Resolution 21-01-01, Transportation Alternatives Program (TAP) Application

A RESOLUTION OF THE CITY OF SIKESTON, MISSOURI, STATING ITS INTENT TO SEEK FUNDING FOR THE DEVELOPMENT OF PHASE TWO OF THE RAILROAD RAIL-TO-TRAIL PROJECT THROUGH THE TRANSPORTATION ALTERNATIVES PROGRAM (TAP) AND AUTHORIZING THE MAYOR TO PURSUE ACTIVITIES IN AN ATTEMPT TO SECURE SAID FUNDING.

WHEREAS, The Transportation Alternatives Program (TAP) was authorized under Section 1122 of the Moving Ahead for Progress in the 21st Century Act (MAP-21) and is reauthorized under the FAST Act and Continuing Resolutions; and

WHEREAS, the federally funded TAP provides opportunities to communities to expand transportation choices and enhance the transportation experience through categories of activities related to the surface transportation system; and

WHEREAS, The Missouri Department of Transportation is designated to award Transportation Alternatives Program funding; and

WHEREAS, The City has an eligible project which may apply for and utilize TAP funding.

NOW THEREFORE, BE IT RESOLVED by the Mayor and City Council of the City of Sikeston, Missouri, that it desires to participate with the Missouri Department of Transportation in the improvement of our community under the activities authorized pursuant to the Transportation Alternatives Program.

THEREFORE, BE IT FURTHER RESOLVED that the Mayor of the City of Sikeston, Missouri, is hereby authorized to prepare and submit documents which are necessary in applying for funding and establishing an administrative organization to implement activities pursuant to the aforementioned act.

THEREFORE, BE IT FURTHER RESOLVED, that the applicant will dedicate up to $100,000.00 of local cash funds to be used in the development of phase two of the rail to trail project.

MoDOT announced another round for TAP (Transportation Alternatives Program) funding for cities and counties seeking to do trail projects. The City of Sikeston wishes to apply for these funds for the purpose of constructing the next phase of rail trail.

For the TAP grant, the most you can request is $400,000 in federal reimbursement funding, and you must provide at least a 20% local match.

For this phase, we would begin near the depot at Scott Street and proceed west to North West Street. Originally, we desired to build this phase all the way to Sunset Drive, however, the costs for that exceed our budget at this time.
We plan to extend the trail west of North West enough to connect to Lincoln where we intend to propose building a connector sidewalk to the NE corner of Osage/Felker (Lincoln), where it can connect with the new sidewalk for Lincoln University. This was an important tie-in to the community that they discussed with us.

If awarded, we would need to dedicate up to $100,000 in local match out of the FY2022 budget effective in July 2021.

Councilman Merideth moved to approve Resolution 21-01-01, supporting the TAP application to apply for funding. The motion was seconded by Councilman Self and the following vote recorded:

Sparks Aye, Merideth Aye, Self Aye, Settles Aye, Evans Aye, Williams Aye, and Burch Aye, thereby being passed.
