Rancho Simi Recreation and Park District

OAK PARK-PARK AND RECREATION PLANNING COMMITTEE

ELECTION 2022

Rancho Simi Recreation and Park District is a municipal Special District responsible for providing parks, recreational activities, and the management of open space for the communities of Oak Park and Simi Valley. In 1976, the Oak Park – Park and Recreation Planning Committee was formed to allow for input and advisement to the District’s Board of Directors, on interests and matters specific to Oak Park residents. The Committee formally meets in Oak Park four times a year, January, April, July, and October, on the second Thursday of the month, at 7:00 pm.

The Planning Committee is comprised of five elected members and two appointed members (one from the Oak Park Municipal Advisory Council (MAC) and one from the Oak Park Unified School District). Each elected member serves a two-year term with open seats being filled by way of an election held annually in late January.

The Park District announces the election for two open community-at-large Planning Committee seats for the February 2022-January 2024 term. Oak Park residents have until 5:00 pm, January 25, 2022, to submit a nomination form and have their names placed on the ballot.

Due to gathering restrictions related to COVID-19, the election has been altered from the usual process of taking place at the regularly scheduled Oak Park Municipal Advisory Council (MAC) meeting in January. The 2022 election will take place by way of Candidates who have submitted a nomination form in advance, being introduced at a special MAC meeting on January 27, 2022, at 7:00 pm (to be held via Zoom). Interested candidates who do not meet the submission deadline, will still have an opportunity to be added as a write in candidate by calling in during the Zoom meeting.

The election will follow by way of in-person ballot submissions made at the Oak Park Community Center, between 1:00 and 5:00 pm, on January 27 and 8:00 am-7:00 pm on January 28. Results of the election will be posted at www.rsrpd.org and via a Press Release the following week.
