

Leading Wisconsin's Recycling Industry

Tri-County Recycling accepts material from most Northeast Wisconsin and Upper Michigan communities. Over 100,000 tons of recyclables are processed each year utilizing staff from a two-shift operation. Recyclables that are collected curbside and from drop-off centers are brought to the publicly-owned and operated material recovery facility located in Appleton, Wisconsin. This is where recyclables are separated from one another by hand and by high tech sorting equipment, compressed into storage bales for easy shipping, marketed and sold to companies to be re-manufactured into a wide array of new products.

The Tri-County Recycling Facility continues to be a centerpiece of Wisconsin's recycling industry, creating jobs, protecting the environment, conserving resources and encouraging all to Recycle More...Recycle Right. Group facility tours are available. Visit www.recyclomoretricity.org for more information.

2019 Northeast Wisconsin RECYCLE GUIDE

Some stuff just doesn't belong in your recycling bin...

Plastic bags

Plastic bags, film and wrap are the **#1 contaminant**. Keep recyclables loose in the bin and take plastic bags back to store drop-offs. See below.

Sharps

Needles, lancets and syringes are the **#1 safety concern** for sorting staff. Do not throw sharps in recycling or trash. Visit: dnr.wi.gov and search "Sharps Collections".

Yuck

Liquids, food and trash contaminate good recyclables. Empty and rinse containers; compost food scraps and throw trash in the garbage.

Tanglers

Cords, chains and wires wrap around sorting equipment creating unnecessary maintenance. Take these items to e-waste collectors or scrap metal dealers.

Textiles

Clothing, towels and bedding wrap around sorting equipment creating unnecessary maintenance. Donate textiles, or if wet and moldy, throw them in the garbage.

PLASTIC FILM & WRAP...recycle it at participating stores, NOT in your curbside recycling

Find drop-off locations at PlasticFilmRecycling.org

Also look for any packaging with this How2Recycle label

BROWN • OUTAGAMIE • WINNEBAGO

1419 Holland Road, Appleton, Wisconsin 54911

Also serving Calumet, Door, Kewaunee, Oconto & Shawano Counties
