Addendum No. 1

Date: 12 January 2022
To: Potential Bidders
Project: Oak Canyon Community Park – Palm Tree Removal Project
Subject: Addendum No. 1

Contractor Notes:
1. Please enter this Addendum No. 1 on Page 00401-7 of your Form of Proposal.

2. The Bid Opening for this project will be held on Tuesday, January 18th, 2022, promptly at 2:00pm, at the Rancho Simi Recreation and Park District's Activity Center, 4201 Guardian Street in Simi Valley. It is the contractor's responsibility to make sure that their bid is received by the Park District prior to the specified time and date of the Bid Opening. All bids received after the specified time and date shall be returned to the contractor/bidder in conformance with the project specifications.

NOTICE CHANGE OF REQUIREMENTS

Section 02090 – PALM TREE REMOVAL SPECIFICATIONS AND STANDARDS, C.
GENERAL, NOTE 8: All stumps shall be mechanically ground to a minimum of six inches (6") below grade. Stump holes shall be backfilled with native soil and/or stump chips to meet existing grade.

The above requirement has been changed. Contractor is no longer required to mechanically grind stumps. Many areas will be inaccessible to a grinder and therefore would make it impossible to complete the scope of work as required in the specifications. Instead, Contractor shall flush cut all trunks to existing grade. Trunks may not be left protruding above grade as it could become a hazard to potential fire and maintenance crews, in the future.

Add this completed sheet as the last page of your Proposal package.

If you have any questions, please contact me.

Sincerely,

Jonathan Schwartz
