To the Mayor and City Council:

Subject: Pawnshop Regulations

Attachment(s):

1. Bill Number 6108

Action Options:

1. Second Reading and Approval of Bill Number 6108
2. Other Action Council May Deem Necessary

Background:

The City has been approached by a pawnshop owner who would like to relocate his business. Under the current City Code, he is unable to locate from his current location to his intended location because, although his current location is already within 500 feet of another pawnshop but was “grandfathered”, the new location is within 500 feet of another location, which is prohibited under Section 620.080.

The City Council discussed the issue and various options addressing it at the June 25 City Council meeting. Council directed staff to draft an ordinance which would strike from the City Code the language regarding subsequent relocation of grandfathered pawnshops in Section C., as follows:

A. No license shall be issued for the operation of a pawnshop, as defined herein, when the pawnshop will be located within three hundred (300) feet of any church or school, or within one hundred fifty (150) feet of residentially zoned property.

B. No license shall be issued for the operation of a pawnshop, as defined herein, when the pawnshop will be located within five hundred (500) feet of another pawnshop.

C. Licensed pawnshop(s) in operation within the City limits of the City of Sikeston on or before December 1, 2010, shall be exempted from Section 620.080(A) and (B). Any
subsequent relocation or change in ownership of the pawnshop may do so only within the prescribed requirements of this Section.

This change will allow any grandfathered pawnshops to relocate without any restriction (including restrictions related to distance from residential areas, churches, and schools) other than that they would be restricted to zoning categories that allow pawnshops.
BILL Number 6108

ORDINANCE Number 6108

THIS BILL AS APPROVED SHALL BECOME ORDINANCE NUMBER 6108 AND SHALL AMEND SECTION 620.080 OF THE Sikeston Municipal Code regarding pawnbrokers within the City of Sikeston, Missouri.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF Sikeston, Missouri as follows:

SECTION I: This Ordinance shall be codified in the City Municipal Code.

SECTION II: Section 620.080 – Pawnbrokers, Limitations – shall be amended to add to read as follows:

A. No license shall be issued for the operation of a pawnshop, as defined herein, when the pawnshop will be located within three hundred (300) feet of any church or school, or within one hundred fifty (150) feet of residentially zoned property.

B. No license shall be issued for the operation of a pawnshop, as defined herein, when the pawnshop will be located within five hundred (500) feet of another pawnshop.

C. Licensed pawnshop(s) in operation within the City limits of the City of Sikeston on or before December 1, 2010, shall be exempted from Section 620.080(A) and (B).

SECTION III: General Repealer Section: Any ordinance or parts thereof inconsistent herewith are hereby repealed.

SECTION IV: Severability: Should any part or parts of this ordinance be found or held to be invalid by any court of competent jurisdiction, then the remaining part or parts shall be severable and shall continue in full force and effect.

Attachment(s):
1. Bill #6106

In reviewing the current ordinance for tall grass violation criteria, it indicates seven (7) inches in height as the violation while our online municipal code indicates ten (10) inches in height as the violation for overgrown vegetation and weeds.

To keep the code violations consistent, we would like to update the ordinance to indicate ten (10) inches as being the violation height for tall grass.

Subject: Authorization to Purchase Mowers from State Contract Vendor

Attachments:
  1. State Contract Quote

Action Options:
  1. Authorize Staff to proceed with purchase of mowers
  2. Other action the City Council deems appropriate.

Background:

The Department of Public Works would like to purchase two (2) John Deere Z930M mowers utilizing the State Contract vendor Greenway Equipment Company, Inc. The price of each mower is $9,303.91 which totals to $18,607.82. Due to numerous flat tire issues related to mowing the LCRA lots, we have selected this brand because it is the only manufacturer that offers a “no flats” tweel tire.

The current approved budget has $17,000.00 allotted utilizing LCRA funding for the purchase of the mowers. The budget difference of $1,607.82 will be covered by surplus from other line items in a future budget amendment.

Staff requests Council approval of the purchase of this equipment.
