Cemetery Commission

6 p.m. – Floral Hill Cemetery – April 9, 2019

Members Present: Sandy Conradt - Chairman, Lisa Hunt, Brian Strey,
Randy Zehms - Cemetery Sexton
Dave Morack - Council Representative
Guest – Jamie Walbruck - Spokesperson for Tony’s Cemetery Service

Meeting was called to order at 6:00 p.m.; with a quorum present.

AGENDA

1. Jamie Walbruck came in to give a quote for cemetery services that could be provided by Tony’s Cemetery Service. This was a fact finding session; so that if the cemetery structure was to change at some time we had a starting point for prices.
Discussion was held on the merits of keeping the present system of digging graves verses changing to an outside company. We will need more figures on what different services cost at the present time.
2. 6:30 p.m. Dave Morack had to leave for another meeting and Jamie Walbruck was excused as well and was thanked for his presentation.
3. A discussion was brought up into looking at an increase in the grave purchase and opening and closing. This will be an Agenda item at the next Cemetery Meeting

Motion for adjournment by Lisa/Brian at 7:15 p.m.

Sandy Conradt – Chairman
