Events & Town Resources
Town of Hollywood Supporters

Welcome to the Town of Hollywood!

“MASK UP HOLLYWOOD”

The coronavirus that has shocked the nation in 2020 has caused much damage to our community of 6,000 people. Thanks to efforts from the Clergies, Community leaders and our businesses, the pandemic’s losses have been minimized. Every other week I participate in calls on how to fight the virus. The running averages for Charleston County still hovers around 1,000 cases per day. The federal government has made vaccines are readily available. Individuals 16 years of age and older can get the vaccine to stop the spread of COVID-19. I encourage our community to continue proper hand washing, social distancing, and ‘masking-up’ to decrease spread and increase safety.

I have posted our soft opening plan on the Town’s website to address the concerns of the community regarding public openings and gathering spaces within the Town
Additionally, I believe transitioning the Town of Hollywood forward requires time, financial stability, and community engagement. Due to the financial impact of the pandemic, the Town Council will be diligently working on the upcoming budget.

Since our last newsletter, Chardale Murray was elected to South Carolina House of Representative 116. Representative Murray’s council seat has been filled by Michelle Heyward Dunmeyer, by special election held in May 2021. Unfortunately, Councilmember Kenneth Smalls Sr. has decided not seek re-election; bringing his 20-year service to the Town to an end. In June 2021, the Town of Hollywood will hold an election to fill three seats on the Town Council. Mayor Pro Tempore Herbert Townsend and Councilmember Annette Sausser will be seeking re-election.

As Mayor, I pride myself as someone working with and for everyone in our community. I have learned that with help and working together as a Town that all things are possible. Therefore, I hope this newsletter will continue to serve as an informative vision of the Mayor, Council and staff of Hollywood.

Be Safe and Mask Up!!

Kind Regards,
Mayor John Dunmyer, III

- All parks and public buildings are closed to the public until the Center for Disease Control (CDC) and SC Department of Health and Environmental Control (SCDHEC) confirms that it is safe to reopen.
- Any Town Council member who receives the vaccine can provide proof to the Town Clerk. Following vaccination proof, each vaccinated member can attend in-person Town Council meetings, Special Town meetings and workshops using the 6-foot protocol and mask wearing inside the Town Council chambers. Any Council member can use Zoom to attend the meetings with the camera active so listeners can identify the speaker.
- Staff is encouraged but not required to receive the COVID-19 vaccination.
- The Town Hall will remain closed to the public.
- The Senior center and all other public buildings will remain closed to the public.

- Parks are open from 8:30 am until 4:00 pm on Monday, Wednesday and Friday. Signs will be posted requiring social distancing and wearing masks.
- Reservations will be accepted for rentals of less than 50 people per events.
- The Senior Center will open on Wednesdays for Seniors who have received their COVID-19 vaccine.
- All vaccinated Council members may attend in person meetings at the Town hall or via Zoom with the camera active so the public can identify the speaker. However, in person meetings will require social distancing and masks.
- Councilmembers not vaccinated can continue to use Zoom to participate in the meetings and workshops.
- The Town Hall remains closed to public.

- All Councilmembers are permitted to attend meetings and workshops.
- Town Hall is opened to the public.
- Park rentals are accepted.
- The Senior Center opens for two days a week for Seniors who have been vaccinated.
- Parks are opened 8:30 am-4:00 pm, Monday -Friday.

PHASE 4. Pandemic ends by Presidential Order: Regular in-person meetings and schedules return prior to COVID-19 restrictions.

*All dates subject to revision. Guidance will be from Federal, State, and local sources.*

Kind Regards,
Mayor John Dunmyer, III
Greetings from the Town Planner:

After much work by the Mayor and Town Council FEMA did approve the Town’s continued participation in the National Flood Insurance Program. The new electronic maps are available at charlestoncounty.org

2020 Census was completed during the COVID 19 Pandemic with results showing the Town now has just over 6,000 residents. The final updates will be available at census.gov in September.

Dominion Energy is starting to upgrade the 1200 streetlights in the Town. This will be a 3–4-year project as they replace the oldest lights first.

Annexation requests have started from adjacent properties on the southern boundary of the Town along the SC Highway 164/ SC Highway 162 corridor.

SC DOT has pushed for the resurfacing of SC Highway 162 from SC Highway 165 to US 17 to start this Summer.

Long horned Asian Beetle removal began in December by the Federal government. They have removed over 300 infected trees with nearly 4,000 more to go. The infections are from Johns Island to Summerville along SC Highway 165 covering over 35 square miles of land.

The Planning Commission has reviewed development Agreements for single-family subdivisions. Once these homes are built the finite number of 1400 homes will end the building boom in Hollywood. These phased developments allow for adsorption meeting the rural quality of life determined as critical by the Planning Commission and Town Council as the new 2020 Comprehensive Plan was crafted.

In closing, please make sure you and your family get the Covid 19 vaccine.

For any questions, feel free to contact me at planner@townofhollywood.org
Greetings from the Sewer Coordinator:

The year 2020 has been a challenging year for the community as well as the world with the COVID-19 pandemic but we are starting to see the sun begin to shine again. Springtime is coming and everyone is anxious to get back out into nature. We started with some challenges with our lift-stations in Hollywood last year and after a year of upgrading, replacing, and performing daily and weekly preventative maintenance on all 26 lift stations, we are seeing overwhelming positive results for all of the lift stations.

We have seen lower flows come through our stations as a result of tackling the issue of infiltration by replacing manhole lids and inserts around the community. We have also been having great feedback in regards to odors around the lift stations that have significantly decreased. Although we still have some smells around only a couple of the stations, there has been a significant decrease in the order. As you have seen we have are in the process of upgrading pump station number 6 with plans for 4, 5, and 7 in the near future. These stations must be upgraded due to the incoming growth from the new subdivisions scheduled to start this year.

We are excited for our community as we are seeing the optimal performance coming out of all the lift stations in the community. Please continue to call in with the reports on anything you may see happening around our stations. We are committed to making sure our community stays environmentally healthy and we can enjoy the beauty of this great town.

Lastly, we are currently working with CWS to remove any sewer lines out of the marsh area. Once this is completed we can help prevent any type of spills in the march area that may shut down our oyster beds or have an environmental impact of our shell fish and seafood community so many depend on to make a living. Thank you again for the great feedback and I look forward to engaging with you in the future and to hear any great ideas or concerns you may have.

Sincerely,

Carolyn Simmons
Sewer Coordinator

Greetings from the Town Clerk Treasurer:

The Town of Hollywood is working constantly to serve you better. Town Council meetings are held on the 4th Monday of each month at 6:30 pm except November and December when meetings are held on the 3rd Monday. BZA meetings are held on the 2nd Thursday of each month at 6:00 pm when there are cases to be heard. Planning Commission meetings are held on the 2nd Thursday of each month at 6:30 pm. For each meeting an agenda is created and posted to the Town’s website. Due to the COVID-19 Pandemic all meetings are done virtually. The invite to attend is posted to the Town’s website.

Greatly Appreciative,

Tynetta White
Town Clerk Treasurer

Greetings from the Senior Center Coordinator:

The Senior Center has been closed since March due to COVID-19; as of now the Center will continue to remain closed until further notice. We will continue to keep in touch with our seniors that attend the center. The center has been under construction since the closure and we are excited about the new look.

James Parlor, Pastor

St. Paul Presbyterian Church USA is a progressive, Christ-centered church where everybody feels welcomed. For over one hundred and fifty years, St. Paul Presbyterian Church has been a staple in the Hollywood Community. As we move into our third century, we are committed to serving our God in ways that are yet to be imagined!

I invite you to join us for Sunday School and Worship on Sunday, as we engage God’s world guided by God’s Word. You will find an historic congregation known for its friendliness and its heart for service. Our traditional worship service is centered on the reading and proclaiming of the sacred Scriptures of the Bible.

Join us for:

St. Matthew 5:13
You are SALT / God’s people are His preserving agents for a world that is corrupted and degenerating because of sin. Your life is designed and commissioned by God to enhance a community and to persevere what is good and right. There is a deep significance today for a godly life that is involved in its community. The presence of Christ in you makes all that He is available to others. His salvation can be free an addict, mend a broken home, heal the pain of the past, restore a wayward child, and comfort a grieving heart. all of this is available to those around you as Christ Express His Life through you.

The first black barber at the Citadel Military College. When he received his position he was told to only cut the black cadets hair. One day a brave white cadet, tired of waiting on a white barber, sat down in his chair and he has been cutting everyone’s hair at the Citadel and Family Barbershop since then. A living legend Thaddeus Miller.

We protect and empower.

Who We Are
LegalShield has been a pioneer in providing legal plans for more than 48 years, and our mission has been a straightforward, practical approach. In a perfect world, you’d never need a lawyer, but in an unpredictable world it helps to have a team of lawyers on your side. LegalShield has made smart legal coverage simple – in the form of accessible, affordable, full-service coverage.

A Team Of Lawyers
LegalShield has a network of dedicated law firms in 50 states and all Canadian provinces and territories made up of seasoned lawyers with an average of 22 years’ experience. Our Provider Law Firms provide legal protection to over a million members, even in covered emergency situations, 24/7/365 days a year.

Why LegalShield
People need legal coverage without the complexity because life can be unpredictable and the law can be complicated. LegalShield created a model for legal coverage in which you know exactly what you’re getting and precisely how much you’re paying for it. Once you sign up, you can sit back, relax, and know you’re covered by an entire law firm.
