VII. ADJOURNMENT

Dated this 21st day of October 2020

Rhonda Council
Rhonda Council, City Clerk

The City of Sikeston complies with ADA guidelines. Notify Rhonda Council at 471-2512 (TDD Available) to notify the City of any reasonable accommodation needed to participate in the City Council’s Meeting.
To the Mayor and City Council:

Subject: Award of 2021 Domestic Violence Surcharge Shelter Funding

Attachments: House of Refuge Proposed Funding Source

Action Options:
1. Authorize calendar year 2021 funding in an amount not to exceed $8,000 to the House of Refuge Domestic Violence Shelter;
2. Other actions as Council may deem appropriate.

Background:
In 2002, the State established a funding source for domestic violence abuse shelters. A $4.00 Domestic Violence Shelter Surcharge was placed on all municipal court convictions. These funds are retained by the City and distributed via an application process to domestic violence shelters serving the municipality.

On October 14, 2020 the House of Refuge for Abused and Battered Women submitted an application for funding in the amount of $8,000. This amount would be distributed on a monthly basis during calendar year 2021. Their application meets all municipal requirements, and if Sikeston’s municipal court caseload remains at current levels, at least $5,000 in domestic violence shelter surcharge fees should be generated.

Staff is seeking Council award of calendar year 2021 funding, in an amount not to exceed $8,000, to the House of Refuge for Abused and Battered Women.

To the Mayor and City Council:

Subject: Lease of Mail Processing System

Action Options:
1. 5-year lease for mailing system, meter and all maintenance to Pitney Bowes for $291.28 per month.
2. Other action as deemed appropriate

Background:
The City is currently leasing from Pitney-Bowes a Connect+ 1000 Series mailing system at $250.07 per month. Acquired in 2015 with a 5-year term, this equipment will be out of contract December 30, 2020. Because of the age of the equipment, we will be required to upgrade to a newer postage machine with the latest technology. This system serves all departments of the City and processes approximately 28,000 pieces of outgoing mail annually.

Pitney Bowes has sent a proposal for their SendPro P1000, which is an updated version of our current machine, for $291.28 per month over a 5-year term ($17,476.80). This includes all equipment, maintenance and software support. Even though our contract expires in December, we can still obtain the new equipment any time prior to that and just finish paying off the remaining balance on the old machine while utilizing the new one.

Pitney Bowes only competitor is Quadient (formally Neopost) and their reviews have not been favorable compared to Pitney Bowes.

The City has used Pitney-Bowes for over 20 years and we’re very familiar with their products and services. Based on this information, staff would like to continue doing business with Pitney-Bowes by leasing their SendPro P1000 postage machine for a 5-year term at $291.28 a month. The new contract will go into effect once our old contract expires on December 30th.

Footnote: Pitney Bowes offers an add-on to this machine called Send Suite Tracking. This feature allows a person to scan incoming packages and obtain a signature as well as track outgoing packages to ensure they have been delivered. This information can be viewed via an app on your computer. This may be something to consider for a future additional purchase to take the place of our paper log we currently use to confirm incoming deliveries.
To the Mayor and City Council:

Subject: 1st Reading, Bill # 6209, Authorization to Rezone from AG to R-1

Attachment(s):
1. Bill # 6209
2. Plat

Action Options:
1. 1st Reading and Briefing only. Council action will be requested on November 2, 2020.
2. Other action Council may deem appropriate

Background:

Originating Department: Public Works Department

To the Mayor and City Council:

Subject: Approve Engineering Services Consultant for Design & Inspection of Infrastructure Improvements for South Industrial Park

Action Options:

1. Approve Engineering Services Consultant
2. Other Action Council May Deem Necessary

Background:

Staff published a Request for Qualifications for engineering services for the possible design and inspection of infrastructure improvements for the South Industrial Park. With the assistance of Bootheel Regional Planning, four sets of qualifications were reviewed and scored by the professional Consulting Committee on Wednesday (10/7/20). Qualifications from Smith & Co. Engineers; Waters Engineering, Inc.; KLG Engineering, LLC; and Civil Engineering Associates, LLC were evaluated.

Waters Engineering was scored highest by the committee, and staff is seeking council approval to move forward with the selection of Waters Engineering of Sikeston for services on this project.
