BIKE RODEO

**Saturday, July 27th from
9 AM to 11AM at Gregory
Memorial Church**

Prince George County Police and
Parks and Recreation are
sponsoring a
BIKE RODEO!

Everyone is invited to join us in
raising awareness of bicycle safety
regardless of age or skill level.

The rodeo focuses on bike safety! Participants
will receive helpful tips to improve their riding
experience.

Participants will have their brakes, seats, and
other equipment inspected to ensure safety fea-
tures are in place and are working properly.

A variety of stations will be set up to test and im-
prove the rider's ability and skill level.

Bike Raffle!!

NEW PROGRAM TO BE LAUNCHED IN AUGUST 2013!!

P.A.C.T.

Police and Community Together Program

In 2013, the Prince George County Police Department developed and implemented an exciting and innovative program for our autistic residents - the **Police and Community Together** program, also known as **P.A.C.T.** The Police Department recognizes the need to partner with the families of a special segment of our community in order to provide the highest level of service possible.

The **P.A.C.T.** Program introduces public safety resources from Prince George County to our autistic residents and their families. We want to identify this special segment of our community that has family members under the age of 18 who have been diagnosed with Autism. The Police Department would like to obtain vital information about your loved ones that can be used to locate them if they become lost or inadvertently walk away.

The Prince George County Police Department has partnered with the Prince George County Schools, Department of Social Services, District 19 Community Services Board, Prince George Special Olympics, and the Ft. Lee Exceptional Family Member Program to assist with the **P.A.C.T.** Program.

If you are interested in participating in the program, details on registration will be available in mid-August. For additional information, you may contact our Community Policing Unit or Captain Eric Young.

CHIEF FRANKENSTEIN ANNOUNCES PROMOTIONS

The Prince George County Police Department recently tested for promotions for the positions of Lieutenant and Sergeant. The participating Police Officers were subjected to a written exam from an independent testing company, and an oral interview panel comprised of supervisors from other law enforcement agencies. Other considerations included the Officer's past evaluations and seniority points.

Chief Ed Frankenstein is pleased to announce that the following Officers were promoted, effective July 1, 2013. Sergeant **Sean Moore** and Sergeant **Michael Taber** were promoted to the position of Lieutenant. Both **Lieutenant Moore** and **Lieutenant Taber** will be midnight shift commanders on opposite shifts. Four Police Officers were promoted to the Sergeant position. **Sergeant Earl Crawford** will head up the Community Policing Unit while **Sergeants Noel Watson, Chad Eilert, and Jonathan Hamby** will serve as Shift Supervisors in the Patrol Division.

County leaders, to include the Board of Supervisors and County Administrator, Mr. Percy Ashcraft, would like to congratulate the Officers on their new positions and wish them continued success serving the citizens of Prince George County.

Business Watch Program Expands to More County Businesses

In January 2013, The Prince George County Police Department started a "**Business Watch**" Program for area businesses designed with focus on Crime Prevention and Business Security. The program's goal is to reduce crime, or the fear of crime, while promoting communication between the area businesses and the Police Department. The "**Business Watch**" program is a form of Neighborhood Watch and will allow "neighbors" to have an avenue for sharing information as well as understanding/promoting basic crime prevention. This program was started in the area of the Crossings Shopping Center with Ms. Traci Hackley of the Baymont Inn and Suites being the first to register as a member. Since then, **over 200** other businesses have signed up as members. "**Business Watch**" has started to expand to other County businesses along the Temple Avenue corridor with both Crossroads car dealerships and the Work Zone as members.

If you're a business owner/manager and want more information or wish to join in as a member of the **Prince George Business Watch**, then please contact Officer Harold Shreves or Sergeant Earl Crawford of the Prince George Community Policing Unit at (804) 863-1847 or communitypolicing@princegeorgeva.org.

"In Partnership With The Community"

Ending Thoughts from Chief Frankenstein...

11th Anniversary of Prince George County's "National Night Out"!!

While the nation celebrates 30 years of "National Night Out" activities, this will be the **11th** year celebration for Prince George County. When we had our first "National Night Out", we had only one neighborhood participating—Birchett Estates. Mr. Otis Bryant was the host for that first event and he is still hosting the Birchett Estates "**National Night Out**" celebration. From that first event, Prince George has grown to having **28** neighborhoods all across the County participating in block parties of their own. This is all done each year with a tremendous amount of enthusiastic work from citizens, County employees, and members of the Prince George County Public Safety Team. I thank each and every person who has helped over the years, and this year, in our effort to strengthen neighborhood spirit and Community partnerships.

"National Night Out" activities are an opportunity for citizens to meet members of the Public Safety Team and learn about some of the things we are doing in the Communities. It is also a time for citizens of the communities to get to know their neighbors, County Staff members, and Members of the County Board of Supervisors. This year's event will be our biggest ever and I look forward to seeing you there!

Thank You,

Ed Frankenstein
Chief of Police
