

CITY OF SHAVANO PARK

Welcome to the City of Shavano Park – *City Living with Country Charm*

The City of Shavano Park is rich in history. The City of Shavano Park, as we know it today, did not exist in 1956. True to our slogan “City Living with Country Charm” has made the vision of a home where people could live without the influence of “big city” government a reality. We, as a City, take pride in preserving our history while forging ahead to our future.

Shavano Park operates under an aldermanic form of government with a Mayor and five Alderman. The City Manager supervises the staff, which is manned with professionals who are dedicated to our mission of providing outstanding customer service in a cost effective manner. We are organized with Police, Fire, and Public Works/Water Departments, and a small Administrative Staff. Our Police and Fire Departments provide first class 24-hour service with a response time in minutes. Our Public Works and Water Departments consistently provide great service and are seen all around town taking care of business.

The City of Shavano Park Strategic Goals include:

- Provide excellent municipal services while anticipating future requirements
- Protect and provide a city-wide safe environment
- Protect City property values, while enhancing resources and maintaining fiscal discipline
- Maintain excellent infrastructure (buildings, streets and utilities)
- Enhance and support commercial business activities and opportunities
- Enhance the City image and maintain a rural atmosphere
- Promote effective communications and outreach with citizens
- Mitigate storm water runoff

One of the reasons that Shavano Park has a hometown atmosphere is the volunteerism and dedication of our citizens. I have never observed a more engaged community that maintains such high standards and quality of life. You, as citizens, play an important role in your city government by advocating important issues and serving.

Visit our website at www.shavanopark.org to learn more about your hometown, our current and future activities. From there you can sign up for automatic notifications (i-INFO), learn about our laws (large blue button - City Ordinances) or stay in touch with upcoming meeting by viewing agendas, or watch recent City Council meetings by video (Agendas, Minutes,& Videos button).

As your City Manager, I would like to be the first to say “Welcome home”.

Here to Serve!
