1. **Minutes** – Review and approval of the minutes from the November 11, 2014 meeting.
2. **Discussion**
 - Map project:
 - Currently the Village has about 50-60 maps.
 - Will need the HHS coordination to review the existing documents.
 - Looking at a web-based document and an updated handout map.
 - With the Village website upgrade, there may be the ability to update the HPC site as well as creating an online link for Historic Homes.
 - Waiting on HPC budget approval to move forward.
 - Proposed HPC budget: On Thursday, December 18, 2014, HPC Chairman met with Village Manager Kathleen Gargano, Assistant Village Manager/Director of Finance/Treasurer Darrell Langlois and Village Planner Sean Gascoigne and reviewed the HPC proposed budget. Early in January 2015, Village Manager Kathleen Gargano will recap the request of HPC in the memo to the Board. The Board will advise if the HPC budget is approved. New budget would start May 1, 2015.
 - Possibility of a 2nd tier Land Marking: Waiting for approval of funding to proceed with this program.
 - Fence Regulations: Reviewing the update to the current code about iron fences.
 - In 1998, the Village worked on fencing code and allowed for 3' high fences in the front of homes. Wrought iron fences were originally not going to be included in new 3' ordinance in front yards because they posed no real visual obstruction (as opposed to picket fences, which had prompted the review of the ordinance.)
 - When drafted and approved, no exception for wrought iron fences was made and all fences have thus come under the ordinance. Wrought iron fences were mistakenly included in the new ordinance. The intent of the discussions preceding the new ordinance was to exempt wrought iron fences from being limited to 3' in height.
 - While wrought iron fences are allowed in front yards, they should not be governed by the 3' high rule since they do not create a visual obstruction by their very nature.
 - Looking to allow iron fencing in front of homes.
 - Reviewed the need to scale the height based on the height of the home and the set back.
 - AIA does not have a formula.
 - Reviewed photos of homes with fencing examples in the October 14, 2014 HPC meeting.
 - Review the update from Commissioner Bohnen and Commissioner Gonzalez.
