

Springfield Township SIGN PERMIT APPLICATION

Submit application and plans to the Building Department. Please allow a ten (10) day plan review period. The application **MUST** include 3 sets of scaled drawings of the sign, indicating the dimensions and scale for both the sign and all symbols or lettering in the sign along with the scale of the building dimensions. The application must also include a scaled drawing showing the sign location and the location and size of any other ground or building signs on the property.
