

Prowers County Steering Committee Application

Applications are currently being accepted for volunteer positions on the Prowers County Master Plan Steering Committee (SC). Individuals are asked to volunteer for a term of approximately 18 months; the SC would dissolve upon adoption of the new County Master Plan, now underway and expected to complete in December 2024.

The Prowers County Steering Committee is charged with the following tasks:

- Serve as advisors to the County in support of drafting a Master Plan.
- Consider issues, review data, consider alternatives, discuss ideas, refine vision and values, advise staff, Planning Commission, and elected officials, and make recommendations regarding goals, policies and strategies being developed for the Plan.
- Be a link to the community by sharing the planning process with acquaintances, colleagues, and communities of interest in the spirit of unbiased information sharing and outreach.

The SC should anticipate meeting nine (9) times during the project, with no more than two hours per meeting. Times and dates will be decided by consensus of SC members and staff soon after appointment.

Appointees from a wide variety of stakeholder categories in Prowers County would be highly desirable. Prowers County encourages a wide range of applicants.

The committee application is available on the County's website at www.prowerscounty.net. Submit Committee Application to Prowers County; Attn: Administration Office, 301 South Main, Suite 215 Lamar CO 81052; via email to ctyadmin@prowerscounty.net or in person, no later than 5:00 p.m., Friday, September 29, 2023.
