NOTICE OF AWARD
SOLE SOURCE VENDOR

Date March 27, 2019

Name: OBX FireTech
Address: 122 Park 4 Drive, Grandy, NC 27939
To Furnish: Engine 5 (unit 637)
Estimate No.: 259

The attached estimate is hereby accepted as a source sole purchase. Engine 5 (unit 637) will need to be outsourced due to several issues found during the last PM. Several gauges will need to be replaced and valves need to be rebuilt. We currently do not have the time to perform these repairs or have the man power to transport this unit to obtain three quotes. I am requesting to outsource this apparatus to OBX Fire. OBX Fire labor rates are substantially less than Atlantic and we currently do not have the manpower to transport this apparatus to their location.

For all the reasons stated above, OBX Fire is the only 'practicably available' source for meeting our need and being able to have the work completed in a manner that is necessary for the Fire Department.

This work is not to exceed \$7,116.30, without prior written authorization from the Fleet Manager.
