Subject: Solid Waste and Recycling RFP

Attachment(s):

1. None (Draft RFP will be presented at the Council Meeting)

Action Options:

1. Authorize Staff to Release RFP
   2. Other Action Council May Deem Necessary

Background:

The City currently has a contract with Sonny’s Solid Waste for collection of residential trash. The contract has been extended six months beyond its expiration date to allow the city more time to explore recycling options and other issues, and to decide what level of service to request when we release a new Request for Proposals (RFP) for residential solid waste collection services.

The City Council held a study session on February 16 to discuss the results of a community survey regarding recycling and solid waste and to receive public comment on these issues. City staff is finalizing a draft of the RFP which will be presented to the Council at the March 6 Council Meeting.

The following language will be inserted into the “General Provisions” section of the RFP:

The City of Sikeston is interested in enhancing the cleanliness of the community and providing more recycling opportunities. Vendors shall propose their solutions, and associated costs, for meeting those community goals. Changes to the “Specific Terms and Conditions” as presented in this Request for Proposals may be proposed by the bidders regarding the following services and requirements:

- **Recycling**: The City will consider proposals regarding recycling drop off sites, curbside recycling, and/or other methods of recycling.
- **Frequency of Pickup**: The City will consider proposals regarding the frequency of pickup of residential solid waste and recycling (if proposed). The proposed frequency of
trash pickup may be variable depending on the frequency of recycling pickup (if proposed).

- **Containers**: The City will consider proposals regarding requirements for use of containers for residential solid waste and/or recycling. Proposals may address whether containers are required, the size, type, and other details about containers, and whether the containers would be provided by the bidder.

- **Alley Pickup**: The City will consider proposals regarding the continuation or discontinuation of residential solid waste pickup at the alley side of properties, where applicable.

- **Term of Contract**: Residential solid waste pickup under this contract shall begin on July 1, 2017. The City will consider proposals regarding the length of the contract term, and the start date(s) of any recycling services.

The tentative timeline for executing a new contract is as follows, subject to City Council direction:

2. Other action Council may deem appropriate.

Background:

The City of Sikeston was approved for a FEMA Assistance to Firefighter Grant (AFG) for an amount of $355,819.00. This is $30.14 less than the Grant maximum of $355,819.00.

After reviewing all the products available and recommendations were made by our committee, it was determined that Sentinel Emergency Solutions offered the best product for the best price. Based on these recommendations we would like to ask the City Council to award the bid to Sentinel Emergency Solutions for $355,788.86.
Memo

To: Director Mike Williams A-14
From: Captain Rick Rapert
Date: March 2, 2017
Re: SCBA Bid 17-17

Sir,

The City of Sikeston solicited bids for Self-Contained Breathing Apparatus to replace outdated equipment. The bid request was for 43 complete packs that includes a mask and 4500 psi, 45 minute SCBA bottle, 43 spare bottles and 28 additional masks, (total of 71 masks). This will meet the current and future NFPA standards. This allows for all officers to have their own personal SCBA mask which is fit tested to the individual officer. The bid packets (Bid number 17-17) were made available to any SCBA vendor that was interested in submitting a bid. Four different companies submitted bid packets prior to the deadline of Wednesday, March 1, 2017 at 14:00. The following vendors submitted bids:

- Leo M. Ellebracht Company (Scott Safety SCBA)
  1000 Corporate Pkwy. Ste. 101
  Wentzville, MO. 63385

- Paul Conway Shields (Interspiro SCBA)
  14100 West Cleveland Ave.
  New Berlin, WI. 53151

- Sentinel Emergency Solutions LLC. (MSA SCBA)
  23 Grandview Park Dr.
  Arnold, MO. 63010

- Banner Fire Equipment (Avon SCBA)
  4601 Hedge Road
  Roxana, IL. 62084

A Bid committee opened the bids according to procedures established by the City of Sikeston. The bid opening was held in the C.D. Matthews room at City Hall, located at 105 E. Center St. Sikeston, MO.
All vendors were instructed to submit base prices on the items and numbers listed above, plus prices on any and all accessories affiliated with their respective product. This also included a request for a list of basic repairs parts to be kept on hand by DPS certified maintenance technicians. All four vendors submitted bid packets with the basic pricing as follows:

Leo M. Ellebracht Company (Scott Safety SCBA)  
$274,918.00

Paul Conway Shields (Interspiro SCBA)  
$292,325.00

Sentinel Emergency Solutions LLC. (MSA SCBA)  
$287,996.00

Banner Fire Equipment (Avon SCBA)  
$321,444.85

A review committee assembled at DPS headquarters to compare the base pricing and accessories on the items the committee deemed necessary. This was based on test and evaluations conducted by the committee members over the last several months. Accessories that were recommended by the committee included APR adapters, RIT packs, Bluetooth communications, posi-check airflow tester and software, adapters for compressor filling stations, spare parts inventory, and thermal imagers incorporated into the SCBA system, battery chargers and rechargeable batteries and telemetry systems. After reviewing all the products available and recommendations were made by the committee, it was determined that Sentinel Emergency Solutions offered the best product for the best price.

The City of Sikeston was approved for a FEMA Assistance to Firefighter Grant (AFG) for an amount of $355,819.00. The grant pays 95% of the cost ($338,876) and requires the City of Sikeston to pay 5% match ($16,943). The base prices with accessories came to a total of $355,788.86. This is $30.14 less than the Grant maximum of $355,819.00.

Recommendation: It is recommended that the City of Sikeston accept the bid offer from Sentinel Emergency Solutions for $355,788.86.
