

Prince George County Police Department

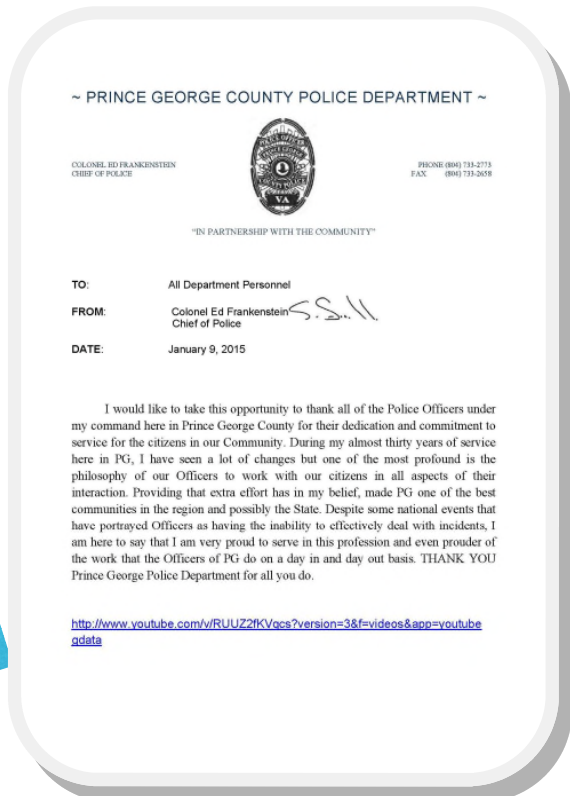

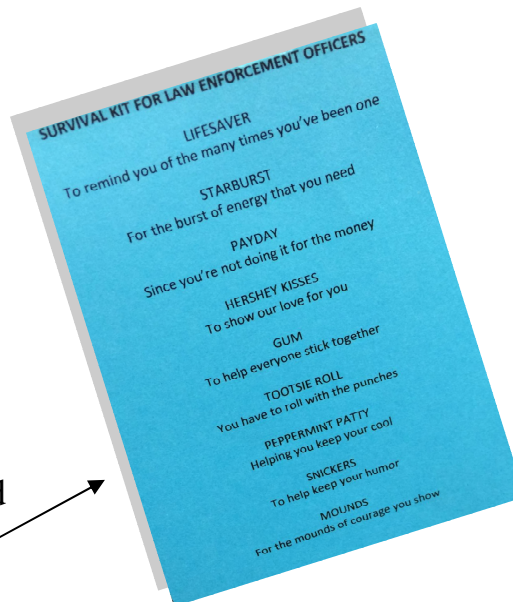

The Miranda—Be Advised

Police Department News

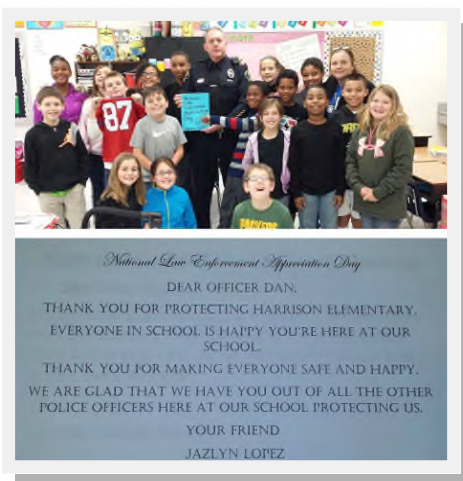

January 9, 2015

1st National Law Enforcement Appreciation Day.

Support and appreciation was shown to the officers from citizens, not only with the bags of “thank you candy” but the message behind the gesture.

Mrs. Jenkin's class from Harrison Elementary presents Officer Schmieder with a book of letters for National Law Enforcement Appreciation Day

After completing 10 weeks in the **1st Senior Citizen Police Academy**, participants graduated on January 30, 2015. The graduates were presented with individual certificates and a plaque which will be displayed in the Police Department.

POLAR PLUNGE - VIRGINIA BEACH..... The “Prince George

“COPSicles”

County COPSicles” wanted to let everyone know this year’s “Polar Plunge” events raised a total of 1.15 million dollars (and Counting!) for Special Olympics which is the fifth year in a row that the event has raised more than a million dollars. The 2015 Polar Plunge-Winter Festival-Virginia Beach event was held on February 6th with over 4,700 brave souls taking the plunge into the Atlantic Ocean. **This year the “Prince George County COPSicles” had 27 team members and were able to raise over \$11,398 dollars for Special Olympics.**

As of February 7th, the “COPSicles” were ranked seventh out of 350 different teams at the Polar Plunge-Winter Festival for money raised. Thanks to each and every member of the “Prince George COPSicles” for a job well done and to each and every person that made a donation to benefit Special Olympics.

The First Bike Rodeo of 2015 was held at New Jerusalem Fellowship Church on March 7. This event was co-sponsored by the Prince George County Police and PG Fire Company 5. It was chilly but they had a great day!

Recruit Officer Magen Moreno Graduates from Crater Criminal Justice Training Academy

On Friday, March 20, 2015, Recruit Officer Magen Moreno graduated from the Crater Criminal Justice Training Academy after attending their 24-week training program. We are anxious for Magen to begin her duties as a Patrol Officer with the Prince George County Police Department in the Field Services Division.

Circuit Court Clerk Bishop Knott swears in Police Officer Recruit Magen Moreno on March 18, 2015 as Chief Frankenstein looks on.

Police Officer Recruit Magen Moreno graduates from the 84th Basic Police Academy on March 20, 2015. From left to right: Sergeant Chris Douglas, Lieutenant Paul Burroughs, Captain Eric Young, Police Officer Recruit Magen Moreno, Chief Ed Frankenstein, Captain Brian Kei, Sergeant Jodie Warren

National Public Safety Telecommunicators Week

April 12 - 18, 2015

The second full week in April is always National Public Safety Telecommunicators Week. We proudly recognize the dedicated men and women who stand ready to help citizens in need every day.

They should take pride in a job well done.

The Prince George County Communications Center is staffed by professional communications personnel and is manned 24 hours a day, seven days a week to provide around the clock service to the citizens of Prince George County. Due to this high level of service Communications Officers are required to work a variety of shifts. Their duties include but are not limited to, receiving emergency 911 and non-emergency requests for Police, Animal Services and Fire/EMS. The Communications Officer must be able to determine the nature and urgency of incoming calls, prioritize the calls and dispatch the appropriate emergency equipment.

The mission of the Prince George Communications Center is to dispatch public safety services with the least possible delay after the request is received or requirement for emergency service is known to exist; to provide a fast, efficient information service to public safety officials in the field in order to assist them in the safe and accurate completion of their duties.

The function of the Prince George County Emergency Communications Center is to serve as the communications liaison between the Public, Police Department, Fire Department, and Emergency Medical Services, and to receive citizen's requests and efficiently relay all information necessary to the operation of the Department. It is the Emergency Communications Center's responsibility to the citizens and visitors within Prince George County, to provide for dispatch of Police, Fire and EMS service and public safety in the most effective and efficient manner possible.

The speed and accuracy with which information flows through each system component are measures of the agency's capability to respond to the needs of the community. The Emergency Communications Center monitors Radio, Telephone, Teletype and Automated Data Communications, CAD, and NCIC/VCIN.

The Emergency Communications Center operates 24 hours a day, 365 days a year. A normal workweek consists of 40 hours, which include weekends and holidays.

Animal Services

Brick Paver Project

The Prince George County Animal Services has started a new project that will enhance our facility as well as give our citizens an opportunity to purchase a lasting gift. Personalized bricks are the perfect permanent gift for any occasion. Honor your pets, past and present, recognize family members and loved ones, market your civic organization or business. This unique recognition will help raise money that will benefit the Prince George County Animal Services and Adoption Center.

Order forms will be available at the Prince George County Animal Services and Adoption Center, Police Department and County Administration Building.

NEWS.....

Taxi Program

Prince George Police Department Taxi program saw a complete overhaul in 2015. This program overhaul was a needed mechanism to conduct a comprehensive review of our taxis, the drivers and the program as a whole. With the increased demand from Fort Lee and continued permits increases the old program was not able to keep up with the demand of the 82% increase in new drivers. The new program brought about new Applications, Inspection form, and a visible certificate of necessity. This new program has increased accountability as well as compliance for the safety of passenger's.

Inoperable Vehicle Program

The Inoperable Vehicle code prohibits the storage and parking of inoperable vehicles on neighborhood driveways, unpaved areas or any parking area visible from public view. This regulation is designed to improve the community image, facilitate emergency access to homes, and eliminate sites where debris can gather. Prince George Police Department Inoperable Vehicle Program was overhauled this Spring with the adoption of the new ordinance § 78-16.1 which repealed § 78-266 prohibiting any person from keeping inoperable vehicles except within an enclosed structure or shielded or screened from view and providing for removal and disposal of such vehicles. The new ordinance will assist in the overall goal of property maintenance and the promotion of neighborhood integrity, prevention of property value decline, and reduce visual clutter and blight to preserve quality of life.

"In Partnership With The Community"

Ending Thoughts from Chief Frankenstein...

I want to thank all those that came out to the County's news conference where I announced my retirement effective October 1st and all those that sent messages of good wishes. I truly meant it when I said this department has the best men and women in law enforcement. I am confident that we will continue to provide the highest level of professional service to our citizens and through our continued partnership with the community; we will be a locality that is looked upon as a place to live and work. Thank you Prince George for all the successes we have accomplished and continue to work towards.
