#### **INDEPENDENT AUDITOR'S REPORT**

Honorable Mayor, Members of the City Council, and City Manager City of Sikeston Sikeston, Missouri

#### Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities, the blended component unit, each major fund, and the aggregate remaining fund information of the City of Sikeston, Missouri, as of and for the year ended June 30, 2018, and the related notes to the financial statements, which collectively comprise the City of Sikeston, Missouri's basic financial statements as listed in the table of contents.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting

estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

#### **Opinions**

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the blended component unit, each major fund, and the aggregate remaining fund information of the City of Sikeston, Missouri, as of June 30, 2018, and the respective changes in financial position, and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America and the respective budgetary comparison for the General Fund and the Special Revenue Funds.

#### Other Matters

#### Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis, and pension required supplementary information on pages 5 through 15 and 116 through 117 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

#### Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the City of Sikeston's basic financial statements. The introductory section, combining and individual nonmajor fund financial statements are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The combining and individual nonmajor fund financial statements are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in with auditing standards generally accepted in the United States of America. In our opinion, the combining and individual nonmajor fund financial statements are fairly stated in all material respects in relation to the basic financial statements as a whole.

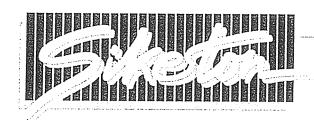

The introductory section has not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we do not express an opinion or provide any assurance on it.

#### Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated January 5, 2019, on our consideration of the City of Sikeston's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the City of Sikeston's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering City of Sikeston's internal control over financial reporting and compliance.

Cooner, Miles & Modde, LL C ESSNER, MILES and MODDE, L.L.C.

Sikeston, Missouri

#### MANAGEMENT'S DISCUSSION AND ANALYSIS

The City of Sikeston has adopted the new reporting model as required by the Governmental Accounting Standards Board. The government-wide financial statements include statements of net assets and activities broken down by governmental activities. These statements present all assets, liabilities, revenues, expenses and net position on the accrual basis.

However, the general fund and special revenue fund financial statements, primarily for budgeting purposes, present only current assets, liabilities, revenues, "expenditures", other financing sources, and fund balance on the modified accrual basis. The fund balance is reconciled to net position as shown on the government wide statements under the governmental activities column.

#### FINANCIAL HIGHLIGHTS

- Net position increased by \$1.68 million or 5.3% during the year.
- Capital Assets were acquired at a cost of \$4.1 million during the year.
- Long term debt was decreased \$482 thousand.

Johathan M. Douglass City Manager

January 5, 2019

#### CITY OF SIKESTON SIKESTON, MISSOURI MANAGEMENT'S DISCUSSION AND ANALYSIS

As financial management of the City of Sikeston's government, we offer readers of this financial statement an overview and analysis of the financial activities of the City of Sikeston. This narrative is designed to assist the reader in focusing on significant financial issues, identify changes in the government's financial position, identify any material deviations from the approved budget documents, and identify individual fund issues or concerns.

The Management's Discussion and Analysis (MD&A) is designed to focus on the current year's activities, resulting changes and currently known facts. It should be read in conjunction with the Letter of Transmittal and the financial statements that begin with Exhibit 1.

#### FINANCIAL HIGHLIGHTS

- Assets and deferred outflows of resources of the City of Sikeston exceeded its liabilities and deferred inflows of resources at the close of the most recent fiscal year by \$33.2 million (net assets). Of this amount, \$3.7 million (unrestricted net assets) may be used to meet the government's ongoing obligation to citizens and creditors.
- As of the close of the current fiscal year, the City of Sikeston reported combined ending fund balances of \$7.76 million, a decrease of \$1.3 million in comparison with the prior year. Approximately 39.46% of this total amount, \$3.06 million, is available for spending at the City of Sikeston's discretion (unassigned fund balance).
- At June 30, 2018, unassigned fund balance for the general fund was \$3.01 million, or 30.6% of total 2018 general fund expenditures. Unassigned fund balance for the general fund was 38.98% of total general fund revenues for the fiscal year ended June 30, 2018.

#### OVERVIEW OF THE FINANCIAL STATEMENTS

Management's Discussion and Analysis introduces the City's basic financial statements. The basic financial statements include: (1) government-wide financial statements, (2) fund financial statements, and (3) notes to the financial statements. The City also includes in this report additional information to supplement the basic financial statements.

#### Government-Wide Financial Statements

The government-wide financial statements (see Exhibit 1 and 2) are designed to be similar to private-sector business in that all governmental activities are consolidated into columns which add to a total for the primary government. These statements combine governmental fund's current financial resources with capital assets and long-term obligations.

The Statement of Net Position (Exhibit 1) presents information on all the government's assets, and liabilities and deferred inflows of resources and deferred outflows of resources, with the difference reported as net position. Over time, changes in net position may serve as a useful indicator of whether the financial position of the City of Sikeston is improving or deteriorating.

The Statement of Activities (Exhibit 2) presents information showing how the government's net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of the related cash flows. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods. For example, uncollected taxes and earned but unused vacation leave result in cash flows for future periods. The focus of the Statement of Activities is on both the gross and net cost of various activities which are provided by the government's general tax and other revenues. This is intended to summarize information and simplify the user's analysis of the cost of various governmental services.

The governmental activities reflect the City of Sikeston's basic services including public safety (fire, law enforcement, communications), general administrative services, (executive, legislative, judicial), public works (street and road maintenance), library services, park services and airport services. These services are financed primarily with taxes.

#### **Fund Financial Statements**

A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. Traditional users of governmental financial statements will find the fund financial statements presentation more familiar. The focus is now on major funds, rather than generic fund types.

Governmental Funds are used to account for essentially the same functions reported as governmental activities in the government-wide financial statements. The Governmental Major Funds (See Exhibits 3 and 5) presentation is presented on a sources and uses of liquid resources basis. This is the manner in which the financial plan is typically developed excluding certain timing differences between the budget basis and the

generally accepted accounting principle (GAAP) basis. Unlike the government-wide financial statements, governmental fund financial statements focus on near-term outflows of spendable resources, as well as on balances of spendable resources available at the end of the fiscal year. Such information may be useful in evaluating a government's current financing requirements. The City of Sikeston has presented the general fund, sales tax trust fund, transportation sales tax fund, Essex fund, airport fund, and capital improvement sales tax fund as major funds. All nonmajor governmental funds are presented in one column, titled Nonmajor Governmental Funds. Combining financial statements of the nonmajor funds can be found in the Combining and Individual Fund Statements and Schedules that follow the basic financial statements.

Internal Services Funds report activities that provide supplies and services for the City's other programs and activities. The city uses an internal service fund to account for employee health insurance. Because these services benefit governmental rather than business-type functions, they have been included within governmental activities in the government-wide financial statements.

#### **Infrastructure Assets**

General capital assets including land, improvements to land, easements, buildings, equipment, infrastructure, and all other tangible assets that are used in operations and that have initial lives greater than one year and exceed the government's capitalization threshold have been capitalized (see Note 1.E.3.). The City of Sikeston has capitalized all purchased general capital assets. Infrastructure assets have not been capitalized in this financial presentation for years prior to July 1, 2003. Donated governmental activities infrastructure accepted into the City of Sikeston maintenance during fiscal year 2004 and after have been capitalized.

#### Notes to the Financial Statements

The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements. The notes to the financial statements are a required part of the basic financial statements and can be found in this report.

#### Other Information

In addition to the basic financial statements and accompanying notes, this report also presents certain required supplementary information. The combining statements referred to earlier in connection with the nonmajor governmental funds are included in Schedule B-1 through Schedule B-2 of the report.

#### Government-Wide Financial Analysis

The following table reflects the condensed Statement of Net Position for 2018 and 2017:

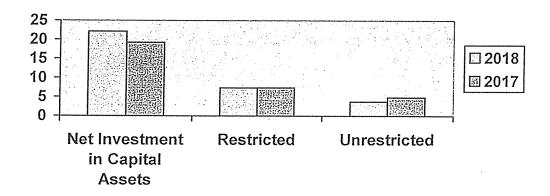

# CITY OF SIKESTON STATEMENT OF NET POSITION June 30, 2018 and 2017 (in millions)

		<u>2018</u>		<u>2017</u>
Assets:				
Current and Other Assets	\$	10.18	\$	11.24
Non-Current Assets	_	30.56		27.48

Total Net Position	\$	33.24	\$	31.51

For more detailed information see Exhibit 1, the Statement of Net Position.

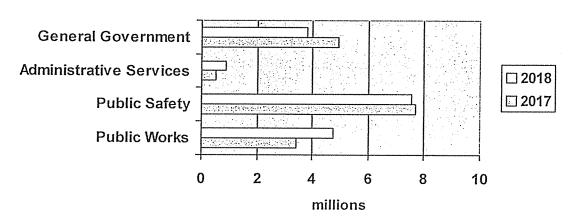

#### 2018 and 2017

#### **Net Position**

Approximately 66.52% and 61.07% of the City's net position as of June 30, 2018 and 2017, respectively, reflects the government's investment in capital assets (land, buildings, equipment and infrastructure) less any related outstanding debt used to acquire those assets, which are still outstanding. The City uses these capital assets to provide services to citizens; consequently, these assets are not available for future spending. Another 22.31% for 2018 and 23.49% for 2017 of the City's net assets are subject to external restrictions on how they may be used such as sales tax approved by the electorate for specific purposes. The remaining 11.17% for 2018 and 15.44% for 2017 of net position, referred to as unrestricted, may be used to meet the ongoing obligations of the government to citizens and creditors.

#### Governmental Functional Expenses

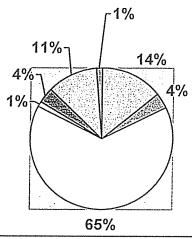

The table below provides a summary of the changes in net position for the year ended June 30, 2018 and 2017:

# CITY OF SIKESTON CONDENSED STATEMENT OF CHANGES IN NET POSITION For the Year Ended June 30, 2018 and 2017 (in millions)

	<u>2018</u>		<u>2017</u>
Revenues:			
Program Revenue:			
Charges for Services Operating Grants and Contributions	\$ 2.64 .71	\$	2.32

#### Financial Analysis of the Government's Funds

As noted earlier, the City uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements.

Governmental Funds: The focus of the City's governmental funds is to provide information on near-term inflows, outflows, and balances of spendable resources. Such information is useful in assessing the City's financing requirements. In particular, unreserved fund balance may serve as a useful measure of a government's net resources available for spending at the end of the fiscal year.

As of the end of the current fiscal year, the primary government's governmental funds reported combined ending fund balances of \$7.76 million, a decrease of \$1.3 million in comparison with the prior year. Approximately 39.46% of this total amount (\$3.06 million) constitutes unassigned fund balance, which is available for spending at the government's discretion. The remainder of fund balance is nonspendable, restricted, committed, or assigned to indicate that it is not available for new spending because it has already been committed and/or is a restricted revenue required to be used for a specific purpose.

The general fund is the chief operating fund of the City of Sikeston. At the end of the current fiscal year, unassigned fund balance of the general fund was \$3.01 million, while total fund balance reached \$3.16 million. Compared with total fund balance of \$4.08 million at the end of 2017, fund balance decreased approximately \$925 thousand during 2018.

#### General Fund Budgetary Highlights

The original adopted appropriations for the general fund budget for fiscal year 2018 was approximately \$9.8 million. There were budget amendments that increased the appropriations budgeted to \$10.24 million. This was an increase of approximately \$311 thousand over the previous year's budget.

Material differences between the actual results and budgeted amounts in the general fund are as follows:

- Total revenues exceeded budget by approximately \$172 thousand. The sanitation fees collected exceeded budget by approximately \$202 thousand. Telephone franchise tax fees collected were under the budget by approximately \$60 thousand.
- Total expenditures were under appropriations by approximately \$397 thousand, mainly due to general government being under budget by approximately \$124 thousand and administrative services under budget by approximately \$104 thousand.

#### Capital Asset and Debt Administration

Capital Assets: The City's investment in capital assets for its governmental activities as of June 30, 2018, amounts to \$27.03 million (net of accumulated depreciation). This investment in capital assets includes land, buildings, infrastructure, and equipment. The total increase in the City's investment in capital assets for the current fiscal year was \$2.6 million (net of accumulated depreciation).

Major capital asset events during the current fiscal year included the following:

- Purchase land for economic development for \$1.32 million
- Improvements to sports fields in the Complex totaling \$331 thousand
- Trade of 16.17 acres of land in industrial park for land and building at 1010 County Line Road

CITY OF SIKESTON
Capital Assets
(Net of Depreciation)
June 30, 2018 and 2017
(in millions)

	<u> 2018</u>		<u>2017</u>
Land	\$ 6.55	\$	4.98
Buildings	13.31		11.69
Equipment	2.03		2.45
Infrastructure	 5.14		5.30
Total Assets	\$ 27.03	\$_	24.42

Additional information on the City's capital assets can be found in Note 7.

Long-Term Debt: On September 1, 2004, the City entered into an agreement with Sikeston Acquisitions, Inc. for the redevelopment of the North Main Street and Malone Avenue Redevelopment Area. On January 7, 2005, \$925,000 of tax increment financing notes were issued to Sikeston Acquisitions, Inc. On November 8, 2005, an additional \$689,000 of tax increment financing notes were issued. These notes were all reissued on May 11, 2006. As of June 30, 2018, there are \$325 thousand in tax increment financing notes outstanding. All notes are secured solely by specified revenue sources from certain payments in lieu of taxes and economic activity taxes generated in the redevelopment

area. The obligations of the City with respect to this note terminate on August 31, 2027, whether or not the principal amount or interest has been paid in full.

The City uses capital leases for large capital acquisitions. As of June 30, 2018, the City had the following capital leases; on November 14, 2014, the City entered into a lease-purchase agreement with US Bancorp for the acquisition of 3 dump trucks. The remaining principal balance as of June 30, 2018 was \$331,597.05. On August 25, 2015, the City entered into a lease-purchase agreement with Regions Equipment Finance Corporation to finance the acquisition of a pumper and ladder truck. The remaining principal balance on the contract as of June 30, 2018 was \$814,092.07. On October 19, 2016, the City entered into a lease-purchase agreement with US Bancorp for the acquisition of an Elgin Street Sweeper. The remaining principal balance as of June 30, 2018 was \$150,631.51.

The City and the Board of Regents of Southeast Missouri State University have entered into an agreement to construct and equip an addition to the Sikeston Area Higher Education Center. On October 27, 2005, the City executed a tax anticipation note of \$1,500,000.00 to First Security State Bank to finance its portion of the project. This note was refinanced on May 11, 2010. The remaining balance as of June 30, 2018 was \$109,632.32.

On June 13, 2012, Sikeston Economic Development Corporation, a blended component unit of the City of Sikeston, entered into an agreement to construct a building to be used by the Sikeston Department of Public Safety. As part of the financing, the Corporation received a loan from the United States Department of Agriculture. The loan is for \$4,186,200.00. On March 27, 2013, an additional loan for \$277,000.00 was received from the United States Department of Agriculture. The balance of these loans at June 30, 2018 was \$3,477,782.28.

During the year ended June 30, 2018, the City decreased its long-term debt \$481,590.70. Tax increment financing notes of \$169,465.01 were paid. Lease-purchase debts of \$170,697.78 were paid. Tax anticipation debt of \$55,276.77 for the Sikeston Area Higher Education Center was paid in the fiscal year just completed. Principal payments of \$111,487.16 were paid on the notes due to the Department of Agriculture in the year ended June 30, 2018. The liability for compensated absences was increased \$25,336.02.

#### Economic Factors and Next Year's Budget and Rates

The FY19 budget maintains healthy reserves and allocates the new capital improvement sales tax in accordance with the City Council's pledge to voters. More substantial capital improvements are achieved under this budget than the City has been able to fund in many years.

The dominant long-term assumption for budgeting purposes has been flat revenues. Property tax and sales tax revenues have been relatively flat from 2004 through 2014.

Fiscal years 2015 and 2016 saw sustained increases in sales tax revenues, and future years will reflect the new ½ cent Capital Improvement Sales Tax which went into effect in FY17. In FY-18, sales tax revenues were flat. After the property tax reduction associated with the passage of the one cent sales tax measure in 2004, property tax revenues have grown at a steady but slow rate. For FY19, we have budgeted a cautiously optimistic 1% increase in sales tax revenues.

The budget includes a 2% wage increase for all employees. This will fulfill the city Council's pledge during the Capital Improvement Sales Tax Campaign to provide a 2% increase in sworn DPS positions in FY19, and provides the same increase to all employees, thereby getting everyone back on the same wage adjustment schedule.

The FY18 budget includes capital improvement expenditures of \$2,068,530.

With this budget the City has made strides toward responsibly addressing significant deferred maintenance and other needs, primarily due to the funds provided by the new ½ cent Capital Improvement Sales Tax. However, there are still many other needs that are not funded at this time because the funds are not available.

The City has lived within its means despite flat revenues for a number of years, and there are many unmet needs and improvements we would still like to address. Nevertheless, the FY18 budget enhances the City's ability to serve its citizens, addresses many capital needs, and will benefit the quality of life and economic vitality of the community.

#### Contacting the City's Financial Management

The financial report is designed to provide a general overview of the City's finances, comply with finance-related laws and regulations, and demonstrate the City's commitment to public accountability. If you have questions about this report or would like to request additional information, contact the City Clerk at 105 E. Center, Sikeston, Missouri 63801.

## RECONCILIATION OF THE STATEMENT OF REVENUES, EXPENDITURES, AND CHANGES IN FUND BALANCES OF GOVERNMENTAL FUNDS TO THE STATEMENT OF ACTIVITIES For the Year Ended June 30, 2018

**EXHIBIT 6** 

				EYHIBI 1 6
Net Change in Fund Balances - total governmental funds			\$	(1,303,599.70)
Amounts reported for governmental activities in the Statement of Activities are different because:	•			
The change in deferred revenues in the Statement of Activities do not provide current financial resources and are not reported as revenues in the governmental funds.				17,912.04
The change in deferred inflows of resources Withers rent does not provide current financial resources and is not reported as revenues in the governmental funds.				2,700.00
Governmental funds report capital outlays as expenditures. However, in the Statement of Activities, the cost of those assets is depreciated over their estimated useful lives:				
Expenditures for capital assets Less: Current year depreciation	\$	4,138,749.19 1,536,089.11		2,602,660.08
Note proceeds provide current financial resources to governmental funds, but issuing debt increases long-term liabilities in the Statement of Net Position. Repayment of bond principal and tax increment financing principal is an expenditure in the governmental funds, but the repayment reduces long-term liabilities in the Statement of Net Position.				
Principal payments on bonds, notes and capital leases				506,926.72
Interest Expense reported in the Statement of Activities does not require the use of current financial resources and is therefore not reported as expenditures in governmental funds.				(24,226.79)
The change in compensated absences in the Statement of Activities does not require the use of current financial resources and is therefore not reported as expenditures in governmental funds.				(25,336.02)
In the statement of activities, the pension expense recognized is equal to the change in the net pension liability adjusted for deferred recognition of the certain changes in the liability and investment experience.				
Pension expensitures paid Less: Current year Pension Expense	\$	380,277.00 652,654.00		(272,377.00)
Internal service funds are used by management to charge the costs of certain activities, such as health insurance, to individual funds. The net revenue (expense) of the internal service funds is reported with governmental activities.				228,903.77
Change in Net Position of Governmental Activities		;	<u> </u>	1,733,563.10

### (1) Summary of Significant Accounting Policies

The City of Sikeston (the City) operates under a Council-Manager form of government and provides the following services as authorized by its charter: public safety (police and fire), streets, sanitation, health and social services, culture-recreation, education, public improvements, planning and zoning, and general administrative services.

In evaluating how to define the City, for financial reporting purposes, management has considered all potential component units. Generally, component units are legally separate organizations for which the elected officials of the City are financially accountable.

The statement of net position, statement of activities, the combined financial statements, the combining and individual fund financial statements include the Sikeston Economic Development Corporation as a blended component unit. The Sikeston Economic Development Corporation is so closely related to the City of Sikeston that it is, in effect, the same as the City.

The Sikeston Economic Development Corporation financed a building to be used by the Sikeston Department of Public Safety. This is the sole activity of the Corporation. The City of Sikeston has considerable representation on the governing board of the Corporation with the Corporation's board consisting of the current Mayor, Vice-Mayor, City Manager, City Clerk and the CEO of the Sikeston Regional Chamber & Area Economic Development Corp.

The statement of net position, statement of activities, the combined financial statements, the combining and individual fund financial statements do not include financial statements of the Board of Municipal Utilities of the City of Sikeston, the Land Clearance Redevelopment Authority, the Sikeston Housing Authority and the Industrial Development Authority.

The Board of Municipal Utilities is a City owned and operated enterprise engaged in the generation, distribution and sale of electric energy to retail and wholesale customers, treatment, distribution and sale of water and operation of a sanitary sewer system within the corporate limits of the City. The Mayor appoints the four commissioners of the Board to four year terms with confirmation by council. After appointment, the Board shall have exclusive jurisdiction, control and management of the department and all its operations and facilities. As such, the Board is not considered a component unit for financial statement purposes. The total assets and deferred outflows of resources as of May 31, 2018 was \$163,233,220 and the change in net position for the year ended May 31, 2018 was \$6,478,883 as audited by other accountants. A copy of the Board's audited financial statements can be obtained from their central office, located at 107 East Malone Avenue, Sikeston, Missouri 63801.

The Land Clearance Redevelopment Authority is a public corporate body formed under Missouri Revised Statute 99.300 as approved by the City in November of 2002 under Ordinance Number 5388, as authorized by the voters of the City in the general election on April 3, 2001. The Land Clearance Redevelopment Authority is organized to redevelop areas within the City considered unsanitary, blighted, deteriorated, and deteriorating areas which constitute a serious and growing menace, injurious to the public health, safety, morals and welfare of the residents of the City.

### (1) Summary of Significant Accounting Policies - Continued

The Mayor shall appoint a five member board of commissioners. After appointment, the Authority shall have exclusive jurisdiction, control and management of the authority and all its operations and facilities control and management of the authority and all its operations and facilities. As such, the Authority is not considered a component unit for financial statement purposes. The Authority has adopted a fiscal year of June 30. The financial information can be obtained from the secretary, located at 111 S. New Madrid, Sikeston, Missouri 63801.

The Sikeston Housing Authority is established to provide low-rent housing, under the low rent program Annual Contributions Contract, for qualified individuals in accordance with the rule and regulations prescribed by the Department of Housing and Urban Development and other Federal agencies. The Mayor shall appoint a five member board of commissioners. After appointment, the Housing Authority shall have exclusive jurisdiction, control and management of the authority and all its operations and facilities. As such, the Authority is not considered a component unit for financial statement purposes. The Authority has adopted a fiscal year of December 31. A copy of the Board's audited financial statements can be obtained from their central office, located at 400 Allen Blvd., Sikeston, Missouri 63801.

The Industrial Development Authority is a public corporate body formed under Missouri Revised Statute 100.320 as approved by the City. The Industrial Development Authority is organized to develop blighted, unsanitary or undeveloped industrial areas in the interest of the public health, safety, morals or welfare of the residents of the city. The Mayor shall appoint a five member board of commissioners. After appointment, the Authority shall have exclusive jurisdiction, control and management of the authority and all its operations and facilities. As such, the Authority is not considered a component unit for financial statement purposes. The financial statements can be obtained from 113 W. North, Sikeston, Missouri 63801.

The City has adopted the new reporting model as required by the Governmental Accounting Standards Board. The accounting policies of the City conform to generally accepted accounting principles as applicable to local governments and following is a summary of the more significant policies:

#### A. Government-Wide and Fund Financial Statements

The government-wide financial statements include the statement of net position and the statement of activities. These statements report financial information for the City as a whole.

The statement of activities reports the expenses of a given function offset by program revenues directly connected with the functional program. A function is an assembly of similar activities and may include portions of a fund or summarize more than one fund to capture the expenses and program revenues associated with a distinct functional activity. Program revenues include: (1) charges for services which report fees, fines and forfeitures, and other charges to users of the City's services; (2) operating grants and contributions which finance annual operating activities.

### (1) Summary of Significant Accounting Policies - Continued

### A. Government-Wide and Fund Financial Statements - Continued

Taxes and other revenue not properly included with program revenues are reported as general revenues.

Fund financial statements are provided for governmental funds and internal services funds. Major individual governmental funds are reported in separate columns with composite columns for nonmajor funds.

### B. Measurement Focus, Basis of Accounting, and Financial Statement Presentation

The financial statements of the City have been prepared in conformity with generally accepted accounting principles (GAAP), as applied to government units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles.

The government-wide statements report using the economic resources measurement focus and the accrual basis of accounting generally including the reclassification or elimination of internal activity (between or within funds). Reimbursements are reported as reductions to expenses. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Property tax revenues are recognized in the year for which they are levied while grants are recognized when grantor eligibility requirements are met.

Governmental fund financial statements report using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized when they are both measurable and available. Available means collectible within the current period or soon enough thereafter to pay current liabilities. The City considers revenues to be available if they are collected within 60 days of the end of the fiscal year. Expenditures are recorded when the related fund liability is incurred.

Major revenue sources susceptible to accrual include sales taxes, property taxes, franchise taxes, and investment income. In general, other revenues are recognized when cash is received.

Internal service funds report using the economic resources measurement focus and the accrual basis of accounting. The activities of these funds are included in the government-wide statements.

### C. Fund Balance Reporting

The Governmental Accounting Standards Board (GASB) has issued Statement No. 54, Fund Balance Reporting and Governmental Fund Type Definitions (GASB 54). This Statement

### (1) Summary of Significant Accounting Policies - Continued

### C. Fund Balance Reporting - Continued

defines the different types of fund balances that a governmental entity must use for financial reporting purposes.

GASB 54 requires the fund balance amounts to be properly reported within one of the fund balance categories listed below:

- 1) Nonspendable fund balance amounts associated with inventories, prepaid amounts, long-term loans and notes receivables, and properties held for resale
- 2) Restricted fund balance amounts that can be spent only for the specific purposes stipulated by constitution, external resource providers, or through enabling legislation
- 3) Committed fund balance amounts that can be used only for the specific purposes determined by formal action of the City's Council (the City's highest level of decision making authority)
- 4) Assigned fund balance amounts intended to be used by the government for specific purposes but do not meet the criteria to be classified as restricted or committed
- 5) Unassigned fund balance the residual classification for the government's general fund and includes all spendable amounts not contained in the other classifications. In other funds, this is used only to report a deficit balance resulting from overspending for specific purposes for which amounts had been restricted, committed, or assigned

Committed fund balance is established (and modified or rescinded) by the passing of an ordinance or a resolution by the City's Council.

Assigned fund balance is established by policy of the City Council or the City Manager.

When both restricted and unrestricted resources are available for use, it is the City's policy to use restricted resources first, then unrestricted as needed. See Note 3 for further information. The City's policy is to apply expenditures against restricted fund balance, committed fund balance, assigned fund balance, and unassigned fund balance in that order.

In July 2001, the City established a minimum fund balance policy with the passage of Resolution 01-07-01. The policy states that a minimum ending fund balance for restricted funds shall be not less than 15% of the annual estimated revenues. The restricted funds are deemed to be the Transportation Sales Tax Fund, the Capital Improvement Sales Tax Fund, and the Tourism Tax Trust Fund.

The policy states that a minimum ending fund balance for unrestricted funds shall not be less than 25% of the annual estimated revenues. The unrestricted funds are deemed to be the General Fund, the Sales Tax Trust Fund, the Park Fund, the Municipal Court Fund, and the E-911 Fund.

Special purpose funds are not subject to the minimum ending fund balance guidelines. The special purpose funds are deemed to be the SAHEC Sales Tax Fund, the Economic Development

### (1) Summary of Significant Accounting Policies - Continued

#### C. Fund Balance Reporting - Continued

Fund, the Library Fund, the Airport Fund, the 60/61 T.I.F. District Fund, the HWY 60 West T.I.F. District Fund, and the Main/Malone T.I.F. District Fund.

The Following funds did not maintain the required minimum fund balance:

<u>Fund</u>		Required Minimum Fund Balance	Actual Fund <u>Balance</u>	Shortage		
Park Fund	\$	113,503.75	\$	73,578.63	\$	39,925.12
Municipal Court Fund		55,997.75		(809.97)		56,807.72

The Municipal Court Fund has deficit fund balance of \$809.97 at June 30, 2018.

### D. Fund Types and Major Funds

The City reports the following major governmental funds:

General Fund - reports as the primary fund of the City. This fund is used to account for all financial resources not reported in other funds.

Sales Tax Trust Fund - established by City ordinance to account for the general sales tax.

**Transportation Sales Tax Fund** - established by City ordinance to account for the quarter cent sales tax designated for transportation purposes as defined in Sections 94.700 to 94.755 of the Missouri Revised Statutes.

Essex Property Fund - established by the City to account for the activities of a commercial building that was donated to the City. The City uses the fund for economic development.

Airport Fund - established by the City to account for the activities of the City owned airport.

Capital Improvement Sales Tax Fund - established to account for Capital Improvements Sales Tax. The sales tax has expired but the account is continued to account for capital improvements.

### E. Assets, Liabilities and Net Position

### 1. Cash and Investments

The City reporting entity considers highly liquid investments (including restricted assets) with an original maturity of three months or less when purchased to be cash equivalents.

### (1) Summary of Significant Accounting Policies - Continued

#### E. Assets, Liabilities and Net Position - Continued

Legal restrictions and the City's policies governing deposits and investments are discussed in Note 5.

Investments are reported at fair value which is determined using selected bases. Short-term investments are reported at cost, which approximates fair value. See Note 6 for further information.

### 2. Inventories and Prepaids

Inventories in governmental funds consist of expendable supplies held for consumption stated on a first-in, first-out basis. They are reported in inventory at cost and they are recorded as an expenditure at the time the individual inventory items are used.

Prepaids record payments to vendors that benefit future reporting periods and are also reported on the consumption basis. Both inventories and prepaids are similarly reported in government-wide and fund financial statements.

### 3. Capital Assets, Depreciation, and Amortization

The City's property and equipment with useful lives of more than one year are stated at historical cost and comprehensively reported in the government-wide financial statements. Donated assets are stated at fair value on the date donated. The City generally capitalizes assets with a cost of \$5,000 or more as purchase and construction outlays occur. The costs of normal maintenance and repairs that do not add to the asset value or materially extend useful lives are not capitalized. Capital assets are depreciated using the straight-line method. When capital assets are disposed of, the cost and applicable accumulated depreciation are removed from the respective accounts, and the resulting gain or loss is recorded in operations. Infrastructure assets acquired prior to July 1, 2003 have not been capitalized in this financial presentation.

Estimated useful lives, in years, for depreciable assets are as follows:

Buildings	5-40
Improvements, other than buildings	5-50
Equipment and Machinery	5-7
Infrastructure	5-50

All fixed assets are valued at historical cost or estimated historical cost if actual historical cost is not available. Donated fixed assets are valued at their estimated fair value on the date donated.

### (1) Summary of Significant Accounting Policies - Continued

### F. Encumbrances

Encumbrance accounting, under which purchase orders, contracts, and other commitments for the expenditure of monies are recorded in order to reserve that portion of the applicable appropriation, is employed as an extension of formal budgetary integration in the General Fund and Special Revenue Funds. Encumbrances outstanding at year end are reported as reservations of fund balances since they do not constitute expenditures or liabilities in fund accounting financial statements. Encumbrances are not reserved on the government-wide financial statements.

### G. Budgets and Budgetary Accounting

The City follows these procedures in establishing the budgetary data reflected in the financial statements:

- 1. Prior to June 30, the City Manager submits to the City Council, a proposed operating budget for the fiscal year commencing the following July 1. The operating budget includes proposed expenditures and the means of financing them.
- 2. Prior to July 1, the budget is legally enacted through passage of an ordinance.
- 3. The City Manager is authorized to transfer budgeted amounts between departments within any fund; however, any revisions that alter the total expenditures of any fund must be approved by the City Council.
- 4. Formal budgetary integration is employed as a management control device during the year for the General Fund and Special Revenue Funds.
- 5. Budgets for the General and Special Revenue Funds are adopted on a basis consistent with generally accepted accounting principles (GAAP).
- 6. Budgeted amounts are as originally adopted or amended by the City Council.
- 7. Appropriations expire at the end of the fiscal year at which time a new budget for the ensuing year is adopted.

### (1) Summary of Significant Accounting Policies - Continued

### G. Budgets and Budgetary Accounting - Continued

The following funds expenditures exceeded appropriations:

<u>Fund</u>	<u>Appropriations</u>	<b>Expenditures</b>
Airport Fund	\$ 594,076.00	\$ 695,958.17
Capital Improvements Sales Tax Fund	2,056,769.00	2,059,073.05
60/61 T.I.F. District	110,414.00	110,414.46
Main/Malone TIF District	179,212.00	203,104.31
Sikeston Economic Development	261,893.00	262,290.79

### H. Policy for Compensation for Future Absences

Vacation banking is limited to 2 times the employees' annual accrual. Vacation in excess of this amount is lost without compensation on the employee's anniversary date of employment. The Manager may authorize the payment (cashing in) of vacation, if it is warranted. An employee may request the cashing in of no more than two weeks of vacation within a fiscal year. Vacation in excess of the limits shall be forfeited on the appropriate anniversary date without recourse or grievance to or by the employee so affected. Accrued banked vacation shall be bought back at the employee's regular rate of pay when the employee leaves the service of the City. Employees shall not accrue any vacation until the end of their initial employment qualifying period and employees leaving the service of the City prior to their first anniversary shall forfeit any and all claims to any vacation time. Vacation shall be earned and accrued monthly after the first anniversary date in accordance with City Ordinance number 5989.

Sick leave banking is limited to 1,040 hours for general and supervisory personnel, 1,079 hours for patrol and communication hourly employees, and 1,404 hours for fire division personnel assigned to 24 hour shifts. Sick leave in excess of this amount is lost without compensation on the employee's anniversary date of employment. The Manager may authorize carry over, not to exceed one additional year of sick leave accrual when, in his sole opinion, such action is warranted, upon receipt of an appropriate request at least thirty days prior to the anniversary date the employee would otherwise forfeit sick leave time accrued. Sick leave shall be accrued monthly beginning after the first 6 months of employment. Unused sick leave banked at the time the employee leaves the service of the City will be forfeited unless the employee has at least 10 continuous years of service and leaves employment with the city in good standing. Then they will be paid 25% of their accrued sick leave banked at their regular hourly rate.

### (1) Summary of Significant Accounting Policies - Continued

### H. Policy for Compensation for Future Absences - Continued

When an employee is required to work or when a scheduled City holiday shall fall on an eligible employee's regularly scheduled day off, then that holiday time shall be credited to that employee's holiday bank. Banked holiday time shall accrue until the employee's anniversary date, at which time all banked time shall be bought back at the employee's regular hourly rate except for one day or one shift as appropriate, which shall be retained in the employee's holiday time bank. Banked holiday time shall be bought back at the employee's regular rate of pay when the employee leaves the service of the City.

The City's liability for accumulated vacation, sick and holiday pay (\$671,165.80 at June 30, 2018) for governmental funds, which represents normal accumulations, has been recorded in the Statement of Net Assets. The current portion of accrued vacation pay, which would be liquidated with expendable available resources is not material.

### I. Pensions

For purposes of measuring the net pension liability, deferred outflows of resources and deferred inflows of resources related to pensions, and pension expense, information about the fiduciary net position of the Missouri Local Government Employees Retirement System (LAGERS) and additions to/deductions from LAGERS fiduciary net position have been determined on the same basis as they are reported by LAGERS. For this purpose, benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value.

### J. <u>Deferred Compensation Plan</u>

In addition to the pension benefits described in Note 12, it is the City's policy to allow employees to participate in a Code 457 Deferred Compensation Plan with ICMA Retirement Corporation. This is a defined contributions plan. The City has 24 employees participating in the plan. The City contributes \$5,000 for the City Manager each year. The City does not contribute to the plan for any other employees.

### (2) Property Tax

Property Taxes attach as an enforceable lien on property as of January 1. Taxes are levied on or about October 1 and payable by December 31. The City bills and collects its own property taxes. City property tax revenues are recognized when levied to the extent that they result in current receivables. Any amount not collected during the current fiscal year or within 60 days of the year-end are treated as deferred revenues. Any adjustments of tax levies or charge-offs for other purposes are written off against current year's revenues.

### (3) Restricted Revenues

Transportation sales tax proceeds are restricted for transportation purposes as defined in Sections 94.700 to 94.755 of the Missouri Revised Statutes. A special revenue fund known as Transportation Sales Tax Fund is used to account for transportation sales tax proceeds.

On April 7, 1998, the voters approved a Capital Improvement Sales Tax to be used to finance the construction of a Higher Education Center. The sales tax proceeds are restricted to construction and furnishing of the Sikeston Higher Education Center. A special revenue fund known as the Sikeston Higher Education Sales Tax Trust Fund is used to account for the Capital Improvement Sales Tax proceeds. The Capital Improvement Sales Tax expired on September 30, 2004.

Tourism tax proceeds are restricted for tourism marketing and promotional purposes. A special revenue fund known as Tourism Sales Tax Trust Fund is used to account for tourism sales tax proceeds.

The City has levied a property tax of \$.1796 per \$100 assessed valuation for both the Park Funds and the Library Fund. These funds are restricted for these usages.

State Motor Vehicle fuel tax and county road and bridge tax allocations to the City are restricted for use of repair, policing, sign, lighting, construction, etc., for roads, bridges and highways in accordance with Article IV, Section 30 (a) of the Missouri Constitution.

Grants are received from the State for various purposes. These funds are restricted to the uses specified in the grant agreements to which they pertain.

### (4) Deposits

Missouri statutes require that any banking institution acting as a depositary for funds of the City shall at all times secure all deposits of the City with collateral of sufficient value of not less than 100% of the actual amount of the funds on deposit with the depositary, less the amount, if any, insured by the Federal Deposit Insurance Corporation. City Ordinance Number 5487 requires collateral of sufficient value of not less than 100% of the actual amount of the funds on deposit with the depositary, less the amount, if any, insured by the Federal Deposit Insurance Corporation. At yearend, the carrying amount of the City's deposits was \$5,339,288.21 and the bank balance was 5,463,470.29.

The deposits are categorized in accordance with risk factors created by governmental reporting standards.

		Carrying <u>Amount</u>		Bank <u>Balance</u>			
Category #1	\$	501,847.36	\$	501,847.36			
Category #2		-		-			
Category #3	-	4,837,440.85	***************************************	4,961,622.93			
Total	\$	5,339,288.21	\$	5,463,470.29			

### (4) Deposits - Continued

Category #1	Includes deposits covered by deposit insurance or collateral held by the City in the
	City's name.

- Category #2 Includes deposits covered by collateral held by the financial institution's trust department in the City's name.
- Category #3 Includes deposits which are uncollateralized or the collateral is held by the financial institution's trust department but not in the City's name.

Funds of the Sikeston Economic Development Corporation in excess of the FDIC insurance, \$103,670.51 at June 30, 2018, was not collateralized since it is not a governmental entity and they are not considered public funds

### (5) Investments

Statutes authorize the City to invest in governmental securities, repurchase agreements and certificates of deposit.

Investments made by the City are summarized below. The investments that represent specific identifiable investment securities are classified as to credit risk by the three categories described below:

Category #1 Insured or registered, or securities held by the City or its agent in the City's name.

Category #2 Uninsured and unregistered, or securities held by the counter-party's trust department or agent in the City's name.

Category #3 Uninsured and unregistered, with securities held by the counter-party, or by its trust department or agent but not in the City's name.

				Category				
0 .:	_	#1		#2		#3	. <u>-</u>	Carrying Value
Certificate of Deposit	\$	248,152.64	\$	-	\$	51,847.36	\$	300,000.00
Repurchase Agreements				-	-	2,918,064.29		2,918,064.29
	\$_	248,152.64	\$_	-	\$_	2,969,911.65	\$	3,218,064.29

### (5) Investments - Continued

The fair value of the securities was equal to, or in excess of, the face value of the repurchase agreements at the time of issuance. Should the fair value of the securities decline, the City may become an unsecured creditor of the bank. The City has one repurchase agreement with the Southern Bank. The City invested \$2,918,064.29 at a rate of 1.00 APY. The maturity date is July 1, 2018. The City has a certificate of deposit with FOCUS Bank in the amount of \$150,000.00 at a rate of 1.54% and a maturity date of October 9, 2018. The City also has a certificate of deposit with FOCUS Bank in the amount of \$150,000.00 at a rate of 2.32% and a maturity date of June 30, 2020.

The Sikeston Public Library was donated 6 shares of IBM stock. At June 30, 2018, this investment had a fair market value of \$878.22.

### (6) Individual Fund Interfund Receivables and Payables Balances

As of June 30, 2018, interfund receivables and payables were as follows:

<u>Fund</u>		Interfund <u>Receivables</u>	Interfund <u>Payables</u>

### (9) Long-Term Obligations - Continued

On September 1, 2004, the City entered into an agreement with Sikeston Acquisitions, Inc. for the redevelopment of the North Main Street and Malone Avenue Redevelopment Area. On January 7, 2005, \$925,000.00 of tax increment financing notes was issued to Sikeston Acquisitions, Inc. to reimburse project costs completed at that date. An additional construction advance of \$689,000.00 was made on November 8, 2005. On May 11, 2006, these notes were reissued along with the construction holdback of \$36,000.00. A note for \$1,325,000.00 bearing interest at the rate of 5.75% per annum was issued along with a note for \$325,000.00 bearing interest at the rate of 7.25% per annum. Interest is payable on May 1 and November 1 in each year and will be paid only from pledged revenues. Pledged revenues include certain payments in lieu of taxes and economic activity taxes generated in the redevelopment area. The maturity date of these notes is August 31, 2027. The obligations of the City with respect to this note terminate on August 31, 2027, whether or not the principal amount or interest has been paid in full. As of June 30, 2018, \$325,000.00 of notes remains outstanding.

### B. <u>SAHEC Financing</u>

Year Ending	Principal Due		Interest Due		<u>Total</u>
June 30, 2019	\$ 56,683.07	\$	4,090.34	\$	60,773.41
June 30, 2020	 52,949.25	_	2,136.08		55,085.33
Totals	\$ 109,632.32	\$_	6,226.42	\$_	115,858.74

On October 27, 2005, the City entered into an agreement with the Board of Regents of Southeast Missouri State University to construct and equip an addition to the Sikeston Area Higher Education Center. The City executed a tax anticipation note in the amount of \$1,500,000.00 to FOCUS Bank to finance its portion of the project. The note bears interest at the rate of 4.25% per annum. Interest is payable on July 1 and January 1 each year. In addition, a principal payment is due each year on January 1. The loan was to mature on January 1, 2013. On May 11, 2010, the City refinanced this note with Alliance Bank. The note requires the City to make annual payments of \$58,799.75 on January 1 each year beginning in 2011 and ending on January 1, 2020. Also, payments of interest accrued only are due each year on July 1. These payments vary beginning with a payment of \$6,623.18 on July 1, 2011. The interest rate on this note varies from 2.7% to 3.7%. As of June 30, 2018, the loan balance is \$109,632.32.

Present Value of Future						-	
Minimum Lease Payments	\$ _	331,597.05	\$ 814,092.07	\$_	150,631.51	\$	1,296,320.63

On November 14, 2014, the City entered into a lease-purchase agreement with US Bancorp to finance the acquisition of 3 dump trucks. The lease qualified as a capital lease for accounting purposes and, therefore, has been recorded at the present value of the future minimum lease payments as of the date of its inception. The trucks are included in the General Fixed Assets at \$461,505.00.

On August 25, 2015, the City entered into a lease-purchase agreement with Regions Equipment Finance Corporation to finance the acquisition of a pumper and ladder truck. The lease qualified as a capital lease for accounting purposes and, therefore, has been recorded at the present value of the future minimum lease payments as of the date of its inception. The trucks are included in the General Fixed Assets at \$1,040,425.00.

On October 19. 2016, the City entered into a lease-purchase agreement with US Bancorp to finance the acquisition of a street sweeper. The lease qualified as a capital lease for accounting purposes and, therefore, has been recorded at the present value of the future minimum lease payments as of the date of its inception. The trucks are included in the General Fixed Assets at \$200,000,00.

Also, included in long-term debt at June 30, 2018 is the City's liability for accumulated vacation, sick and holiday pay which was \$671,165.80 at June 30, 2018.

### (10) Tax Increment Financing

On September 1, 2004, the City entered into an agreement with Sikeston Acquisitions, Inc. for the redevelopment of the northwest quadrant of the intersection of Main Street and Malone Avenue and has adopted tax increment financing (TIF). The City has agreed to issue TIF notes to be sold to Sikeston Acquisitions, Inc. to evidence the City's obligation to reimburse Sikeston Acquisitions, Inc. for verified Reimbursable Redevelopment Project Costs, up to a maximum aggregate principal amount of \$1,700,000.00. Reimbursable Redevelopment Project Costs include, but are not limited to, costs of studies, surveys, plans, tests and specifications, professional service costs, acquisition costs, costs of demolition of buildings and the clearing and grading of land, costs of construction of public works or improvements, issuance costs, and payment in lieu of taxes. The City will use TIF revenue, which is payments in lieu of taxes attributable to the increase in the current equalized assessed valuation of the area over and above the initial equalized assessed value of such property and 50% of the total additional revenues from taxes which are imposed by the City or other taxing districts and which are generated by economic activities within the area over such taxes generated by economic activities within the area in the calendar year ending December 31, 2003, to pay the interest and principal on the TIF obligations. As of June 30, 2010, \$1,650,000.00 of TIF notes had been issued.

On October 15, 2012, the City entered into an agreement with Six Thirty Two LLC for the development of Lot One of Hospitality Subdivision and has adopted tax increment financing (TIF). The City has agreed to reimburse Six Thirty Two LLC for verified Reimbursable Project Costs, up to a maximum of \$431,262.00. The City will use TIF revenue, which is incremental real property taxes and economic activity taxes described in Sections 99.845.1(2)(a) and 99.845.3 of the Revised Statutes of Missouri, to reimburse these project costs. Payments will be made every February 1 and August 1 in an amount equal to all TIF Revenues, less \$1,000.00 administration fee to be retained by the City, that the City has received during the previous calculation period (January 1 to June 30 and July 1 to December 31). Six Thirty Two LLC has submitted a Certificate of Reimbursable Costs for \$421,463.00. Reimbursements of \$58,146.31 were made in the year ended June 30, 2018. A balance of \$196,924.91 remains to be paid from future TIF revenues.

On October 15, 2012, the City entered into an agreement with Select Sikeston Hospitality, LLC for the development of Lot Two of Hospitality Subdivision and has adopted tax increment financing (TIF). The City has agreed to reimburse Select Sikeston Hospitality, LLC for verified Reimbursable Project Costs, up to a maximum of \$475,000.00. The City will use TIF revenue, which is incremental real property taxes and economic activity taxes described in Sections 99.845.1(2)(a) and 99.845.3 of the Revised Statutes of Missouri, to reimburse these project costs. Payments will be made every February 1 and August 1 in an amount equal to all TIF Revenues, less \$1,000.00 administration fee to be retained by the City, that the City has received during the previous calculation period (January 1 to June 30 and July 1 to December 31). Select Sikeston Hospitality, LLC has submitted a Certificate of Reimbursable Costs for \$475,000.00. Reimbursements of \$52,268.15 were made in the year ended June 30, 2018. A balance of \$321,054.94 remains to be paid from future TIF revenues.

On May 6, 2015, the City entered into a redevelopment agreement with Sikeston Development Co., LLC regarding the Sikeston 60 West Tax Increment Financing Redevelopment Plan. The

### (10) Tax Increment Financing - Continued

agreement requires the City to fund, subject to reimbursement from tax increment financing revenues, the extension of Hennings Drive, the extension of Stallcup Drive, and the construction of a new roadway connecting Hennings Drive and Stallcup Drive and the City will use tax increment financing revenues to reimburse Sikeston Development Co., LLC for certain other project costs. On May 2, 2016, the City entered into an amended and restated redevelopment agreement with Sikeston Development Co., LLC and Cotton Ridge Development Co., LLC regarding this redevelopment plan. Sikeston Development Co., LLC has assigned its interest in portions of the property in RPA 1 to Cotton Ridge Development Co., LLC. On August 19, 2016, Sikeston Development Co., LLC submitted a Certificate of Reimbursable Costs for \$800,000.00, the maximum approved. On December 9, 2016 Cotton Ridge Development Co., LLC submitted a Certificate of Reimbursable Costs for \$390,737.33. The developers are allowed 4.5% per annum interest on their costs. On each payment date, the City shall apply the TIF Revenues, first the sum of \$1,000 shall be retained by the City as an administrative fee, with the balance paid 46.7% to the City to be applied as provided in the Cooperation Agreement and 53.3% paid to the Developer for Reimbursable Developer Costs. Unless otherwise agreed to by the Developers, the TIF Revenues paid to the Developers shall be paid first to Sikeston, Development Co., LLC until all their reimbursable costs have been paid and then to Cotton Ridge Development Co, LLC until all their reimbursable costs have been paid. Reimbursements of \$68,850.17 were made to the developer in the year ended June 30, 2018. Interest was paid of \$35,980.05 and principal of \$32,870.12 leaving a principal balance of \$760,331.33.

The City entered into an Intergovernmental Cooperative Agreement with New Madrid County, Missouri on May 6, 2015 in connection with the Sikeston 60 West Tax Increment Financing Redevelopment Plan. The City agreed to advance the costs of the infrastructure improvements which amounted to \$800,000. The City shall apply tax increment financing revenues to pay administrative costs and then 46.7% of the remaining TIF Revenues to reimburse the City for costs of the infrastructure improvements plus 3% interest per annum. The cost of the infrastructure improvements will be amortized over a 15-year period. If the revenues are greater than the amortized cost of the improvements for the period, then revenues will be applied to the prepayment of the improvements. If the revenues are less than the amortized cost of the improvements for the period, then the County will pay to the city 50% of the shortfall. After the 15-year amortization period, the city will reimburse the County from TIF Revenues until fully reimbursed. Reimbursements of \$61,320.71 were made for the City's costs of the infrastructure improvements during the year ended June 30, 2018.

On May 2, 2016, the City entered into a parcel development agreement with Cotton Ridge Development Co., LLC (Developer) and Midas Cotton Ridge, LLC (Sub – Developer) for the development of the portion of the Redevelopment Area described as "RPA 2A" in the Redevelopment Plan and has adopted tax increment financing (TIF). The City has agreed to reimburse Cotton Ridge Development Co., LLC for verified Reimbursable Project Costs, up to a maximum of \$2,900,000 plus interest on such costs accruing at a rate of 4.5% per annum from the date approved by the City. The City will use TIF revenue, which is incremental real property taxes and economic activity taxes described in Sections 99.845.1(2)(a) and 99.845.3 of the Revised Statutes of Missouri, to reimburse

### (10) Tax Increment Financing - Continued

these project costs. Payments will be made every February 1, May 1, August 1, and November 1 in an amount equal to all TIF Revenues, less \$1,000.00 administration fee to be retained by the City, that the City has received during the previous calculation period. Cotton Ridge Development Co., LLC has submitted a Certificate of Reimbursable Costs for \$400,000.00, the maximum approved. Reimbursements of \$13,541.45 for interest were made in the year ended June 30, 2018. A principal balance of \$386,785.32 remains as of June 30, 2018.

### (11) Pension Costs

### A. Plan Description

The City of Sikeston defined benefit pension plan provides certain retirement, disability and death benefits to plan members and beneficiaries. The City of Sikeston participates in the Missouri Local Government Employees Retirement System (LAGERS). LAGERS is an agent multiple-employer, statewide public employee pension plan established in 1967 and administered in accordance with RSMo. 70.600-70.755. As such, it is LAGERS responsibility to administer the law in accordance with the expressed intent of the General Assembly. The plan is qualified under the Internal Revenue Code Section 401(a) and is tax exempt. The responsibility for the operations and administration of LAGERS is vested in the LAGERS Board of Trustees consisting of seven persons. LAGERS issues a publicly available financial report that includes financial statements and required supplementary information. This report may be obtained by accessing the LAGERS website at www.molagers.org.

### B. Benefits Provided

LAGERS provides retirement, death and disability benefits. Benefit provisions are adopted by the governing body of the employer, within the options available in the state statutes governing LAGERS. All benefits vest after 5 years of credited service. Employees who retire on or after age 60 (55 for police and fire) with 5 years or more of service are entitled to an allowance for life based upon the benefit program information provided below. Employees may retire with an early retirement benefit with a minimum of 5 years of credited service and after attaining age 55 (50 for police and fire) and receive a reduced allowance.

### February 28, 2018 Valuation

Benefit Multiplier: Final Average Salary: Member Contributions: 1.50% for life, plus 0.50% to age 65

3 Years 0%

Benefit terms provide for annual post retirement adjustments to each member's retirement allowance subsequent to the member's retirement date. The annual adjustment is based on the increase in the Consumer Price Index and is limited to 4% per year.

### (11) Pension Costs - Continued

#### C. Employees Covered by Benefit Terms

At June 30, 2018, the following employees were covered by the benefit terms:

104
<u>117</u> 330

### D. Contributions

The employer is required to contribute amounts at least equal to the actuarially determined rate, as established by LAGERS. The actuarially determined rate is the estimated amount necessary to finance the cost of benefits earned by employees during the year, with an additional amount to finance an unfunded accrued liability. Full-time employees of the employer do not contribute to the pension plan. Employer contribution rates are 5.1% General, 8.9% Police, and 6.6% Fire of annual covered payroll.

### E. Net Pension Liability

The employer's net pension liability was measured as of June 30, 2018, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of February 28, 2018.

### F. Actuarial Assumptions

The total pension liability in the February 28, 2018 actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement:

Inflation	3.25% wage Inflation; 2.5% Price Inflation
Salary Increase	3.25% to 7.15% Including Wage Inflation
Investment Rate of Return	7.25%, Net of Investment Expenses

The healthy retiree mortality tables, for post-retirement mortality, were the RP-2014 Healthy Annuitant mortality table for males and females. The disabled retiree mortality tables, for post-retirement mortality, were the RP-2014 disabled mortality table for males and females. The pre-retirement mortality tables used were the RP-2014 employees mortality table for males and females.

Both the post-retirement and pre-retirement tables were adjusted for mortality improvement back to the observation period base year of 2006. The base year for males was then established to be 2017. Mortality rates for a particular calendar year are determined by applying the MP-2015 mortality improvement scale to the above described tables.

### (11) Pension Costs - Continued

### F. Actuarial Assumptions - Continued

The actuarial assumptions used in the February 28, 2018 valuation were based on the results of an actuarial experience study for the period March 1, 2010 through February 28, 2015.

The long-term expected rate of return on pension plan investments was determined using a model method in which the best-estimate ranges of expected future returns real rates of return (expected returns, net of investment expenses and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. The target allocation and best estimates of arithmetic real rates of return for each major asset class are summarized in the following table:

	Long-Term Expected
Target Allocation	Real Rate of Return
43.00%	5.16%
26.00%	2.86%
21.00%	3.23%
10.00%	5.59%
	43.00% 26.00% 21.00%

### G. Discount Rate

The discount rate used to measure the total pension liability is 7.25%. The projection of cash flows used to determine the discount rate assumes that employer and employee contributions will be made at the rates agreed upon for employees and the actuarially determined rates for employers. Based on these assumptions, the pension plan's fiduciary net position was projected to be available to pay all projected future benefit payments of current active and inactive employees. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payment to determine the total pension liability.

### I. Sensitivity of the Net Pension Liability to Changes in the Discount Rate

The following presents the Net Position Liability of the employer, calculated using the discount rate of 7.25%, as well as what the employer's Net Position Liability would be using a discount rate that is 1 percentage point lower (6.25%) or one percentage point higher (8.25%) than the current rate.

Current Single Discount								
	1% Decrease	R	ate Assumption		1% Increase			
	6.25%		7.25%		8.25%			
\$	228,872.00	\$	(3,526,502.00)	\$	(6,588,624.00)			

### J. <u>Pension Expense and Deferred Outflows of Resources and Deferred Inflows of Resources Related to</u> Pensions

For the year ended June 30, 2018 the employer recognized pension expense of \$652,654.00. The employer reported Deferred Outflows and Inflows of resources related to pensions from the following sources:

		Deferred		Deferred
		Outflows		Inflows
		Of Resources		Of Resources
Differences in Experience	\$	771,631.00	\$	(185,650.00)

### J. <u>Pension Expense and Deferred Outflows of Resources and deferred Inflows of Resources Related to</u> Pensions - Continued

\*The amount reported as Deferred Outflows of resources resulting from contributions subsequent to the measurement date will be recognized as a reduction in the Net Pension Liability for the year ended June 30, 2018.

Amounts reported as deferred outflows and inflows of resources related to pensions will be recognized in pension expense as follows:

Year Ended:	
2019	\$ 438,052.00
2020	90,749.00
2021	(356,562.00)
2022	(173,644.00)
2023	1,265.00
Thereafter	_

### (12) Interest Expense

On the Statement of Activities, interest expense of \$238,210.02 is included as a direct functional expense. The following schedule summarizes the amounts included.

		Tax			
		Anticipation		Capital Lease	
<u>Function</u>		<u>Notes</u>		<b>Obligations</b>	<u>Total</u>
Sikeston Area Higher					
Education	\$	4,905.56	\$	-	\$ 4,905.56

### (13) Self-Insurance Health Plan

Effective January 1, 2014, the City and the Sikeston Board of Municipal Utilities entered into a self-insurance health insurance plan. This is accounted for using an internal service fund.

The plan provides health coverage to its employees through a minimum premium plan administered by HealthSCOPE Benefits, Inc. Under this plan, the City paid the administrator a

### (13) Self-Insurance Health Plan - Continued

monthly premium for claims administration, cost management, and specific stop loss coverage. The City reimbursed the administrator for claims paid up to the specific stop loss amount of \$60,000.00 per employee. Rates were charged by the internal service fund to the various City funds and the Board of Municipal Utilities to cover the monthly premium to the administrator, stop loss coverage and claims.

Claims liability is estimated using data supplied by the administrator. The claims activity was as follows:

Balance, June 30, 2017	\$	1,064,486.41
Provision for Incurred Claims		1,450,291.97
Payment of Claims	_	(1,221,388.20)
Balance, June 30, 2018	\$	1,293,390.18

The City and the Board of Municipal Utilities have agreed to share risk of health coverage based on the premiums each pays less their share of claims and expenses. As of January 1, 2017, The Board of Municipal Utilities discontinued participation in the self-insurance plan with the City of Sikeston. If the fund had been settled as of June 30, 2018, the City would have owed the Board of Municipal Utilities \$31,809.57.

# INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Honorable Mayor, Members of the City Council, and City Manager City of Sikeston Sikeston, Missouri

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the blended component unit, each major fund, and the aggregate remaining fund information of the City of Sikeston, Missouri, as of and for the year ended June 30, 2018, and the related notes to the financial statements, which collectively comprise the City of Sikeston, Missouri's basic financial statements, and have issued our report thereon dated January 5, 2019.

# Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the City of Sikeston, Missouri's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the City of Sikeston, Missouri's internal control. Accordingly, we do not express an opinion on the effectiveness of the City of Sikeston, Missouri's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

# Compliance and Other Matters

As part of obtaining reasonable assurance about whether the City of Sikeston, Missouri's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws,

regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

# Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
