RE: Letter of Interest/Ward 3 Council Vacancy

Dear Ms. Hughes:

Please accept this as my letter of interest in an appointment by the City Council to the vacant Ward 3 City Council seat until December 7, 2026. A list of my relevant experience is found below but my desire to fill the vacancy is based primarily on my ongoing commitment to the City of Saco and local government, and a desire to work directly with other Ward 3 residents as their voice on the Council. I also have a strong interest in Citywide issues including, in part, a variety of housing options for all levels of income, economic development, a vibrant downtown, conservation efforts including preservation of farmland, a sustainable working waterfront, and pedestrian and bicycle safety.

I look forward to answering any questions Councilmembers may have at the August 17, 2026, meeting.

Sincerely,

SANDRA L. GUAY
