## NEW EVENT - TRUNK

### OR TREAT IN SHAVANO PARK

Thursday, October 31<sup>st</sup>, 5:00-7:00PM @ City Hall.

Love Halloween? Do you decorate your home, dress your pet(s) and yourself in costume, then wait for the little ones to show up at your doorstep? Have you been left eating candy past Christmas because you had little or no visitors?

We love our tree-filled streets and large lots but that makes the hike from house-to-house hard on the wee ones and parents alike! And our bucolic setting means limited or no sidewalks and street lights. Also, it is often difficult to tell which houses welcome visitors.

Trunk or Treat allows all of us to enjoy Halloween!!!

This year we will hold Halloween at City Hall! Drive to City Hall, park around the circle, pop your trunk or drop your tailgate and wait for the kids! Dress up, dress your pet.

Our Mayor will be judging the best trunk presentation and awarding a grand prize.

SIGN UP: Zina Tedford, City Secretary, 210-581-1116 or [ztedford@shavanopark.org](mailto:ztedford@shavanopark.org).

## NOTE FROM THE MAYOR

Hon. Bob Werner

We are finally to October, and with it, we have the “hope” for cooler weather. The longer we live in South Texas, the more we realize that the “hope” for a cool October ranks right up there with the “hope” of a 16-year-old driving the new “family” sports car, or the “hope” for a six inch snow on Columbus Day canceling tomorrow’s math test or the “hope” that your school forgets to mail out report cards.

Sure, there is a lot of hope each October. Many hopes stand the same chance as the Texas Tech football team has of winning the Big 12 (slim and none) or the chances of Texas University and Texas A&M fans being as satisfied with the coaching staff on January 1 as they were on August 1 (zero percent chance), but other Texas hopes never fail.

After a quasi-exhaustive Internet search of best Texas October hopes that never fail, we should all be able to agree the best October “hope” available across Texas is the opportunity to attend festivals (which generally include the opportunity to drink beer). Most are a “relatively” short drive away. Just to name a few opportunities for you and your family/friends consider the following:

- Texas Renaissance Festival (Todd Mission – Oct. 5 to Dec. 1);
- Sand Castle Days (South Padre Island – Oct. 3-6);
- Heart O’ Texas Fair and Rodeo (Waco – Oct. 3-13);
- Several Oktoberfests (with lots of excuses to claim German ancestry (real, imagined, married or borrowed) along with lots of Internet promoted German foods and beer drinking):
  - WurstFest (New Braunfels Oct. 1-10)
  - Fredericksburg Oktoberfest (Fredericksburg – Oct. 4-6)
  - Beethoven Halle Oktoberfest (San Antonio – Oct. 4, 5 11 and 12)
  - Southlake Oktoberfest (Southlake – Oct. 4-6)
  - Muenster Oktoberfest (Muenster – Oct. 5-6)
  - Celina Oktoberfest (Celina – Oct. 12)
  - Sausage Festival and Oktoberfest (Slaton – Oct. 19-20)
  - Island Oktoberfest (Galveston – Oct. 25-26)
- Other Festivals (with a nonbeer focus, or not)
  - Possum Fest BBQ and Chili Cook-Off (Graford – Oct. 4-5)
  - Hogtoberfest (Brady – Oct. 5-6)
  - Fire Ant Festival (Marshall – Oct. Oct. 12)
  - Scarecrow Festival (Chappell Hill – Oct. 12-13)
  - Texas Jazz Festival (Corpus Christi – Oct. 18-20)
  - PumpkinFest (Mesquite – Oct. 19)
  - Hogeys Festival (Elgin – Oct. 24-26)
  - Hot Pepper Festival (Palestine – Oct. 26)
  - Original Terlingua Int’l Championship Chili Cookoff (Terlingua – Oct. 30 to Nov. 2)

Each of these events offers the chance to join with family/friends for a “short” drive across any number of Texas’ approximately 680,000

(Continued on page 3)

(Continued on page 2)

lane miles of highway system (over twice the miles of any state other than California (which ranks a distant second at about 400,000 miles)).

And on each of those miles, you and your family/friends can recall memories of the past or create new ones that will last for years, and as you do, you can play some games we played as kids –

- The Alphabet Games – alphabetize license plates, signs, restaurant name, etc.
- While You Were Sleeping – as fellow riders invent a fanciful story after the first rider starts to snooze
- 21 Questions – or guess what I’m thinking about
- Did You Hear That \_\_\_\_\_? – as you discover whether you are you riding with a car full of liars or just really clever people who know interesting facts
- The Singing Game – which is great for people who don’t need a bucket to carry a tune
- The Movie Game – one rider names a star, the next a movie with the star, then a co-star, repeat with movies for that star
- Regional Foods – find a local snack at each gas station (but does Buc-ee’s count?)
- The Counting Game – someone finds a random number then someone finds the next
- Cows on My Side - very time you see a cow, you get a point

**Kudos to the National Night Out sponsors and participants – great October 1 start to October events, but we still have another 30 days of memories to make.** We hope that each of us builds on those family/friend memories and continues creating miles and miles of new memories across Texas as we look forward to special Texas sized November and December events.

If you ever have any questions or comments, please give me a call at 210-867-0441.

### Cluster / Community Mailbox Security

Cluster / Community mailboxes have proven to be vulnerable to thieves. Unfortunately, theft of mail from both individual mailboxes and cluster mailboxes is a problem in neighborhoods all across San Antonio and Shavano Park. Our police constantly patrol our neighborhoods and keep an eye out for suspicious activity at the mailboxes, but the speed in which mailboxes can be accessed makes catching thieves a tall task.

Last month, the City wrote letters to our Texas Legislative Representative and Senator, both of our Texas U.S. Senators, Our U.S. House Representative, the Postmaster General, the Chief Postmaster Inspector, and our San Antonio Postmaster. Our main point in the letter was the construction, design and access to

individual mail slots on community mailboxes are easily broken or accessed using a common key and a significantly upgrade the construction and security of community mail boxes is required.

Unfortunately, residents are left with few actions they can take to minimize risk of their mail theft. I realize these are not necessarily convenient or easy, but here are some tips I’ve seen published:

- Use the “Hold for PickUp” option when receiving packages (then pick up at local Post Office)
- Check mail soon after the mail delivery
- Deposit mail close to pick up time
- Don’t send cash
- Hold mail at the Post Office during extended travels

### City Budget

Shavano Park City Council recently passed our annual Fiscal Year budget. Here are a few budget facts:

- General Fund expenditures are budgeted \$5.46M;
- Total expenditures budgeted for all funds is \$7.76M.
- Property tax rate is \$0.287742 / \$100 of valuation - no change from last year
- The average Taxable Homestead Value (all homes) is \$714,124
- The City’s portion of tax on average taxable homestead value is approximately \$2,065/year
- 42% of residents qualify for the Over 65 Tax Freeze (City taxes do not increase)
- Sales tax revenues are expected to be approximately \$465,000
- Police and Fire account for 65% of the budget
- Capital Replacement funds are saved yearly in advance to fund large cost items
- Total Debt Obligation is \$3.4 M
- The City maintains a AAA Bond Rating

The detailed budget can be located on the City website under the Financial Transparency (big blue button). A more detailed budget summary can be read on pages 1-4 of the budget document.

## If you plan to participate!

Because this is a new event, we want to make sure we have parking spaces reserved for trunk displays and attendees AND plenty of treats, so please take a moment and sign up.

## TRUNK OR TREAT

### SHAVANO PARK CITY HALL

Trunk-or-Treat is a version of Trick-or-Treating, but instead of going door-to-door to collect candy, kids go from trunk to trunk. Our homes are mostly spread out, we do not all have sidewalks or lighting, so this would be a safe opportunity to meet & mingle with parents and kids.

# SHAVANO PARK WOMEN'S CLUB

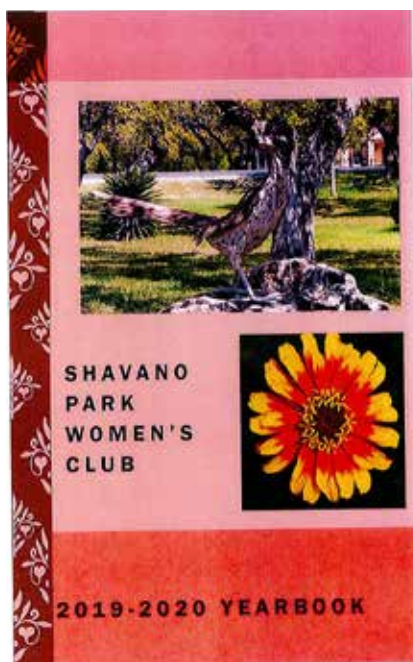

By Diane Struve

September was busy, busy, busy for everyone in Shavano Park, particularly the Women's Club! And we just keep growing because more ladies are returning after several years absence and more new members keep joining our ranks. Many of the new members heard about us from our New Resident Welcome Program. Marcia Stipek has chosen to retire after eight years from this sub-committee and has recruited two very able members to succeed her: Glenda Bibb and Dana Orihel. Thank you for your many years of service, Marcia, and thank you to Glenda and Dana for picking up the reins!

On September the 12th, over 50 of our members gathered at Erica Sloan's home for our traditional first Business Meeting and Brunch for the Club's Year. The 2019-2020 Yearbook was handed out to our members present for this well attended event. Many thanks to Kathy Schwesinger for publishing our new Yearbook. – Isn't it lovely?

What would we do without our wonderful volunteers???

Next month we will share with you all about the fun we had at our upcoming trip to Nordstrom's, La Cantera, to be pampered, made over, and served a yummy lunch from their Bistro. Any guesses on who will volunteer to be made over for the Holidays?? You have to wait until next month to find out.

## Lunch Bunch

Submitted by Marilyn Berrier

What a great turnout we had for our August Lunch Bunch! A record of 26 Shavano Park ladies filled the private dining area reserved by our hostess, Martha Salas, at Silo's on 1604. Great job, Martha! Check out our photos.

Barbara Simpson, our October hostess, selected Volare's Italian Restaurant on McCullough as the location for our Lunch Bunch group to enjoy on Wednesday, October 30th. Members will receive email details about the lunch in early October.

The Shavano Park Lunch Bunch welcomes ALL ladies of Shavano Park. Want to join? Contact Marilyn Berrier at 286.8833 or email: [marylinberrier@gmail.com](mailto:marylinberrier@gmail.com) to be added to our monthly email notification.

# BE HALLOWEEN Safe

Halloween is a fun, and spooky, time of year for kids. Make trick-or-treating safe for your little monsters with a few easy safety tips.

Sparky® is a trademark of the NFPA

## HALLOWEEN FIRE SAFETY TIPS

- ▶ **When choosing a costume**, stay away from long trailing fabric. If your child is wearing a mask, make sure the eye holes are large enough so he or she can see out.
- ▶ **Provide children** with flashlights to carry for lighting or glow sticks as part of their costume.
- ▶ Dried flowers, cornstalks and crepe paper catch fire easily. **Keep all decorations** away from open flames and other heat sources like light bulbs and heaters.
- ▶ **Use a battery-operated** candle or glow-stick in jack-o-lanterns. If you use a real candle, use extreme caution. Make sure children are watched at all times when candles are lit. When lighting candles inside jack-o-lanterns, use long, fireplace-style matches or a utility lighter. Be sure to place lit pumpkins well away from anything that can burn and far enough out of the way of trick-or-treaters, doorsteps, walkways and yards.
- ▶ **Remember** to keep exits clear of decorations, so nothing blocks escape routes.
- ▶ **Make sure** all smoke alarms in the home are working.
- ▶ **Tell children** to stay away from open flames including jack-o-lanterns with candles in them. Be sure they know how to stop, drop and roll if their clothing catches fire. (Have them practice, stopping immediately, dropping to the ground, covering their face with hands, and rolling over and over to put the flames out.)

If your children are going to **Halloween parties** at others' homes, have them look for ways out of the home and plan how they would get out in an emergency.

### Did you know?

Decorations are the first thing to ignite in 900 reported home fires each year. Two of every five of these fires were started by a candle.

## National Wildlife Federation

By Vicky Maisel

October is a busy month for wildlife. We have 2 contests ending this month and a butterfly festival.

Photos are due October 18th for the Camp Like an Animal contest. Take your best "campie" and tag the photos to #camplikeananimal or #greatamericancampout. The complete rules are available at [nwf.org](http://nwf.org). The grand prize is a one year pass to over 2000 U.S. parks.

Also, this month is the Garden for Wildlife Photo Contest. Photos are due October 11th. We have so much wonderful wildlife here in Shavano Park - so send in those pictures you have been taking. Go to [www.nwf.org/garden-for-wildlife/about/photo-contest](http://www.nwf.org/garden-for-wildlife/about/photo-contest).

Lastly, this month is the Monarch and Pollinators Festival. The festival is at multiple locations throughout San Antonio from October 12-20. For a complete list of festival activities go to [www.texasbutterflyranch.com/festival](http://www.texasbutterflyranch.com/festival). Some of the highlights for the week are:

- **October 16** "Planting for Butterflies" seminars at the San Antonio Botanical Gardens. There are two times the seminar is offered 1:00- 2:30 and 3:00-4:30. The cost is \$10
- **October 19** "Pollinators Rain Garden Workshop. This is at 100 E Guenther Street from 9-12
- **October 19** at the San Antonio Botanical Garden from 10-2 is the "Bug Lunch". San Antonio's best chefs will be preparing some yummy bug dishes. If you have ever watched "Bizarre Foods" and wondered how does Andrew Zimmern eat that disgusting stuff and actually enjoy it. Well here's your chance to snack on crickets and eat a few ants. If nothing else it's a gardeners chance to get a little revenge.
- **October 20** at the Pearl from 10-2 is the Monarch Festival and Parade. There will be booths and lots of butterfly information. And this event is free and fun for the whole family. The Pearl has wonderful restaurants and a water park for kids.

So send in your photos to the National Wildlife Federation this month. I know we have some winning photos from Shavano Park. And get ready celebrate butterflies.

Young, healthy-looking skin contains an abundance of a naturally hydrating substance called hyaluronic acid (HA). As you age, time, sunlight, and other factors can reduce the amount of HA in your skin. The lack of HA causes your skin to lose structure and volume – creating unwanted facial wrinkles and folds, like those “parentheses” lines around your nose and mouth, the loss of volume in your cheeks, and the lips. All of our fillers contain lidocaine, and we utilize topical numbing agents to make your treatment a comfortable experience.
