

# Department of General Services

## The General Properties "Toolbox"

*"A global community where families thrive  
and businesses prosper"*

Volume 1 - Issue 2 ~ August/September 2013

### Human Services Building Renovation Project

The Human Services Building Project continues to move forward. The project is approximately 30% complete. The projected move-in date for the Social Services Department to occupy the newly renovated second floor is mid to late November.

### Regional Heritage Museum Renovations

Modifications to the Regional Heritage Museum are underway. Staff from the Museum is providing resources with project management for the work. The improvements are scheduled to be completed by Fall of 2014 with a Grand Opening to follow.

#### **Current Projects:**

Human Services Building Renovations  
Heritage Museum Building Upgrades  
Complex Signage Installation  
PG County Gateway Welcome Signage

### Fleet Garage News

Staff attended an off-site OSHA Chemical Spill Response Training Class. All personnel achieved certification for the training.

Fleet staff is gathering feedback from Police Patrol Officers on the new brand of tires that are being installed on police vehicles.

The County Vehicle Replacement Plan has been executed for FY2014 budget.

### Tricentennial Park Fountains Replaced

The original fountains had become cracked and broken. New fountains have been installed and restored to normal operation.

### Emergency Crew Facility

Modifications and upgrades at the Emergency Crew Facility are near completion. The project punch list is underway.

General Services Staff; Robbie Callis, Bill Hamby, Mike Mitchell and Bubba Robinson provided assistance to the Extended Farmers' Market on August 17th.

Do you have an idea to make your Departments' work space more inviting or present a safer environment for you or the Citizens we serve? If so, please make note of the idea(s) and forward to Valerie Brockett at
