield 4-H center on July 4-8. Registration is

\$350 for campers and registration started April 11th. For more information contact Hermon Maclin, 4-H agent, at 804-712-0620 or the extension office at 804-733-2686. Visit <https://prince-george.ext.vt.edu/> for more information.

FY2023 PROPOSED BUDGET (Continued from pg. 1)

These proposed and mandated compensation increases cost \$1,361,105.

3. Four new positions will be added for FY 2023 and include:

1 Police Officer, 1 Information Technology Technician, 1 Social Services Benefits Program Specialist III (full-time), 1 part-time Social Services Benefits Program Specialist III (0.5), converting 1 part-time Victim Witness Program Specialist to a full-time Victim Witness Advocate, elimination of one vacant Pre-Trial Officer position at Riverside Criminal Justice Agency, and 1 part-time Utility Worker III (0.5).

4. Three position reclassifications and one career development increase to a Deputy Commissioner of Revenue are also proposed. One Assistant Commonwealth's Attorney will become a Deputy Commonwealth's Attorney; one ECC Manager V will become a Manager VI; and the Victim Witness Coordinator III will become a Coordinator IV.

5. The County will see increases in the retirement contributions paid to the Virginia Retirement System for all full-time employees. Health insurance proposals received by the Board on March 29 show no increase is required for employee health insurance, and budgeted health insurance expenditures were lowered at the March 29 budget work session. Separate insurance plans are being pursued for County and School employees to make health insurance more affordable. Worker's compensation rates are expected to remain at current levels as are group term life insurance contributions.

6. A building maintenance repair budget of \$258,000 is funded to address needed facility repairs throughout the county. A General Fund transfer to the capital fund of \$887,091 is budgeted for the purchase of public safety and county vehicles (\$450,000) and school buses (\$437,091). There are no planned General Fund supported capital projects or purchases that will require the issuance of debt during FY 2023, and the General Fund debt contribution will not increase for FY 2023.

The Board of Supervisors continues its work in reviewing and revising the FY 2023 budget. State revenue projections will be fine-tuned for both the General Fund and for the Public School system. Board adoption is planned for May 10 but may likely be delayed until May 24 due to late General Assembly actions on the state budget.

A copy of the FY 2022-2023 Introduced Budget is available on the County's website at [http://www.princegeorgecountyva.gov/Departments/Finance/Forms, Documents & Reports](http://www.princegeorgecountyva.gov/Departments/Finance/Forms,Documents%20%26%20Reports). **Please note:** The budget document introduced on March 22 (as published) shows different numbers for Real Estate Tax Rate & Personal Property Tax rate due to action that was taken on March 29.

PARKS AND RECREATION

Camp/Activity	Ages	Registration	Activity Dates
Girls Field Hockey	Grades 2 - 11	May 9 - 27	June 6 - 8
Football Camp	6-13	May 16 - June 10	July 11 - 13
Mini-Mite Camp	3-4	May 31 - June 17 (or until filled)	June 27 - 29
Cheerleading Camp	5-14	May 16 - June 24	August 8 - 10
Toddler Fun & Fitness	2, 3 & 4	June 6 - July 15 (or until filled)	July 19 - August 4
Basketball Camp	Girls - 7-18 Boys 9-17	Girls - June 13 - July 1 Boys - June 20 - July 8	Girls - July 11 - 14 Boys - July 18-20
Boys Volleyball Clinic	Rising Grades 6 - 12	June 27 - July 15	July 25
Prince George Royals Football Team Camp	14 - 18	June 27 - July 15	July 18 - 21
Tennis Lessons	5 - Adult	July 1 - July 29 (or until filled)	August 1 - 5
Soccer Camp	5-18	July 5 - 22	August 1 - 3

SOFTBALL TOURNAMENTS

Prince George Parks & Recreation, in partnership with Dinwiddie and Colonial Heights Parks & Recreation, are hosting softball tournaments with Top Gun Sports for 8-18U softball events. Teams from Pennsylvania, Delaware, Maryland, Virginia, North Carolina, West Virginia, South Carolina, and Georgia will play a series of tournaments at JEJ Moore Athletic Field and Scott Memorial Complex. The spring national event took place April 30 - May 1. The summer national event will take place August 5 - 7 and the winter national event will take place October 8 - 9. For more information, contact Parks & Recreation at 804-458-6164.

KINGS DOMINION TICKETS AVAILABLE

Prince George Parks & Recreation will be selling tickets to Kings Dominion for \$40 each at the Prince George Community Center. Only cash or check will be accepted. The tickets are good for any regular operating day through the 2022 season.

ARRP 5K HELD APRIL 2ND

Prince George Parks & Recreation, the Riverside Regional Jail, and the Friends of the Lower Appomattox River (FOLAR) were proud to host the 6th annual Appomattox River Regional Park 5K trail run on April 2, 2022. Participants of all skill levels came out to enjoy the festivities. All profits and donations went to benefit Special Olympics and FOLAR.

WRITING WORKSHOP

Prince George Parks & Recreation will host a "Writing Workshop for Parents" on May 19th from 6 p.m. - 8 p.m. Author Melissa Face will lead the workshop consisting of writing and sharing stories that connect us all as parents. Registration will be held April 4 - May 17. Contact Parks & Recreation at 804-458-6164 to register.

SUMMER DAY CAMP

Summer day camp will be held June 21 - August 11 from 9:30 a.m. - 2:30 p.m. Day camp will be held at Scott Park on Mondays and Wednesdays and at Temple Park on Tuesdays and Thursdays. Participants must be 6 years old before June 21, 2022, and must not be 13 years old before June 21, 2022. Activities include sports and games, arts and crafts, field trips, and guest programs. Registration will be held May 9 - 20 (unless filled prior).

FOOTBALL & CHEERLEADING REGISTRATION

Registration for football and cheerleading will be held May 16 - June 10. Participants in these leagues, ages 8 to 14 years old, have the opportunity to experience travel football and cheerleading.

PROJECT DEVELOPMENT UPDATES

Continental Motel - Prince George County recently conducted an Exit 45 Strategic Plan to advance the development of the Exit and surrounding area. One of the action items listed in the plan is to “obtain ownership and redevelop the Continental Motel property.” Prince George County has purchased the Continental Motel located at 11800 South Crater Road and plans to redevelop the property.

650,000 SF Hollingsworth Building - Construction continues on the Hollingsworth Companies 650,000 square foot speculative building in Southpoint Industrial Park. The building is already gaining interest from prospective businesses looking to move to Virginia. This is one of the largest spec buildings on the east coast.

Rolls-Royce Facility - The former Rolls-Royce facility in Crosspointe Center is under contract by SL Industrial Partners, an investment group out of New Jersey. SL Industrial is working with Colliers International to lease the property. Prince George County Economic Development is working to help find end-users for the property.

Service Center Metals Expansion - Service Center Metals is moving forward on their previously announced \$101 million expansion in Crosspointe Center. This expansion will double their capacity and mirror their facility at Southpoint. Construction has begun on the new site that will create 94 new jobs and is expected to open in 2023.

HERITAGE CENTER IMPROVEMENTS

The Historic Courthouse that now houses the Prince George Regional Heritage Center is experiencing a water infiltration issue and will need a new roof to mitigate the problem. Work has begun for replacing the roof in the covered brick arcade that connects the Historic Courthouse to the Historic Clerk's Building. The contractor for the project is J. King Deshazo III, Inc.

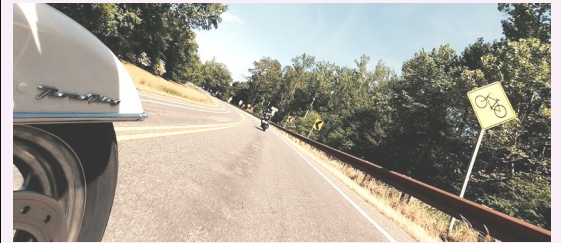

The Heritage Center is also replacing the gutter system to alleviate the situation. More assessments will occur after these projects are complete to see if other steps need to be taken to resolve the water infiltration issue.

5 AND DIME TRAIL

Prince George County, in partnership with Virginia Tourism Corporation, the Hopewell/Prince George Chamber of Commerce, the City of Hopewell, Charles City County, Surry County, and James City County, is working on the “5 & Dime Trail”, a circular trail along Route 5 and Route 10.

Commonly known by motorcyclists, this scenic trail winds through the countryside connecting Prince George and the City of Hopewell to Williamsburg. The trail will be used as a marketing tool to drive tourists to our area. Some of the Prince George businesses that will be featured on the trail include Holy Mackerel, Jordan Point Marina, Breeze-In, and others!

OPEN FOR BUSINESS

Boppers Malt Shop - Veteran-owned Bopper's Malt Shop opened its second location on Fort Lee in December 2021. The Ferguson's, owners of Bopper's, are also owners of Escape Old Towne in Petersburg. Wicked Ground Coffee is a co-tenant of the restaurant, which is a gourmet coffee shop owned by the Ferguson's daughter. Bopper's features fresh burgers, hotdogs, ice cream, candies and more.

Chillin & Grillin Shack - Chillin & Grillin Shack, formerly located in King William County, opened at 3815 Jefferson Park Road in December 2021. The owners are Marc and Daniele Adams. The Shack features smoked and savory meats, burgers, subs, seafood and desserts.

Primo's Mexican Family Restaurant

Primo's Mexican Family Restaurant is the place “where friends and family meet” in Prince George County. The restaurant opened in February 2022 and is co-owned by Rodrigo Benavidez, Alex Berganza, and their families. Rodrigo is also co-owner of El Caporal Mexican restaurant in Colonial Heights, where he and Alex worked together for over 12 years.

Mueller Builders and Roofing - Locally-owned Mueller Builders and Roofing opened at the former Landen Strapping facility, located at 5050 Prince George Drive, in April 2022. Mueller services Southeast Virginia and Northeast North Carolina with residential roofing, siding and windows, remodeling, additions, garages, commercial building, and insurance restoration. Mueller's core values are reliability, dependability, and staying competitive.

STRATEGIC PLAN UPDATE

This spring, the County Board of Supervisors has been working to create a County Strategic Plan that will serve as a roadmap for decision-making and assist the County in directing its efforts and resources toward a clearly defined vision for its future. With input from our citizens, employees, and the business community, and in partnership with the consultants from Managing Results, LLC, the Board has identified what are the most important issues and challenges we as a community are facing over the next 2-5 years.

The Board of Supervisors will hold a work session retreat in May to set a course of action for the County's future by identifying a limited set of clear, specific Strategic Priorities for Prince George County and to develop realistic, achievable and measurable Strategic Goals for each of the Strategic Priorities. The Strategic Goals are what citizens and customers can expect to experience. They are specific, measurable, and expressed in understandable terms (results, how much, by when).

Managing Results representatives will work with County Administration and Directors this summer to identify the action items necessary to implement the plan once completed. Thank you to everyone who participated and contributed to the creation of our new Strategic Plan!

UTILITIES UPDATES

Route 460 Water Main Extension

The Route 460 water line extension to connect the Industrial (Food Lion) Water System located near the Food Lion distribution center was completed in October 2021. The improvements to the booster station are now underway to improve water pressures and add a significant increase in the water volume available to the area currently served by the Food Lion water system. Furthermore, the connection adds 1 million gallons of water storage for fire control to the central system, which significantly improves the fire protection at the business park.

Route 156 Water Main Extension

This project extends the 12" water main along Route 156 from Mount Sinai Rd (west) to the Pine Ridge mobile home park. The project is approximately 85% complete. This will provide a loop in the water system, which improves water quality, increases water volume available for fire control and provides redundancy to the water system, which provides the ability to isolate a disruption of service to a smaller area. Installation of the water line began in March 2021 and completion is anticipated by July 2022.

Water Main Extension to Route 10 corridor

The County was awarded \$3.2 million in Community Project Funds from the Office of Congressman McEachin to aid in County efforts to extend its central water system 4.5 miles from Sandy Ridge Road to serve the subdivisions of Jordan on the James and Beechwood Manor. This project will provide reliable water service to these neighborhoods allowing the County to decommission the existing aquifer system. This will result in a future cost avoidance to replace the aging infrastructure and will support new developments in the corridor. The design to extend the water system has begun. Construction activities could begin as early as this Fall.

Water and Wastewater Capacity Projects to Serve Future Growth

The County's water system and the wastewater conveyance system that serve the Southpoint Business Park (SBP) is at capacity and can no longer support additional commercial and industrial growth within the park. The County Board of Supervisors has authorized the following four projects to address the capacity issues to allow for continued growth within the Park and other areas in the County:

1) - Temple Ave Water Storage Tank & Booster Station - A new one million gallon water storage tank booster station along River Road near Temple Avenue will replace the existing booster station, which currently limits the County's water supply. The facility will be built closer to the water supply location to allow the County to receive its full allocation of water supply from the Appomattox River Water Authority (ARWA) and reduce the area of the low pressure zone. Along with project #2 below, this will add 1.2 - 1.5 MGD to the County. The project is expected to take 3 years to construct.

2) 24" Water Line under the Appomattox River - In conjunction with the new tank and booster station along Temple Ave, the County plans to construct a 24" water line under the Appomattox River. The current water supply is reduced to a 16" water line before it enters the County. Increasing the size to 24" will allow additional capacity to be conveyed into the County to assure the full allocation from ARWA is received. The engineering design services have begun and the project is expected to take 1.5 years to construct.

3) Route 156 Water Storage Tank & Booster Station - A new half million gallon water storage tank and booster station along Middle Road near Route 156 will connect the water system to the Virginia American Water supply that currently serves the City of Hopewell and will add 1.0 MGD to the County. Efforts for land acquisition are underway and engineering design services are being procured. The project is expected to take 3 years to construct.

4) Realignment of an 8" sewer force main - The Southpoint Business Park's wastewater is collected at two sewer pumping stations (SPS) that pump into a common force main. This force main currently discharges into a gravity sewer along Route 460 that is at its full capacity. This project will reroute the force main to bypass the gravity sewer and discharge downstream to another gravity sewer that is able to convey the sewer, which will provide an additional 107,000 GPD of wastewater conveyance capacity to the Park. The engineering design services to reroute the force main has begun. Construction activities could begin as early as this Fall. The project is expected to take 1.5 years to construct.

Prince George County Police Department Calendar of Events

Date	Time	Event	Location
April 30	10:00 a.m. - 2:00 p.m.	Drug Takeback Day	Prince George Police Dept. (side lot)
May 5		Tri-City Police Memorial Service	Hopewell Moose Lodge
May 11-16		National Police Week	
May 13	5:00 p.m. - 9:00 p.m.	Tip-A-Cop Fundraiser	Nanny's Restaurant
May 14	10:00 a.m. - 1:00 p.m.	Strosniders Chevrolet Child Safety Seat Check Event	Strosniders Chevrolet, 5200 Oaklawn Blvd.
May 22	10:00 a.m. - 2:00 p.m.	Ft. Lee Safety Day	Fort Lee PX
June 9	9:00 a.m. - 11:00 a.m.	Special Olympic Torch Run	Courthouse Road (Walton Elementary to Beazley Elementary)
June 9	6:00 p.m.	Youth Public Safety Orientation	Zoom Meeting
June 20 - July 1	8:00 a.m. - 5:00 p.m.	Youth Public Safety Academy	JEJ Moore Middle School, 11455 Prince George Drive
August 2	5:00 p.m. - 9:00 p.m.	National Night Out	County-Wide

PROPERTY MAINTENANCE UPDATE

The Code Compliance Division investigated 313 new property maintenance complaints during 2021. To date, 287 of the 313 cases have been resolved or closed resulting in a 95% compliance rate. The division produced 191 enforcement documents and violation notices related to these cases. While not all complaints received resulted in violation notices, investigations of these complaints did result in 676 inspections of various sites and potential violations. Code compliance has continued to work with the Community Policing Division. Together, we are continuing the clean-up effort to improve property conditions throughout the County. Complaints can be directed to the Community Development & Code Compliance Department at 804-722-8659.

TAX RELIEF

Real Estate Tax Relief Applications for the Elderly or Permanently and Totally Disabled must be filed no later than August 1, 2022 in order to obtain credit on the December 5, 2022 real estate tax bill. Any questions or concerns may be directed to the Commissioner of the Revenue's office at (804) 722-8740.

Darlene M. Rowsey
Commissioner of the
Revenue

TAX REMINDER

All 2022 personal property taxes and second half of 2022 real estate taxes are due on or before June 24, 2022. Taxes not paid by due date will be subject to an immediate 10% penalty, plus interest. If you own property in Prince George County and have not received a tax bill, please call (804) 722-8750. Failure to receive a bill does not relieve the taxpayer of any additional charges that will accrue under the law for failure to pay within the prescribed time. Office hours are 8:30 a.m. - 5:00 p.m., Monday through Friday. Payments must be post marked by the US Postal Service by June 24, 2022. Drop boxes are available at the County Administration Building.

Susan Clark Vargo, Treasurer

SEPTIC PUMPOUT PROGRAM

In the Spring of 2018, the Prince George County Department of Community Development & Code Compliance-Environmental Division acquired the management of the Septic Pumpout and Inspections Program from the Virginia Department of Health. The intent of the program is to help improve water quality in the Chesapeake Bay Protection Area (CBPA) of the county through non-point source pollutant management. In 2021, the Division completed its first cycle of compliance efforts for all Zones through mailings to approximately 2,500 households and businesses located within the CBPA. The mailings include a description of the program, property owner compliance deadline and a verification and compliance form to be submitted to the department.

Compliance results per Zone are as follows:

Zone 1 (Completed by the Virginia Department of Health in 2017) - 56%

Zone 2 - 80% - 2018

Zone 3 - 79% - 2019

Zone 4 - 81% - 2020

Zone 5 - 57% - 2021

Email septicpumpoutprogram@princegeorgecountyva.gov for more information.

ELECTION INFORMATION

For information about any upcoming elections or to review current voter registration status, please call the office of the General Registrar and Director of Elections at (804) 722-8748 or email Allan Richeson at aricheson@princegeorgeco.untyva.gov.

In addition, you can visit the Virginia Department of Elections website at <https://www.elections.virginia.gov>

COURTS/BLAND DISTRICT POLLING LOCATION CHANGES

On December 28, 2021, the Supreme Court of Virginia approved and adopted final redistricting maps for the State's congressional districts, House of Delegates districts, and State Senate districts. The State's final redistricting maps split the Courts (204) precinct. Section 24.2-307 of the Code of Virginia requires that each voting precinct be wholly contained within a single congressional district, Senate district, House of Delegates district, and election district used for the election of one or more members of the governing body or school board.

In order to cure the voting precinct split, the Board was required to adjust the precinct boundaries. Approximately 300 registered voters will move from the Courts (204) precinct to the Bland (201) precinct. To make this change, the Board amended County Code § 30-61(2) to adjust boundaries for the Courts (204) precinct and Bland (201) precinct. In addition, the Board amended § 30-62 of the County Code to move the polling location for the Courts (204) precinct from the Courts Building to Abundant Life Church, located at 6500 Middle Road in Prince George, Virginia. The Registrar will mail a notice to the registered voters affected by such changes.

FIRE STATION UPGRADES

Prince George Fire and EMS Jefferson Park Fire Station Five will be getting upgrades soon. The County is working with DJG, Inc. on the design. Some of the upgrades will include a new roof, HVAC system, plumbing upgrades, room expansions and new bay doors, to name a few.

Fire Station Eight, located on Prince George Drive will be receiving electrical upgrades to ensure that the structure is safe and in compliance. Both projects are on schedule to start in late spring.

Pictured: Jefferson Park Fire Station

NEW ELEMENTARY SCHOOL UPDATE

The ground breaking for construction of a new elementary school along Middle Road was held in May of 2021 and construction remains underway. The new school will replace existing William A. Walton Elementary School, which was constructed in 1960. The school will accommodate 850 students ranging from Pre-K to fifth grade. Construction is approximately 50% complete, and Loughridge & Company has estimated substantial completion will occur mid-November 2022, and that students and staff will be able to move into the new school in early 2023.

Progress highlights:

- Steel - setting sequence for 17 trusses; installed floor decking and stairs in A & B; roof decking installed in Gym and kitchen
- Masonry - completed interior block walls in C-1 and kitchen; started A-2 walls
- MEP - plumbing rough ins, chill water piping, and power & light installation progresses
- Framing - Furring walls; framing soffits and bulkheads and framing top of walls
- Other concrete, drywall, dow construction and arctic fireproofing work ongoing

EMERGENCY FOOD & SHELTER ASSISTANCE FOR COUNTY CITIZENS

Prince George Department of Social Services is the recipient of funds from the Emergency Food and Shelter Program (EFSP). These funds are used to provide food services, shelter, rent/mortgage and utility assistance to county residents who meet the requirements. Funds are limited and assistance is given on a first come, first served basis for those who qualify.

Please contact the Department of Social Services at 804-733-2650 if you are in need of these services. This program will begin November 1, 2022 and end April 30, 2023.
