1	As a cost savings measure and to be Eco friendly could we not have a digital directory that is hosted on the Shavano Park Website under a secure intranet site within the website. Or maybe a secure app with that information. Directories are very outdated and expensive. Just my thoughts	10/14/2020 10:28 AM
2	Perhaps including email address as this is 2020 and pretty much everyone has one and is just as valuable in many ways.	10/12/2020 9:02 PM
3	I think we might be able to save the printing costs and just have the directory posted online. It could be updated more easily and would remain more current.	10/12/2020 4:45 PM
4	If any Directory is provided, it should be digital so it can be updated in real time, with less effort and less impact to the environment.	10/12/2020 12:48 PM
5	Our school provides a password protected online directory at www.myschoolanywhere.com Is there something like that available for no -schools? That would keep costs down and easy to update by the resident.	10/6/2020 9:12 AM
6	Just truly appreciate the effort that goes into producing such a valuable tool for park residents.	9/30/2020 3:20 PM
7	Would it be possible to just provide the information digitally, to only Shavano Park residents who have a login? Perhaps that's costly too? Thank you for all that you do!	9/30/2020 1:00 PM
8	We are new residents (February 2020) and have not received a copy of the Residents Directory.	9/29/2020 11:56 AM
9	would it be possible to list the Board Members for the Shavano Park Homeowners Association?	9/29/2020 9:29 AM
10	you may consider moving to every 3 years to reduce costs.	9/28/2020 8:59 PM
11	Only concern is that the information would be acquired by solicitors/salespeople/political activists.	9/28/2020 6:43 PM
12	I feel this is a service that should be provided by the City for our community. It's another "glue" that binds us together. On the other hand, a survey was a good idea as it has been extremely difficult to get a majority of residents to participate; therefore less effective/valuable. If a majority of respondents don't care, then why continue?	9/26/2020 10:20 AM
13	I'm well aware how time-consuming and detailed this must be. Not to mention residents moving after publication. Nevertheless, it's a good publication and to help for advertisers.	9/24/2020 11:20 AM
14	thanks for working on this!	9/23/2020 7:40 PM
15	Please see #5	9/23/2020 11:13 AM
16	If a large number of people withhold their information, then the directory isn't very useful.	9/22/2020 9:13 PM
17	I hope we keep the directory. I like having it.	9/22/2020 6:14 PM
18	None.	9/22/2020 5:53 PM
19	I appreciate the effort but this project may have jumped the shark.	9/22/2020 4:18 PM
20	Hope the directory continues to be published	9/22/2020 3:25 PM
21	It seems to me that discontinuing the Residents Directory is a good idea.	9/22/2020 11:22 AM
22	NA	9/22/2020 8:10 AM
23	The directory is an important tool to foster community in Shavano Park and encourage	9/22/2020 6:37 AM

communication. Why live in a community where your neighbors are strangers? Crime prevention is another consideration that allows us to check on our neighbors if anything seems out of the ordinary.

24	Can the directory be available online instead of printing them? Or consider residents who want a physical directory paying a fee for one; or just being able to print it themselves for free? We sincerely appreciate everyone's time and efforts.	9/21/2020 9:24 PM
25	Publishing a hard copy directory seems like an unnecessary expense - time and money. The city's published position on amenities has been focused on upgrading and elevating Shavano Park for potential new buyers and higher property tax residents. We repeatedly hear from City Council and above that we can not please every citizen and the final decision will always be to save money and promote property sales. New residents most likely will not consider a neighborhood directory to be an incentive to purchase a home in Shavano Park. All necessary information is easily and quickly available online.	9/21/2020 8:08 PM
26	I do not use the directory	9/21/2020 6:46 PM
27	With access to information via the internet, perhaps any money spent on this directory could go towards other projects	9/21/2020 1:24 PM
28	I think the SP Directory is valuable to our community if used and disposed of properly. An on-line version might be more palatable to our citizens for future publications	9/16/2020 12:53 PM
