# National Night Out 2014

**ANOTHER SUCCESSFUL YEAR!**

National Night Out 2014

On August 5, 2014 thirty neighborhoods participated in the 31st Annual National Night Out.

These events are organized by members of the individual neighborhoods and attended by members of the Police Department, Sheriff's Department and various other Prince George County employees.

National Night Out is designed to: (1) Heighten crime prevention awareness; (2) Generate support for, and participation in, local anticrime programs; (3) Strengthen neighborhood spirit and police-community partnerships; and (4) Send a message to criminals letting them know that neighborhoods are organized and fighting back.

We would like to thank all of those that made this evening a success!

## **Ending Thoughts from Chief Frankenstein...**

Summertime is quickly coming to an end and school is back in session. The Police Department had a very busy and exciting summer with a variety of activities to include Bike Rodeos for kids, Animal Adoption events and of course another successful National Night Out. National Night Out has come to be a signature event for Prince George and its success is due in large part to the relationships that have developed between our Public Safety Team and the great citizens of Prince George County. We value this relationship and as we move forward, we pledge to do everything possible to maintain it. By working together, we will continue to make Prince George a great place to live.
