### **ITEMS OF BUSINESS**

#### **Authorization to Renew Commercial Property & Casualty Insurance**

Marsh Wortham provided the renewal quote for the City's liability and casualty coverages. Costs increased \$6,375.00 above last year. For the past three years, the City has been insured with Brit Global Specialties, but during renewal process they indicated our auto deductible would increase from \$20,000 to \$50,000 for a total premium cost of \$307,437.00. Travelers Insurance would offer a deductible of \$10,000.00 with their total premium cost of \$313,812.00. Effective dates are May 1, 2021 through May 1, 2022.

Councilman Merideth moved to authorize payment to Marsh Wortham in the amount of \$313,812 for property and liability insurance for the period of May 1, 2021 through May 1, 2022. The motion was seconded by Councilman Sparks and the following vote recorded:

**CHURCH**

At a minimum, a church includes a body of believers or communicants that assembles regularly in order to worship. Unless the organization is reasonably available to the public in its conduct of worship, its educational instruction, and its promulgation of doctrine, it cannot fulfill the associational role that Courts have increasingly adopted as a threshold for determining when an organization qualifies as a church. Other key factors to consider include whether the organization has a distinct legal existence, recognized creed and form of worship, definite and distinct ecclesiastical government, a formal code of doctrine and discipline, distinct religious history, membership not associated with any other church or

denomination, organization of ordained ministers, ordained ministers selected after completing prescribed studies, literature of its own, established places of worship, regular congregations, and regular religious services. No single factor is controlling but having regular meetings with a regular congregation should be weighted more heavily than some of the other factors. They City may use a combination of these characteristics, together with other facts and circumstances, to determine whether an organization is considered a church for the purposes of this Chapter.
