City of Sikeston

BUDGET MESSAGE FISCAL YEAR 2014 (FY-14)

To the Mayor and City Council:

In accordance with the City Charter approved by the citizens in April 2002 and implemented on April 10, 2003, the City of Sikeston's proposed budget for the period July 1, 2013 through June 30, 2014 is hereby submitted. It details the projected revenues and expenditures of the City's General Fund, Sales Tax Fund, SAHEC Sales Tax Fund, Transportation Sales Tax Fund, Economic Development, Essex Fund, Park Fund, Municipal Court Fund, Tourism Fund, 911 Fund, Capital Improvement Fund, 60/61 TIF District Fund and the Main & Malone TIF District Fund.

For the ninth consecutive year annual revenues from the one percent sales tax, adopted in 2004, are below projected levels. This revenue shortfall, approximately \$6.8 million, coupled with higher costs of doing business, and recovery costs associated with local natural disasters (2008, 2009 and the spring of 2011) have negatively impacted sales tax revenues and the City's financial reserves.

In August 2013 the City Council will be asking voters to continue the one percent sales tax established in 2004. This measure generates approximately \$2.8 million annually. The passage of this measure has long-term ramifications on municipal operations.

The FY-14 budget has been prepared in keeping with the commitments made to taxpayers in 2004. Monies have been appropriated for: 1) The SEMO University – Sikeston Campus (formerly SAHEC) expansion via an annual note payment of approximately \$70,000; 2) Land Clearance Redevelopment Authority operations, \$100,000, and 3) Sikeston Department of Public Safety staffing, operations, and 911 functions, \$6.1 million.

During the FY-14 budget preparation process, approximately \$400,000 was removed from initial funding requests. (\$150,000 of this amount was associated with DPS operational expenditures.) Staffing levels have been reduced by one Public Works full-time position and 10 seasonal employees from the Summer Mowing Program. Full staffing for the Department of Public Safety (80 fulltime and 5 part-

time employees) has been approved and funding appropriated. No cost-of-living increase has been budgeted for City personnel during this fiscal year.

\$600,000 has been earmarked for street and stormwater drainage improvements in FY-14. City Staff continues to monitor federal and state programs to identify and acquire grant monies for projects the City is unable to fund through local tax revenues.

Of the total \$539,550 FY-14 capital improvement budget, \$340,000 has been appropriated for Public Safety purchases. These include the routine replacement of Public Safety pursuit vehicles, weapons, and bullet-proof vests, as well as Fire Division turn-out gear, fire hose replacement and the annual pumper payment. The remaining \$198,800 will fund capital expenditures for the City's remaining four departments.

In closing, every effort is being made to maximize the use of tax dollars, while maintaining appropriate levels of municipal service.

Respectfully submitted,

Doug Friend, Manager City of Sikeston
