PETTY CASH
Mr. Leible made a motion to accept the Petty Cash Report for July 2017. Mrs. Lawson seconded and the motion carried.

BILLS
Mrs. Brown made a motion to accept the bills for July 2017 as presented. Mrs. Boardman seconded and the motion carried.

CITY FINANCIAL STATEMENT
The city financial statement for June and July 2017 was not available, as the city had not closed out the 2017 fiscal year as of the date of the meeting.

COMMITTEES
FINANCE—no report

PERSONNEL—no report

OPERATIONS—Mr. Eifert reported that there is a need to replace the chair lift in the front entrance of the library. We have been using the west entrance by the ramp to admit patrons with physical limitations. While we are in compliance with the Americans with Disabilities Act, it is not a good view for patrons to see the broken chair lift as soon as they enter the building. Mrs. Chitwood moved that we begin the process of obtaining quotes for the replacement of the lift. Dr. Bohannon seconded the motion, which carried.
LIBRARIAN’S REPORT

- The library has received the $100,000 check from the Bob Depro estate. This was deposited in the library’s regular account with the city.
- The library received notice that the parcel of land across North Kingshighway from the library is being rezoned. Mr. Eifert reported that he planned to attend the hearing for the rezoning on August 8.
- Mr. Eifert has been named the head of the cataloging committee for the Missouri Evergreen consortium. He has been invited to present at the Missouri Library Association conference in October on cataloging with Missouri Evergreen.
- Board members were presented with quotes for health insurance renewal through Anthem (Blue Cross Blue Shield) or United Health Care. While renewal through United was less expensive, it could result in a great deal more out of pocket expenses for employees if they have a catastrophic illness. Greg Colwick with Mitchell Insurance recommended renewal with Anthem, with the belief that we will not see another large increase next year. Mrs. Harris voted to renew health insurance coverage with the current carrier, Anthem. Mrs. Lawson seconded the motion, which carried.
- Due to the Labor Day holiday, the next meeting of the library board will be rescheduled to Tuesday, September 5, at 4:30 p.m.

ADJOURNMENT

Mr. Leible made a motion to adjourn. Mrs. Harris seconded and the motion carried. The meeting adjourned at 5:00 pm.

To the Mayor and City Council:

Subject: Purchase 150 tons of DuraEdge Classic Infield Material for Infield Renovations

Action Options:

1. Approve the purchase of a combined 150 tons of DuraEdge Classic Infield Material for Field #4, Field #6, and Field #7.
2. Other action the City Council deems appropriate.

Background:

The Parks and Recreation Department is seeking approval to purchase a combined 150 tons of DuraEdge Classic Infield Material to be installed on the Field #4, Field #6, and Field #7 infields for $19,294.50 ($6,431.50 per field). This price includes the material and freight costs.

Originally, Bid #18-3 stated that the bidder would be responsible for the purchase and delivery of DuraEdge Classic and the material costs would need to be included in their bid. On Monday, September 11, 2017 the Parks and Recreation Department issued an addendum that stated the Parks and Recreation Department would purchase the material from the distributor directly.

Advanced Turf Solutions is the sole authorized distributor of DuraEdge material in Missouri. They are a turf company whose headquarters are located in Fishers, Indiana but have locations in Cape Girardeau, St. Peters, and Columbia, Missouri; they also have locations in Illinois, Kentucky, Ohio, Pennsylvania, West Virginia, and Tennessee.

Staff recommends purchasing 150 tons of DuraEdge Classic Infield Material from Advanced Turf Solutions at the price of $19,294.50 for installation on the Field #4, Field #6, and Field #7 infields.

To the Mayor and City Council:

Subject:  Award Bid 18-3 Infield Renovations at Recreation Complex

Attachments:
  1.  Bid Tabulation sheet for 18-3

Action Options:
  1.  Award Bid 18-3 to Tru Turf Solutions
  2.  Other action the City Council deems appropriate.

Background:

Staff opened bids from two vendors on Wednesday, September 20 for the renovation of three infields in the Recreation Complex.  This included the Musial Field (Field #4) on the Little League field, the U14 Girls’ Softball Field (Field #6), and the U8 Girls’ Softball Field (Field #7) as an add alternate bid.  The bid tabulation sheet is attached.  The low bid was from Tru Turf Solutions from Wentzville, Missouri for $3,200.00 for Field #4 and $6,100.00 for Field #6.  The add alternate bid for Field #7 was $6,100.00.  The combined total of all three fields is $15,400.00.

While only three fields were included in the budget, the lower than anticipated prices allow us to proceed with all three fields.

With material costs, the overall budget for all three fields is $34,654.50.  While we originally budgeted $30,000 for two fields, we were able to reduce some items within the capital improvement budget to allow this overall purchase.

Staff recommends awarding the bid to Tru Turf Solutions for $15,400.00 to renovate the infields for Field #4, Field #6, and Field #7.

CHAIRMAN: Dustin Care  RECORDER: Angie Keller  VERIFIER: Chris Hart
To the Mayor and City Council:

Subject: Membership to the National Joint Powers Alliance

Attachments:

1. A condensed List of Missouri Municipalities/School Districts that are currently members of the NJPA

Action Options:

1. Authorize the City of Sikeston to become a member of the NJPA
2. Other action Council may deem appropriate

Background:

The National Joint Powers Alliance (NJPA) is a public agency that was statutorily created to provide services, such as cooperative purchasing for government and education agencies. NJPA creates national cooperative contract purchasing solutions on behalf of its member agencies which include all government, education and non-profit agencies nationwide and in Canada.

There are currently 751 municipalities/school districts in the state of Missouri that are members of the NJPA including Concordia Lutheran Church, Sikeston BMU, Sikeston Public Schools, and the Sikeston Housing Authority. There is no cost to becoming a member and cooperative contract opportunities offer both time and money savings for their users by consolidating the efforts of numerous individually prepared solicitations to one national, cooperatively shared process.

Staff recommends the authorization to become a member of the NJPA.
