- The City’s portion of tax on average taxable homestead value is approximately \$3,136 / year (\$251 increase).
- 48.9% of residents qualify for the Over 65 Tax Freeze (City taxes do not increase)
- Sales tax revenues are expected to increase to \$756,000 for the General Fund, and \$187,500 each for the Crime Control District and Street Maintenance Fund
- Police and Fire account for approximately 69% of the operations expenditures
- Capital Replacement funds are saved each year in advance to fund large cost items
- Budget trends and challenges include: increased taxable property values; increased number of properties qualifying for the over 65 tax freeze; increased sales tax and interest revenues; decreasing permit revenues; higher franchise fees revenues; and increased health care and inflation-driven costs
- Total Debt Obligation. On June 25, 2022, the City of Shavano Park’s issued a May 7, 2022 voter-approved \$10M bond for the Phase I Street Reconstruction Plan. The City’s total debt obligation (principal) is \$11,565,711 with \$1,992,248 of this supported by water revenue.
- This budget includes a Long-term Financial Planning section, incorporating schedules and graphs which projects the expected revenues and expenses for the next five years

The overall budget priorities are driven by the City’s Strategic Goals as established by City Council and their corresponding Objectives (updated annually) found on pages 52-56. Major budgetary changes include continued emphasis on staff compensation to account for inflation, stormwater drainage improvements and the reconstruction of De Zavala Road, reconstruction of approximately one mile of residential roads, and application of street preservation materials throughout the entire Shavano Creek Subdivision. There are no planned reductions in service levels nor increases in fees. Incremental improvements in service levels include: upgraded information technology capabilities; and facility improvements.

Here to Serve!

HONORING THOSE WHO “PROTECT AND SERVE” OUR COMMUNITY

By Alderman Lee Powers and Alderman Pete Miller

With the founding of the City of Shavano Park in 1956, we are quickly approaching a momentous occasion by celebrating our 70th anniversary in 2026. With that, our community relies on the dedication of 22 law enforcement officers who put their lives on the line daily to protect and serve our community. To commemorate this milestone, Alderman Powers and myself, are looking for additional volunteers to sponsor the purchase of special 1950s-style police badges for each of our Shavano Park Police Officers.

We are looking for 20 additional sponsors to join us in showing support for the Shavano Park Police Department. Each badge costs \$225, and if you're interested in contributing, please reach out to either Alderman Lee Powers or Alderman Pete Miller. Sponsors will have the opportunity to present a commemorative badge to an officer in the New Year, reinforcing our city's gratitude for their service.

Our plan is to sponsor the badges and have them purchased and in place with the Police Department by December 1, 2025. Then in January of 2026, the badges will be pinned onto the officers and worn by them for the entire calendar year.

Alderman Lee Powers, a former Shavano Park Police officer and Fire/Arson Investigator from “the Olden Days,” understands the pride officers take in their badges and what they symbolize. As someone who has served, Alderman Powers also recognizes the impact that community appreciation can have on an officer.

Your assistance in honoring those who protect and serve our Shavano Park Community would be greatly appreciated

Neighborhood Crime Watch

Last summer, the Shavano Park Police Department implemented a Neighborhood Crime Watch program to aid in keeping our residents informed of any potential crime trends and to distribute information as a valuable resource to aid in the identity of criminals and criminal activity. At present, this is completed through an e-mail distribution system.

Currently, there are over 100 residents signed up to receive e-mail alerts; we would love for that number to jump and eventually see the entire community signed up!!

Signing up is simple and easy! Just follow the link at <https://www.shavanopark.org/residents/watch.php>. Your email address is kept confidential and will not be shared, seen or viewed by anyone outside of the police department's command staff.

Want a Yard Sign?

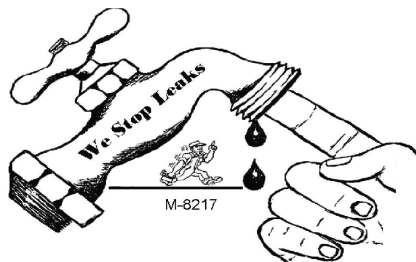

The Shavano Park Police Department has yard signs available to show your support for the Shavano Park Police and Fire Departments!

There is no cost to any resident who desires one for their yard and one sign is available per residence. All signs must be displayed in accordance with City of Shavano Park City Ordinance Sec. 24-6 and as a reminder, no sign can be placed in the right-of-way.

Anyone who wishes to have a sign may stop into City Hall and see us at the Police Department window.

SHAVANO PARK WOMEN'S CLUB

By: DeAnna Guerrero

With the arrival of October comes cooler weather, (we hope) making it the perfect time to enjoy outdoor activities in Shavano Park. Whether it's going for a walk down your street, on the trails, or simply sitting outside and enjoying the fresh air, the fall weather provides the perfect backdrop for outdoor fun.

As October marks the beginning of the last quarter of the year, it's a good time to reflect on the goals you set for yourself at the beginning of the year and see how far you've come. It's also a great time to start planning for the upcoming holiday season and set new goals for the final months of the year.

One of the highlights of the month is National Night Out on October 1st. This annual event encourages neighbors to come together to promote community safety and build relationships with local law enforcement. Residents can participate by hosting block parties, cookouts, or neighborhood gatherings. It's a great opportunity to get to know your neighbors and show support for a safer community.

I know that from personal experience, I have met some of my neighbors and heard interesting stories about life in Shavano Park that I wouldn't have met or heard if I hadn't attended the National Night Out activities. This year the Shavano Park Women will have a presence at the gathering at City Hall, so we hope you will stop by and say hi!

Another fun event to look forward to in October is the Halloween Trunk or Treat. This family-friendly event is perfect for kids of all ages to enjoy a safe and festive Halloween experience. Participants can decorate their car trunks and pass out candy to trick-or-treaters in a fun and creative way. It's a great way to get into the Halloween spirit and create lasting memories with your family and friends. This event is October 27th starting at 4:00 pm. Look for the Shavano Park Women's NP display and fill up on goodies! I will personally be there with my grandchildren getting them sugared up and then returned to their parents.

Overall, October is shaping up to be an exciting and eventful month in Shavano Park. From National Night Out to Halloween Trunk or Treat, there are plenty of opportunities to connect with your community and enjoy the fall season. So mark your calendars and get ready for a month filled with fun and festivities in Shavano Park.

Please visit www.spwnp.org to see the activities that the Shavano Park Women's Non-profit will be enjoying in the coming months. It's not too late to join!
