

Food Safety Basics

Public Health
Prevent. Promote. Protect.

CSU Extension in coordination with Prowers County Public Health and Environment is proud to offer our Food Safety Basics training for retail food establishment employees in **Baca, Bent, Kiowa, and Prowers Counties**. This training will provide a comprehensive overview of food safety applications and critical factors associated with the Foodborne Illness prevention. You will have the opportunity to put key points into practice through hands on exer-

cises and group activity.

Presentation points include:

- Understanding the risk factors associated with food-borne illness,
- Personal hygiene, hand-washing, and food handling requirements,
- Time and temperature control requirements for various food processes,
- Cleaning and sanitization

techniques and requirements, and

Retail food establishments are encouraged to send managers, chefs, and staff to this important event!
