Date of Meeting: 15-08-24

Originating Department: Public Works Department

To the Mayor and City Council:

Subject: Authorization to Advertise for Bids for Ditch Cleanout

Action Options:

1. Authorize Staff to Seek Bids for Ditch Cleanout
2. Other action Council may deem appropriate

Background:

As we have discussed on previous occasions, many of the drainage ditches in town are in dire need of being cleaned out. The budget includes \$50,000 for the purpose of cleaning of ditches. The Public Works staff had identified and prioritized the cleanout projects for this fiscal year.

This includes the following ditches in order of priority:

- 1) Lateral B (to St. John's) – Starting on the south side of East Malone and going to south to St. John's Ditch – Approximately 4,086 ft ( This will include a 189 ft section of Ditch from South Ingram to where it empties into Lateral B).
- 2) Second Street Ditch – Beginning at the Regional Center (North of Kennedy Dr.) and running south to Smith Street – Approximately 1,623 ft.
- 3) Salcedo Road Ditch – Starting just east of Main Street and going east until the ditch runs underground – Approximately 3,295 ft.
- 4) Both Complex Ditches – Starting at North Ingram (North of Campanella) going south to the Clinton Building; and secondly, from the Bootheel Golf Course property to North Ingram – Approximately 5,315 ft.
- 5) Tanglewood Ditch – Approximately 803 ft.
- 6) Sunset Ditch at John Dansler Field – Approximately 827 ft.
- 7) Butler Street Ditch – Starting at Vaughn Street and continuing east to outlet where project started last year – Approximately 1,633 ft.
- 8) Sunset Drive Ditch – Behind Houses – Approximately 978 ft.
- 9) Allen Boulevard Median Ditch – Between Salcedo Road and Wakefield Avenue – Approximately 1,858 ft.

We intend to seek bids for all 9 of these areas utilizing our budget of \$50,000. We have an estimate of \$53,254 for all 9 areas. We anticipate that the bids could come in over budget, therefore, we plan to use a base bid of items 1-8; and include item 9 as an alternate bid item. This would leave item 9 as an optional item. The inclusion of item 9 would depend on how the bids come in.

We will handle the bidding and specifications in house. We anticipate a construction time frame of 60-90 days.

## 2015 BOARDS AND COMMISSIONS APPOINTMENT SUMMARY

### APPOINTEES WITH TERMS EXPIRING IN 2015

**Appointment Policy:** With no board and commission term limits established in the Charter or City Code, Council policy has been to limit appointments to two full terms. This has been superseded, however, when qualified candidates are not available, or when the board or commission is undertaking a project where a change in membership could be detrimental to the project's outcome. In regard to the Library Board, State Statute establishes a limit of two consecutive terms which commence on July 1 of each year.

Date of Meeting: 15-08-24

Originating Department: Convention & Visitors Bureau

To the Mayor and City Council:

Subject: Authorization to Proceed with Wayfinding/Monument Sign Project

Attachment(s):

1. Proposed Signage Designs
2. Overview of Sign Locations

Action Options:

1. Authorize Staff to proceed with RFP process
2. Other Action Council May Deem Necessary

Background:

During the FY-16 budget process, Staff was asked to design and implement a program for the placement of wayfinding and monument signage throughout the community. Through the collaborative efforts of CVB and DPW staff with Historic Downtown Sikeston and Chamber of Commerce representatives, a preliminary master plan has been developed.

At this time staff is seeking Council authorization to go forward with the proposed design and to obtain professional assistance for formal design with engineering specifications. These specifications will then be presented to MoDOT for approval and right-of-way negotiations.
