Budget Message for 2024 Prowers County, Colorado

December 28, 2023

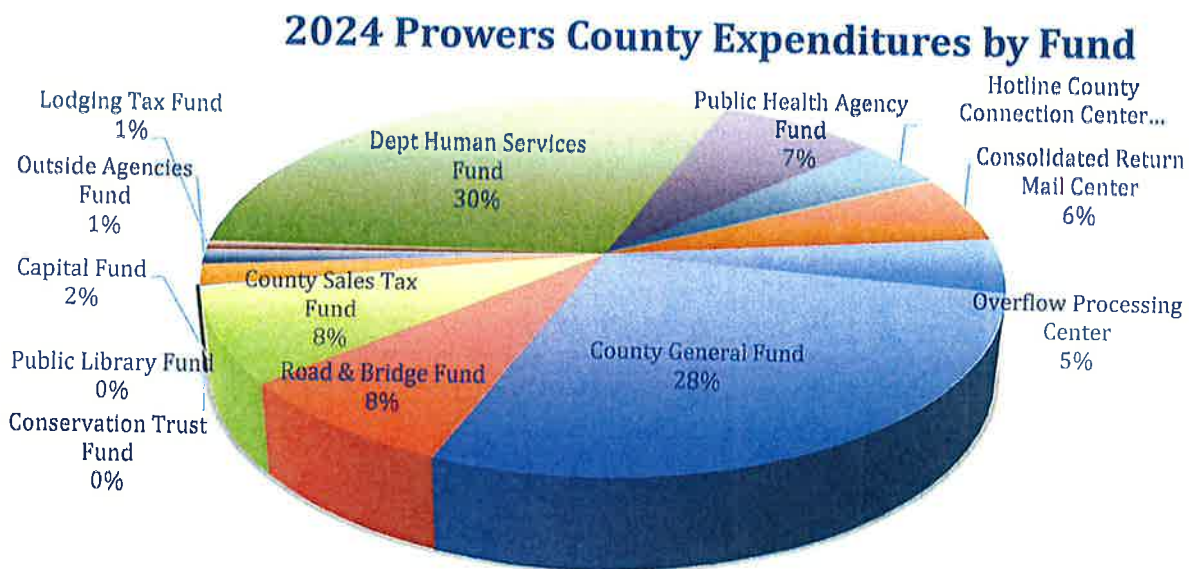

TO: The Citizens of Prowers County, Colorado

In accordance with C.R.S. §29-1-107, the Prowers County Budget for 2024 is hereby presented.

Due to continuing property tax law changes, the deadline extension for the final assessed values to December 29, 2023, and the deadline extension of January 5, 2024, to certify the mill levy, this information is not available at the time we are presenting the Final Prowers County Budget for 2024. We have worked closely with the Prowers County Assessor's office to determine the best available predictions for 2024 property tax revenues for use in this budget. We are confident to move forward at this time without the availability of final assessed value or certified mill levies. We plan to re-evaluate the 2024 budget in April when we have the final assessed values plus a clear picture of potential property tax backfill dollars owed to Prowers County in 2024. We will complete a supplemental budget at that time if it is deemed necessary.

We continue to work with the Elected Officials in Prowers County and Department Supervisors to make sound fiscal decisions relative to your tax dollars. We strive to keep expenditures to a minimum while maintaining mandated local government services, many of which are expanding without any supportive funding from the state and federal government levels.

Below is a breakdown of the various funds which comprise the total 2024 Budget:

General Fund

The General Fund includes all of the Elected Officials' departments, as well as many others and the expenses related to their respective operations. We anticipate that the 2024 General Fund expenditures will be \$11,799,067.

The General Fund supports services like public transportation, rural fire, and emergency management, as well as entities such as the Prowers and Northeast Prowers Soil Conservation Districts, E911 Dispatch Center, and both the Sand and Sage Round-Up Fair and the Holly Gateway Fair.

Economic development will continue to be a top priority and we will budget \$25,000 in 2024 to support Prowers Economic Prosperity (PEP) and its efforts.

Local government provides services, and without our valued County employees, we could not carry out our statutory duties. In addition to continuing to provide 100% of the premium for a high deductible health insurance plan and other insurance benefits for each full-time employee, we will appropriate funds for pay raises in 2024.

Road & Bridge Fund

Our Road & Bridge Department provides many important services for our citizens. We anticipate that Road & Bridge Fund expenditures will be \$3,482,974 in 2024. The fund balance is estimated to be \$3,867,383 at the beginning of 2024. For 2024, the Sales Tax transfer to this fund will again be suspended and may be reinstated upon future budget needs.

Sales and Use Tax Fund

In 2024 we project that we will receive \$2,983,118 in sales tax revenue. We will continue to use sales tax dollars for capital improvements and tax relief to the General Fund.

Public Library Fund

The Public Library Fund exists due to small amounts of revenue which continue to be received by the Treasurer and must be deposited in this Fund.

Conservation Trust Fund

The Conservation Trust Fund is supported by the distribution of Colorado Lottery dollars. The funds are utilized to maintain the digital TV tower and building located near Carlton. There are plans to upgrade the remaining 3 outdated transmitters at the Carlton tower location in 2024. This should increase reliability of service and the ability to continue to keep these stations operational in the future and free to residents.

Capital Fund

We are fortunate to budget for projects and improvements to County properties in 2024 including ongoing roofing projects and other unexpected major repairs.

Outside Agency Fund

The Outside Agency Fund is a pass-through fund for certain grants to Southeast Colorado Enterprise Development, Inc. (SECED) for which the County serves as the applicant agency and fiscal agent.

Lodging Tax Fund

The Lodging Tax Panel is dedicated to promoting our region by allotting dollars for marketing and advertising of various events. The Panel continues to appropriately administer the revenues generated by the Lodging Tax.

Human Services Fund

The Human Services Fund mill levy will be set in January 2024. The Human Services Fund includes various important programs for our citizens. The fund balance is estimated to be \$1,279,604 at the beginning of 2024 with projected expenditures of \$12,299,154 which includes SNAP. For 2024, the Sales Tax transfer to this fund will again be suspended and may be reinstated upon future budget needs.

Public Health Agency Fund

We anticipate that the Public Health Agency Fund expenditures will total \$3,144,263 in 2024. This Fund includes numerous programs that provide services which are needed for our citizens. The fund balance is estimated to be \$2,088,790 at the beginning of 2024.

Hotline County Connection Fund

H3C maintains 24/7 call coverage for the Statewide Child Welfare Hotline as well as for numerous counties throughout Colorado. The fund balance is estimated to be \$214,661 at the beginning of 2024 with projected expenditures of \$1,766,260.

Consolidated Return Mail Center Fund

Prowers CRMC runs a centralized service and call center for Statewide returned mail from correspondence regarding benefits and verification of benefits. Fund expenditures for 2024 are estimated to be \$2,248,676.

Overflow Processing Center Fund

Prowers OPC provides a centralized processing center for all Medicaid and CHP+ backlog applications for the State of Colorado. Fund expenditures for 2024 are estimated to be \$1,904,674.

Prowers County maintains its accounting records on a modified accrual basis. Included in the 2024 Budget, dispersed throughout the various funds, is a cash reserve equal to at least 3% of the total budget. This meets the Amendment 1 Requirements.

We commend the Elected Officials and County Department Supervisors for diligently managing their budgets and resources while continuing to deliver vital services. It is because of their commitment and sound fiscal management that we are able to confidently present the 2024 Budget complete with increased employee benefits and the tools, equipment, and training which will enhance all of Prowers County. We thank you for the opportunity to serve as your County Commissioners.

**PROWERS COUNTY
REQUEST FOR WAIVER OF FEES AT FAIRGROUNDS**

On behalf of Southeast Colorado All-Star Rodeo Team, I do hereby request a waiver of fees for rental of the Fairgrounds. The waiver is needed because

This event has been held at Lamar, CO Sand and Sage arena as an annual event for the rodeo kids throughout Colorado. The expenses associated with the event are high and the club has had to rely on fundraisers, in years past, to help cover expenses. We are requesting a waiver of the rental of the fairgrounds for help defer some of the expenses. The club has a good history with Prowers County & we are thankful!

RE: Prowers Economic Prosperity - Southeast Enterprise Zone

To Whom It May Concern:

The Board of County Commissioners of Prowers County, Colorado, is pleased to submit this letter of support for Prowers Economic Prosperity (PEP) to remain in the Southeast Enterprise Zone as a Contribution Project.

As an economic development non-profit, Prowers Economic Prosperity is a vital economic development component in Southeast Colorado, and specifically in Prowers County. PEP provides business assistance, promotes job creation, retention, and expansion, and plays an integral role in advancing the economy in our economically distressed rural area.

Prowers Economic Prosperity is the first point of contact for businesses looking to open or relocate in Prowers County and they work with businesses from start to finish to ensure smooth growth in reaching economic viability. In rural areas, even one job created is an enormous milestone in advancing the county, so PEP prioritizes job creation by providing small incentive packages to new or expanding businesses that will provide new job opportunities. PEP also helps prospective entrepreneurs put together comprehensive business plans to aid them in receiving start-up funding from other sources.

The Board of County Commissioners of Prowers County believes that approving Prowers Economic Prosperity as an eligible Enterprise Zone contribution project is vital to aid PEP in their efforts toward much needed employment and business development activities in SE Colorado.

Thank you,

RE: Xcel Energy's Colorado Power Pathway Longhorn Extension

Dear Commissioners:

The Board of County Commissioners for Prowers County strongly supports Xcel Energy's plans for the future of energy development in Southeast Colorado and Prowers County beginning with approval and construction of the Longhorn Extension segment of its Colorado Power Pathway plan. Approval and construction of the Longhorn Extension, which will stretch from Kiowa County south through the center of Prowers County and into Baca County, will create the opportunity for many renewable energy projects in our region. These prospective renewable energy projects will boost the local economy through investments, landowner leases, job creation, and additional tax revenue while also helping the State of Colorado to meet its renewable energy production goals.

Prowers County, and all of Southeast Colorado, is defined by the State of Colorado as an "economically distressed" area, but we do have abundant renewable resources available: the sun is always shining and the wind is always blowing in Southeast Colorado. Approval and construction of the Longhorn Extension would provide tangible economic benefits to Southeast Colorado while tapping into our plentiful and underutilized renewable resources to the benefit of the entire State of Colorado.

The Board of County Commissioners for Prowers County strongly encourages the Colorado Public Utilities Commission to approve of Xcel Energy's proposed Longhorn Extension through Prowers County to advance the economic and energy interests of the region and the State of Colorado.

Thank you,

Board of County Commissioners for Prowers County, Colorado

Prowers County Commissioners
Attn: Mark Westhoff, County Administrator
301 South Main Street
Lamar, CO 81052

Dear Sir,

Please see that attached Secure Transportation Service License and six Secure Transportation Vehicle permits executed by The Board of Otero County Commissioners on the 11th day of December 2023. It is my understanding that under section **XVIII Reciprocity**, that Prowers County will consider approving these documents and issue both the license (name change only this year) and corresponding annual permits.

While we were not sure if it was required, we also had the Prowers County Sheriff's Office inspect the two vehicles that are housed at our Lamar locations, so the L1 & L3 will have two Inspection Reports (Otero & Prowers).

Please confirm receipt of this packet, and if you need any additional documentation. Once confirmed, I will contact the Administrative Office regarding payment of the \$450.00 (\$75 x 6) permitting fee.

Thank you for your assistance, and Happy Holidays.
