These funds are retained by the City and distributed via an application process to domestic violence shelters serving the municipality.

On September 28, 2021 the House of Refuge for Abused and Battered Women submitted an application for funding in the amount of \$5,000. This amount would be distributed on a monthly basis during calendar year 2022. Their application meets all municipal requirements, and if Sikeston's municipal court caseload remains at current levels, at least \$5,000 in domestic violence shelter surcharge fees should be generated.

Award Bid 22-12, John Dancler Field Fence Replacement

Parks and Recreation Department has bid out the removal of existing fencing and the installation of all new fencing. Because it was decided to have the area surveyed for a professional layout, this resulted in a need to shift the field and have more posts and fencing and also with the increase of cost for material, the bid price came in higher than expected. Once bid was received from Bootheel Fence Company in Jackson, MO for \$70,500. Because prices of material are expected to rise over the next few months, staff feels it is best to continue forward this project with the quoted price.

Nine (9) planholders obtained

The low bidder for this project was G & C Contracting, Inc. of Perryville, MO in the amount of \$3,350,992.50, which is over the estimated \$2,939,000 that was budgeted. To reduce the project to better match the project funding, it was recommended that certain projects be removed to reduce the amount to \$3,181,898.50. In August 2013, the State of Missouri established the Sheriffs' Retirement Fund Surcharge.
