#	ADDITIONAL COMMENTS	DATE
1	We need to widen streets. Longtail Beach Road is terrible. Boats from shipyard sometimes takes up both lanes. Its a hazard to sometimes walk/cycle.	5/9/2023 10:20 AM
2	We have experienced poor due diligence and accountability related to Village policy compliance. Some policies are outdated or not updated and don't factor unique residential considerations. The city staff does not appear to engage equally/consistently with residents.	5/6/2023 9:28 AM
3	It appears Suamico has no business plan for the village. They keep stressing we want to keep it rural but I struggle to see what they are doing in the areas of Hwy 41, Cty B and Velp Avenue where businesses could go. Also I question why they are not going with 2 acre and above lot sizes in rural residential areas.	5/5/2023 12:05 PM

10	More recreational trails would be wonderful	4/17/2023 8:46 PM
11	Our election poll books are on wifi. This is not secure even with a password. I would like to know who all has access to this and any organizations that have access. We need to have these removed.	4/17/2023 6:45 PM
12	Not entirely sure what this includes but the building where Subway on Velp is located is a fail. Why is the back of the building street facing and the entrances all facing inward. Not surprising that businesses can't make it work there. No visibility. The road behind festival foods is unacceptable, poor quality and poor planning. It continually needs repair for water, frost etc. In addition it's that entire parking lot is poorly designed.	4/16/2023 3:18 PM
13	Voting place was moved to New Zoo from Idlewild, totally out of my way now to vote.	4/15/2023 9:04 PM

16	ATV/UTV's are obnoxious, some very loud and should never have been allowed on the roadways.	4/1/2023 11:00 AM
17	We need a bike trail or sidewalk leading to the boat launch. Heavy traffic here as we're the only access to the bay. Many onlookers..	3/31/2023 11:02 AM
18	Businesses providing lawn services to Suamico residents should be allowed to use our recycling center! Mulch should be provided to residents.	3/24/2023 6:42 PM
19	No more street lights please	3/24/2023 9:29 AM
20	No more street lights. The light infiltration is horrible. Thank you for maintaining our rural character.	3/22/2023 5:31 PM
21	Street light is to bright by my house put a bulb in in that is better to keep the night sky darker, garbage truck put a hole in my container and would not give me a new one. dint like the fact we still pay for our water out in years ago	3/19/2023 1:59 PM

36	Would like to be on city water as opposed to well	3/4/2023 5:24 PM
37	I do not like the fact that we went to more electronic measures in our elections. Doing everything on paper and removing electronic measures and machines ensure safe and fair elections.	3/4/2023 1:13 PM
38	Please update website with current voting locations	3/4/2023 12:09 PM
39	Real estate taxes are too high	3/4/2023 8:01 AM
40	The Village office had an unlocked outside ballot box during the last presidential election. This allowed voter fraud. This is why your election rating is so low.	3/4/2023 2:34 AM
41	cars unregistered for months without moving and also parked on lawn.. other trash or items stored outside all seasons. unkept messy residents. also rules governing placement of garbage and recycle bins should be explored, not in front of home,,, very tacky	3/2/2023 10:18 AM
42	With modern shipping and receiving to the home, the amount of recycling that fits when recycling is only once every other week is limiting. Weekly recycling should be considered.	3/1/2023 7:25 PM
43	Like large open spaces here and ponds. Worried about over populating with so many new apartment buildings going up and more open space being taken over for more building. Bought my house due to large lot sizes and woody small town feel	3/1/2023 12:03 PM
44	snow removal is slow , our street is poorly plowed leaving a lot of packed snow, heavy slush and ruts. do be afraid to spead enough salt to do the job. we frequently get a small amount of salt and it makes poorly plowed street uneven between melted and snowy packed sections.	3/1/2023 10:25 AM
45	Could use more sidewalks. Dangerous for people walking at night.	2/28/2023 6:56 AM
46	I would like weekly pickup of recycling	2/27/2023 11:32 PM
47	Would like large item pick up, maybe once per month	2/27/2023 3:28 PM
48	Not enough access to the Bay. Hook road- no parking. Lineville- very limited parking. Changed parking on Longtail Beach Rd. End of Lineville is retarded. Not many people live there.	2/26/2023 9:41 PM
49	Would like to see Pine Forest Dr. Plowed better as well as salted more.	2/26/2023 6:56 PM
50	We are never sent any information about events outside the newsletter or the sign outside the village office. Would be nice to have a calendar of events.	2/26/2023 10:31 AM
51	Leaf/yard waste pick up spring and fall. There is no reason for all this paved walkways when the village has no plan for yard waste other than the citizen hauls to a dump. Ridiculous.	2/26/2023 9:55 AM
52	Police service is horrible, they need to spend less time hanging out at Kwick Trip and more time actually doing their job. The road I live on, for 22 years, is basically a drag strip , and I have yet to see anyone get pulled over.Driving through on a Tuesday at 10:00 am isn't going to do anything.	2/26/2023 4:56 AM
53	Want leaf collection	2/25/2023 5:34 PM
54	Sanitary sewer prices high, no storm sewer in my neighborhood contributes to wet basements due to pumping into ditches. No bike/walking trails to get to main attractions	2/25/2023 9:01 AM
55	Weekly recycling pickup would be helpful	2/24/2023 1:58 PM
56	The ditches to relieve rain/snow and sump pump water are cluttered with debris and not pitched right.	2/24/2023 10:21 AM
57	We could have garbage collection every other week and recycle every week.	2/24/2023 8:58 AM
58	Election comment was regarding location and safety of Idlewild Park. Actual election administration is good.	2/23/2023 5:28 PM
59	East Norfield could use new pavement	2/23/2023 1:37 PM

60	Garbage - include Christmas tree pickup in garbage contract and grass/rubish pickup. Water - negotiate better rates with City of GB. We pay way, way, too much money (relative to other municipalities) for water. \$500 water bills are not acceptable.	2/23/2023 12:27 PM
61	Need more of	2/23/2023 12:24 PM
62	Any NA answers indicate no experience	2/23/2023 11:29 AM
63	Many of the items I have not had the need or opportunity to come in contact with those services or programs.	2/22/2023 8:21 PM
64	Love Vickory Village !	2/22/2023 6:01 PM
65	Water utility is expensive, and not always good notice when the pipes will be flushed. Some money seems to be wasted on programs we don't care about. Property taxes are too high.	2/22/2023 5:09 PM
66	My n/a comments are because I haven't used or interfaced with these services.	2/22/2023 12:30 PM
67	Roads are nothing more than trails. Cold patch capital of the world! Lake view is dangerously ill repaired	2/22/2023 12:23 PM
68	Sea Farer, Harbor Lights Lake, need more light	2/22/2023 11:48 AM
69	I live off of Harbor lights Road about 10 years ago. They did a quick grind and re-lay down on the road and it worked out quite well. I think from lineville to Harbor lights Road suamico needs the same resurfacing.thanks for asking	2/22/2023 9:22 AM
70	Recycling pickup needs to be every week. Water bill is excessively high. Increased police presence on Birch and Harbor Lights near the school would be good to slow down speeding younger drivers every day - the kids at the school and neighborhood are at risk.	2/22/2023 9:05 AM
71	Not familiar with several of these items but that's probably a good thing	2/22/2023 2:28 AM

74	Stop wasting money	2/21/2023 7:58 PM
75	Very disappointed that free road money(80/20 split) was voted down for Harbor Lights Road. It won't get cheaper when the project eventually has to be done to keep up with infill development.	2/21/2023 7:53 PM
76	I wish we had more playground options for kids. Appleton has much nicer park facilities and splash pads	2/21/2023 7:46 PM
77	I have had barking dogs next door to me for 20 years,I've called the police many many times.Nothing works,it's a fucking joke.I have no power or rights to get rid of a fucking barking dog	2/21/2023 7:32 PM
78	Our plow driver is not nearly as good as our previous.(Troy- now retired) small court and several disabled people and he leaves 3-4 ft mounds3 feet from mailbox/ no blower gets through . We've all had to hire someone . Troy always took care of us and pushed it into ditches	2/21/2023 7:12 PM
79	still have black water... I saw many folks with this on the last survey...	2/21/2023 7:11 PM
80	I reside on county rd J and Transfer Trl. Vehicles and motorcycles fly by 50- 60mph in a 35mph zone. I wish there was more police patrolling this. In the summer it's insane how fast people go on this rd. It's very dangerous especially for people walking and biking.	2/21/2023 7:05 PM
81	Could use bigger bins	2/21/2023 6:30 PM
82	recycling needs to be picked up weekly	2/21/2023 6:18 PM
83	I don't understand why our sewer cost is so high. I also don't get why we don't large item pick up at least twice a year with the taxes we pay.	2/21/2023 6:16 PM
84	Garbage pickup is sloppy, cans always tipped over in ditch, smashing mailboxes.	2/21/2023 6:13 PM
85	More recycling pickups less garbage. Signs should be put out for every election.	2/21/2023 5:59 PM

2024 - 2026 VOS Resident Strategic Plan Survey

86	As population grows we have doctors, nurses and other essential workers living in our community that need to get to work in spite of snow. So snow removal should be done before day light and not delay just because school start is delayed.	2/21/2023 5:58 PM
87	Pick up recycling every week, garbage every other. On voting days make sure signs are out EVERY time. Snow plows often skip the center area at end of Ives Lane.	2/21/2023 5:53 PM
88	County roads should have bike lanes. Also, as residential streets are being repaved, they are so much narrower than we moved here. Residents are forced to take the roadside stone area when passing. Ridiculous for the taxes we pay	2/21/2023 5:44 PM
89	Water taste like chemicals and if I do not flush my toilets every day or add bleach to them, they become scummy Harbor Lights Road is very narrow for the amount of traffic and is very rough! low! scummy	2/21/2023 5:41 PM
90	Opportunities for bulk waste disposal would be nice, city of green bay offers services like this.	2/21/2023 5:13 PM
91	Snow plow drivers need to keep the gravel on the side of the road, not in my grass.	2/21/2023 4:30 PM
92	Several services like fire protection have not been used so how can they be evaluated???	2/21/2023 4:21 PM
93	too much salt on the roads. use sand	2/21/2023 4:08 PM
94	More events to bring the community together.	2/21/2023 3:13 PM
95	Would love to see bulk garbage pickup available monthly like every other city, village near us as part of our garbage service.	2/21/2023 2:10 PM
96	Snow plow drivers need to stay on the road even when we have pole ups to guide them. Damage done to our property could be avoided. Harbor lights road and railroad crossings are awful.	2/16/2023 7:34 AM
97	The village is not aggressive enough about pursuing potential road improvement funding and adding bicycle and pedestrian facilities	2/14/2023 4:46 PM
98	with all of the growth, there's not a plan for safe walking or biking.	2/12/2023 7:26 AM
99	Water and sewer rates are too high. Prefer monthly billing so the quarterly bill isn't so high.	2/11/2023 9:57 PM
100	Sewer too expensive	2/11/2023 7:33 PM
101	We constantly have water in the ditches but Andy and his crew are great to work with. For planning and zoning the board does not take their feedback and decide what happens in planning.	2/11/2023 7:17 PM
102	Most services are good, as usual all could be improved	2/11/2023 4:11 PM

1	Tax rate is too high for poor results of Village policy administration which doesn't protect tax payer rights over non-residents who use and sometimes abuse Suamico property and resources.	5/6/2023 9:28 AM
2	Suamico needs to focus on getting businesses here vs. residential as the business can be taxed at a different rate vs. homes. We keep adding subdivisions which then increase road/street costs/garbage pickup but that is about all we get from Suamico.	5/5/2023 12:05 PM

8	typically i am not seeing any issues with the service we have, however with property values skyrocketing and thus revenues increasing, I would expect basic improvements to continue and would not want to see any assessments directly on an individual property owner for forced improvements (curb/gutter, public sewer, water)	4/19/2023 10:38 AM
9	The water/sewer is too expensive. We pay more for water/sewer than Arizona. Commercial prop owners are more responsible for pollution concerns than homeowners.	4/16/2023 3:18 PM

There is no curbside pickup, unless we have to pay for it. Or leaf pickup. 75	Taxes are soooo high for what we get in return	2/23/2023 12:24 PM
76	I think road conditions are poor in many areas of Suamico. And storm water control is poor. Residents are allowed to fill in ditches and storm water backs up on roads. Neighbors just built a house and no culvert in their driveway!	2/23/2023 10:32 AM

41	Stop wasting our money	2/21/2023 7:58 PM
42	Please do not ever entertain the idea of city sewer, city water, curb and gutter, or sidewalks. Residents with wells prefer wells for many reasons. Residents without curb and gutter and without sidewalks prefer it that way to maintain their privacy too. I have seen family members forced to pay for city water, sewer, curb and gutter, and sidewalks (all of which they were 100% against) but they had no choice but to pay for it which was very expensive. Not right in a free country. Forcing people to pay for city water, sewer, curb and gutter, or sidewalks against their will destroys their freedom as a citizen, drains their personal savings that is needed for supporting their family, can turn them against their village's governmental operations, and is simply wrong. Our forefathers fought and died for us to live in a free country and their sacrifice needs to be honored. No governmental organization should ever be able to force anyone to pay for something they don't agree with against their will. I am hopeful nothing like that will ever happen in the village of Suamico but I am fearful and defensive about this topic after personally experiencing my family being forced to pay for all of those things mentioned against their will in a different town. And I know Howard is looking into possibly forcing residents in an affected zone to pay for city water if it passes. Not good. Everyone I know that lives in the village of Suamico lives here because it is outside of the city and away from other people. That's what makes Suamico a nice place to live and keeps the residents happy. Adding things like city water, sewer, curb and gutter, and sidewalks converts the nice and peaceful community we all love and cherish into yet another city where there is no peace and people end up paying for things like city water when they prefer their well water. Please recognize what is important to the happiness of Suamico citizens. Large lot sizes provide space and ultimately peace for residents. If the constant pressure of realtors trying to develop farm fields into crammed subdivisions with too many homes too close to one another is allowed places like Suamico will just turn into another city with unhappy residents and increased crime. Please understand and protect what's important for Suamico residents which is leaving them alone, maintaining large lot sizes, and not forcing anyone to do anything they don't agree with no matter what. Regardless of how much money the village could make. If you want to keep your citizens happy let them live in peace and don't allow money to change that in any way. If you read this I greatly appreciate your time. I am also interested in receiving notifications in the mail if there are any important votes or surveys like this one that residents have a voice in. As you can tell I have a definite opinion based on my and my family's life experiences. Thank you.	2/21/2023 7:50 PM
43	PLEASE enforce leashes when walking dogs. I understand that we are a little more country and dogs like to run in Rome in the fields, but it just takes one of them to dirt out and someone has a live with the fact that they ran over a dog. It's a law for a reason and I'm also getting sick of funny dog crap all over my yard when it's not my dogs- just saying.. but if that's the worst of my complaints, that's awesome 😊	2/21/2023 7:12 PM

49	Excellent at this time for me and my family. I think Suamico needs to keep a priority on the rural charm that makes it the place I want to live. There was a proposal for Apartments to be built close to my house. Luckily that did not go forward. If dense housing plans are allowed I think you will start killing the charm of Suamico	2/21/2023 4:34 PM
50	Very poor planning. Look at the ugly environment Midwest Expansion is creating and the village board seems to love the mess the created with the new ugly metal fence, the Starbucks congestion, the ugly broken up asphalt etc.	2/21/2023 4:21 PM

1	We have considered moving out due to frustration with lack of Village leadership with fundamentals.	5/6/2023 9:28 AM
2	Suamico does very little to promote business...look at the industrial parks in Bellevue, West DePere, Ashwaubeon to name a few. This helps with your tax base vs. focusing on houses. Suamico also does little from a community standpoint in keeping residents to stay in the Village for recreation or other activiites.	5/5/2023 12:05 PM

45	There doesn't need to be a new subdivision everywhere. Part of the charm is the greenery, fields etc.	2/26/2023 8:10 PM
46	Too many apartment buildings and additional subdivisions being put up. This negatively affect the Suamico village and is extremely disappointing. 54	Encourage more small business development other than banks	2/24/2023 7:33 AM

63	There are potential zoning changes that seem to be going on the wrong direction in my opinion	2/22/2023 9:52 AM
64	Overall probably the right direction - but again, we need to limit the growth, and stop with the rampant subdivision developments. The long term residents do not want Suamico to grow too much or too fast, and to become another Howard. Howard was 20 years ago where Suamico current is now - and we don't want Suamico to follow Howard down the housing rabbit hole.	2/22/2023 9:05 AM

103	Keep it rural. Too many transient apartments are going to kill our rural way of life!	2/10/2023 7:17 PM
104	We need less fast food, taverns/bars & no more huge apartment buildings. That is going to decrease the value of everything. What a nightmare the E. Frontage Rd is getting. 1	I would like to see the village expand natural gas to all homes in Suamico. I live in a neighborhood in which homes a half mile away have gas and we're still on propane.	5/8/2023 11:23 AM
2	City staff members don't seem to take larger concerns to the Village board; extremely disappointed with the dismissive approach to Longtail Beach Lane winter parking, wasteful installation of signs not enforced, poor policy enforcement. Somehow someone allowed multiple violations for new construction on a 60 foot lot resulting in an AIRBNB next door with daily stranger rentals for which we pay \$8000 a year in taxes. That new construction which never involved neighbor notification, didn't require raising property elevation, was issued a boathouse/garage permit yet built as a 2 bedroom house, includes a hot tub outside of our bedroom window, outdoor speakers and showers. We wonder how many Village trustees would enjoy hearing people having sex in a hot tub while trying to fall asleep at night? Or seeing men pleasure themselves at the outdoor shower? Or see women fondling each other at the dock? Or kids kicking soccer balls into your yard and against the wall at 10:30 pm? Or late night Latino music hot tub parties? Or random strangers walking across your yard to say hi? Or having strangers staring into your home from the dock and fire pit requiring all blinds closed at dusk vs. enjoying the view? When is someone going to toss our dog a fentanyl pill when they dislike being politely asked to turn down the music or stay out of our yard? This is a 60 foot lot on the bay where we can't have and don't want fences. We pay \$8000 a year in taxes and have lost our privacy, safety, home value, and peaceful neighborhood. Who's accountable?	5/6/2023 9:28 AM
3	I think ATV's are a bad choice for the roads. In our area they do not follow the rules of the road.	5/4/2023 4:55 PM
4	Village codes need to be enforced. People parking across sidewalks, working on cars in driveways for weeks, sidewalks not getting shoveled. All this makes the mouse creek neighborhood look trashy.	5/4/2023 6:28 AM
5	ordinance enforcement is lax - needs improvement	5/3/2023 3:14 PM
6	More parking at the Suamico boat landing.	5/2/2023 1:38 PM
7	Cost of water/sewer too high. Should receive a higher rate adjustment to water my garden during the growing season.	5/1/2023 7:02 AM
8	Why do taxes keep going up and we see nothing in return. You don't even have large item pickup like the village of Howard.	4/30/2023 3:28 PM
9	A village dog park would be nice. We have had nothing but trouble at Howard's and occasional issues at Brown County's. The one off 172 is too far away	4/30/2023 12:11 PM
10	Water department was kind of nasty. Plumber said I had the right type of faucets and water inspector said the faucet had to be replaced.	4/30/2023 11:51 AM
11	Hard to find safe walking or biking routes on roads. Also, many ditches host mosquitoes all summer	4/28/2023 10:12 PM
12	Garbage service is less than desirable. Too many missed pickups even though our carts are out the night before and proper trash and recycling procedures followed. When we contact Harters they are rude, unprofessional and typically won't come back for a pickup. Drivers drive like maniacs in the neighborhood making it unsafe for kids to walk and wait for the bus during dark early morning hours. There are no sidewalks in our neighborhood so kids walk the edge of the road.	4/26/2023 12:45 PM
13	"Affordable housing" is a buzz word these days. As the village continues to grow I would ask	4/26/2023 12:26 PM

2024 - 2026 VOS Resident Strategic Plan Survey

that careful consideration be given to not establish multi-family dwellings such as apartment buildings right near existing single-family residential neighborhoods. While it is alluring from a tax-base view, it does not appeal to people living in single-family homes and could adversely impact property values.

14	While growth is expected, i don't want to see the nature of the village to change. There is an appetite for families to get into the howard/suamico school district. I would much rather see us keep our identity rural, vs the suburban nature that Howard is trying to expand on their northwest side.	4/19/2023 10:38 AM
15	Great police force.	4/17/2023 6:45 PM
16	Mike Romas is doing an excellent job. He has been very patient and informative with my questions	4/17/2023 5:57 PM
17	School taxes are very high.	4/17/2023 10:40 AM
18	The Village Board has a nice mix of members. A few more women would be an improvement.	4/17/2023 9:57 AM
19	Plow my street.	4/17/2023 9:33 AM
20	Plowing has been good.	4/17/2023 9:15 AM
21	Village Hall staff does a nice job. Would like to see rec activities for the middle aged group that are evenings for those of us who work. Exercise, walking clubs, more social but fitness related so I don't have to go into Howard.	4/16/2023 3:18 PM
22	We moved to suamico to get away from a "city" environment (houses too close, apartments all over) if suamico starts building in this manner we will be very disappointed	4/16/2023 1:29 PM
23	Would love a bike lane	4/14/2023 6:27 PM
24	Too many house being built on small lots.	4/14/2023 2:25 PM
25	Suamicos draw is non city living. Let's keep it that way.	4/14/2023 8:00 AM
26	I love it out here. The country and outdoors feeling, but the closeness to the city if you need it. Please don't turn it into a Green Bay and build everything up. Don't grant every ones wish of building big ole neighborhoods out here. Keep it the way it is. Make sure the people who have been here for their whole lives. Don't move farther north to get away from all the people. Also make velp faster!! Then widen it!	4/10/2023 2:52 PM
27	Taxes too high....lots of people on budgets....	4/9/2023 7:21 AM
28	We wish there were more sidewalks for people to walk in neighborhoods. There is growing light pollution with businesses not using lights that limit where the light goes. It makes it harder to see the stars at night. We notice noise from ATVs and UTVs since they've been legalized on the roads. There is also more shooting in the neighborhood than we would like. We don't feel as safe with shooting nearby. We wish there were a department store in Suamico, say on Lineville Road, like Shopko used to be.	4/7/2023 9:57 PM
29	Andy Smits has been awesome to work with whenever we've had an issue with our roads/roadsides.	4/4/2023 1:31 PM
30	We live on a road shared with Pittsfield. Our portion is maintained by Pittsfield. In the past we have had issues with plowing snow or paving our street. We pay taxes for Suamico and we are told to contact Pittsfield. We feel this shouldn't have to be resolved by us.	4/3/2023 10:11 AM
31	Our property taxes are getting too high.	4/2/2023 11:51 AM
32	I wish the TV/UTVs on village roadways ordinance was removed. We have had nothing but extra noise created, vehicles speeding and this adds nothing to the quality of life here.	4/1/2023 5:48 PM
33	I appreciate how easy it has been to vote.	4/1/2023 3:43 PM
34	Does the VOS have a city planner for long range goals/vision? Development seems a bit hodge podgy.	4/1/2023 11:00 AM
35	Walking and bike lanes needed	3/31/2023 4:19 PM
36	See question 9 answer. Also, we really liked the basket ball hoops at the park. They were removed a while back. Would love to have them back. Trash and recycling should be flipped. I	3/31/2023 3:55 PM

2024 - 2026 VOS Resident Strategic Plan Survey

fill my recycling way more than my trash. If trash came every other week and recycling every week, it would be much better. Also, when did we bid out the trash contract last. Price seems high compared to others.

37	Another resident went to the village to ask if a neighbor could be asked to clean up their yard, which has become a dumping ground. They were told that no ordinance would be enforced unless a formal complaint was made. They weren't comfortable doing that, for fear of retaliation. If we want our community to continue looking nice, the village shouldn't wait until a neighbor complains.	3/26/2023 8:16 PM
38	Suamico is beautiful in many areas. Beautification is great (new fire station/vickery village/moving the old school house/nice municipal complex) but there is a difference between wants and needs, especially when resident services could be improved. You can do better by the residents.	3/26/2023 2:35 PM
39	Inadequate policing for speeding on County B. No presence.	3/24/2023 6:42 PM
40	The ladies in the front office are always so helpful and friendly	3/22/2023 5:31 PM
41	Not happy with all the ATV's running around the village. There are times when we walk in to the village hall and feel like the employees aren't thrilled to see us, but we just remain polite and after a few minutes things get better.	3/20/2023 4:15 PM
42	Moved here because it was small, getting too big, too much light pollution, pick lights that promote the dark sky, to many no parking restrictions on roads for hunters and fisherman, need to put a guardrail in the curve on Lakeview Drive/ riverside drive to protect houses from drunk/ inattentative drivers, more parking for bay access	3/19/2023 1:59 PM
43	I find the Village staff to be very welcoming and responsive	3/19/2023 10:52 AM
44	you can definitely tell the difference on lineville road when u enter howard from suamico. the road gets sooooo much better. especially during winter plowing season	3/18/2023 3:44 PM
45	Stop raising taxes and make them fair for all	3/18/2023 7:14 AM
46	I would like it if dog friendly trails were added around the NEW Zoo Reforestation Camp. There are an abundance of trails and none of them allow dogs. Thanks	3/17/2023 8:31 AM
47	I have twice as much recycling as garbage. I would prefer weekly recycling and bi-weekly garbage. The village could also do more to develop new subdivisions. Last, I would love to see something done year round with the Mountain Bay Trail (I.e. groomed for cross country skiing or cleared year round).	3/11/2023 8:10 PM
48	Like the new pickle ball courts	3/11/2023 5:37 PM
49	Like to see a sidewalk on Harbor lights road between Longview and Lakeview. A lot of people walk there and the road is very narrow . It's dangerous.	3/11/2023 5:12 PM
50	Primarily because water drainage is terrible along Bayside Rd. The dnr side of the road is not even up to code for ditch depth. Their side of the roads ditches (ground)is / are higher than the west.. the water has no where to flow. It's a problem every year! Would like to give a kudos to Steve dunks, very knowledgeable and pleasant to work/talk with	3/11/2023 9:55 AM
51	Thank you to all that provide services, great job :)	3/10/2023 3:14 PM
52	I've contacted the Department of public works about snow removal and they have been very accommodating, and understanding.	3/10/2023 11:45 AM
53	Communication is improving	3/10/2023 7:32 AM
54	None , I like what they are doing in are little village area the restaurant's, canoe launching and the little park area.	3/9/2023 7:40 PM
55	increase access to natural gas and high speed internet.. please don't forget about the areas where there are not alot of homes or subdivisions going up or on the far outskirts of the village.	3/9/2023 8:28 AM
56	It seems like the park and rec departments have enough activities for the kids. And there are events at the Townhall for the elderly. Would be nice to have walking or biking areas on the main roads.	3/8/2023 4:41 PM
57	I like the electronics recycling ability at the village.	3/8/2023 2:25 PM

2024 - 2026 VOS Resident Strategic Plan Survey

58	I'm hoping TDS will be in our area soon. We are only eligible for spectrum at this time and they are taking advantage of that. Our rates have doubled since we moved less than 2 years ago and they know we have no other options so they refuse to work with people in the area.	3/8/2023 2:04 PM
59	UTV additions were a simple but great perk.	3/8/2023 12:28 PM
60	I love the feeling of living in Suamico as a safe area with a country feel but yet I'm so close to the Highway and the Green Bay area.	3/8/2023 11:06 AM
61	neighbors have parties - loud music - burn parties / brush noting is done	3/8/2023 11:03 AM
62	I would love to see shoreline development.	3/7/2023 8:01 PM
63	Taxes be in house 10 years taxes have went up over 1800 dollars which is out of reach when nothing chNges	3/7/2023 10:10 AM
64	With the exception of ATVs being allowed to drive up and down my road at all hours of the day and night with loud mufflers and having to clean up the beer cans and other trash they leave behind on my road, everything in town is nice. I wish Rodden and the Moose Creek Mafia would come over and clean it up, but they don't have to, that's out of their "personal liberties."	3/6/2023 7:17 PM
65	Promote no pets in parks and monitor! Better service of snow plowing on roads! Re-surface roads to be in better condition Bring a big box store in for shopping-Target!!!	3/6/2023 4:43 PM
66	Mall is a mess. No planning and it looks shoddy No vision for a healthy village. Everything is no we can't do that	3/5/2023 4:32 PM
67	Better snow removal in my area. And on east end of Longtail Beach Road. New surface on Lakeview by Barkhausen.	3/5/2023 1:17 PM
68	Fix the roads!!!!	3/5/2023 10:58 AM
69	Suamico needs more multi family properties and some less expensive developments, it is so expensive to live in Suamico for a first time home owner, why not have some developments that are more affordable single family with smaller lots.... I'm not saying low income housing but affordable housing. Public water tested more often	3/5/2023 7:57 AM
70	Overall, we are very happy and satisfied living in Suamico.	3/4/2023 1:13 PM
71	Would like to continue seeing more dining options added in Suamico (fast food, takeout, sit down, family-friendly, or fine dining).	3/4/2023 12:07 PM
72	Roads need work, don't use our tax dollars for useless things.	3/4/2023 11:21 AM
73	Snow storm Evelyn caused a huge tree branch to fall in our ditch near the road. After waiting a year, we had to finally cut it up and dispose of it. All the Village did was push it there, never coming back for cleanup. What are we paying all these taxes for??	3/4/2023 8:01 AM
74	I am grateful that the village has allowed ATV's on most roads and that after a year they have made the time of use the same for both sides of the Highway.	3/4/2023 2:34 AM
75	Mobile communications dead zone?	3/3/2023 7:57 PM
76	Not all land needs to be built upon; need to maintain ruralness of Suamico.	3/3/2023 3:21 PM
77	Have attended some board meetings to express some concerns with some of the ew developments, and seems Village main concern is putting up as many homes/developments to get more tax dollars and is getting away from the rural feel which is what brought us to this area.	3/3/2023 2:37 PM
78	Not putting a three way stop on Velp & White Pine. A dangerous crossroads.	3/3/2023 1:03 PM
79	We love and value the school district.	3/3/2023 12:09 PM
80	I'm looking forward to the Lineville Rd, 4-way expansion. I'd advocate for larger lot sizes for future subdivision developments.	3/3/2023 10:49 AM
81	Love community events. Wish I could more easily find everything that was going on!	3/3/2023 8:33 AM
82	My main complaint is the vision for the future is not good. Many new businesses have come to the area, yet the main road arteries are not keeping up. The other services are good if not very	3/3/2023 6:38 AM

2024 - 2026 VOS Resident Strategic Plan Survey

good. I truly wish there was better walking paths for the neighborhoods that have been established. Roads that are 35mph with no room for walking.

83	Taxes need to be brought under control	3/2/2023 6:16 PM
84	Poor village board experience Did not uphold rules put in place to protect me. Used poor judgment and reasoning	3/2/2023 5:01 PM
85	More dog friendly parks or a dog park.	3/1/2023 7:25 PM
86	Had to call for rescue after my husband sustained an injury from falling. First responder was there really fast and rescue shortly after. They were very helpful. The few incidents I had communicating with Suamico officers, they were very polite. Garbage disposal has been prompt and it is easy to find the dates of recycling. I wish there was curbside pickup for larger items like Howard has. I would also like to be able to find out more about the programs for seniors	3/1/2023 6:50 PM
87	I would like to see a target come to the area	3/1/2023 5:30 PM
88	I would like to see leash enforcement at Sensiba. There are more dogs off leash than on. It really messes with wildlife, especially nesting birds. I lead bird walks for the Village, it is difficult with dogs running all over.	3/1/2023 3:40 PM
89	Would love to continue small town feel. Be more careful of apartments	3/1/2023 12:03 PM
90	The folks in the Village Hall are helpful and knowledgeable.	3/1/2023 10:28 AM
91	Building inspection was very good. More police presence - hire more officers - definitely needed in this society!!	3/1/2023 10:25 AM
92	Roads in Suamico are in desperate need of repair.	2/28/2023 8:00 PM
93	A small thing but a hassle - eliminate burning permits when snow on the ground.	2/28/2023 4:43 PM
94	Stormwater management has been a neglected problem for a long time & it continues to be. Also, I live in a wooded area close to the little Suamico border and I'm disappointed in the roadside maintenance. My neighborhood often looks more like Crivitz or Lakewood than Suamico with the roadside overgrowth. I believe in the last 3 years it has only been mowed annually and would benefit from being mowed monthly that only for aesthetic purposes but also to reduce the snake and mosquito population that the overgrowth encourages.	2/28/2023 3:14 PM
95	My wife and I are retired. We have no children in the Howard/Suamico school district. Yet, the largest portion of our tax bill goes to the school district. Indeed, we drive on very poor roads (Lakeview) as well as being surrounded by downed trees from past storms that no-one takes responsibility for and yet Bayport has their own custom branded weight sets for the football team.	2/28/2023 3:10 PM
96	Water quality needs to improve relative to the cost we pay for the utility. Harters needs to invest in maintaining truck so they don't leave oil or coolant leaks on the roads. Limit the number of new multi family housing being built.	2/28/2023 11:26 AM
97	Driving down velp is getting more and more frustrating. The 35 mph speed limit is slow, cops are constantly ticketing to the point of it becoming a nuisance, and cars tailgate you the whole way when you do go the speed limit.	2/28/2023 8:00 AM
98	Ban burning and loose aggressive dogs in neighborhoods. That's my complaint and I know it's others.	2/28/2023 7:48 AM
99	Suamico needs a Pharmacy and a Department Store. Like Target.	2/28/2023 7:35 AM
100	Branches have been cut from trees to clear power poles, and then left on the ground to plug up the ditches	2/28/2023 6:35 AM
101	I do not like the side by sides driven on the streets. I feel they are dangerous I have witnessed them driving extremely fast.	2/27/2023 11:32 PM
102	No forward thinking, White Pine should be extended to the frontage road from Velp to have an alternate route to 41 without going through the congestion on Lineville. Caters to special interest groups. No safe areas to walk, especially during the winter. Main arterial roads speed limits too slow, especially compared to side roads. County trunk roads should be 45mph minimum.	2/27/2023 9:24 PM

2024 - 2026 VOS Resident Strategic Plan Survey

103	Taxes are too high	2/27/2023 7:21 PM
104	Have had good service in road water damage	2/27/2023 3:20 PM
105	Leaves curbside pickup would be nice	2/27/2023 2:28 PM
106	We need more access to the bay.. more boat landings, beaches and overall access besides Suamico boat launch	2/27/2023 11:46 AM
107	Taxes here are ridiculous!!!!	2/27/2023 8:53 AM
108	This no parking both sides (one side would be acceptable) and atv use is bs! 2 houses on that length of road and there is that going on or does some town official have a power trip going on.	2/27/2023 7:38 AM
109	Not enough access to the Bay. Hook road- no parking. Lineville- very limited parking. Changed parking on Longtail Beach Rd. End of Lineville is a disaster. Not many people live there. Hardly anyone lives on that road. A LOT of guys park there with trucks and trucks & trailers for access to the bay with wheelers and side by sides. Now the road is pretty much shut down, not allowing parking on either side. There is a NO ATV's sign as well. I know Suamico wants emergency vehicle access, that is the complaint. There should at least be allowed parking on one side of Lineville all the way down. And allow ATV traffic. More and more communities are opening up to ATV travel.	2/26/2023 9:41 PM
110	Push TDS to come out to Suamico	2/26/2023 8:45 PM
111	Animal control is a joke. Plus.nobody leashed their dogs. It's a free for all.	2/26/2023 8:10 PM
112	Would like to see recycle pick up every week.	2/26/2023 6:56 PM
113	More businesses have entered the Lineville corridor, but walking and biking remain dangerous to anything east of Velp Avenue. A sidewalk or bike pathway along both sides of Lineville would make a pleasant walk to or between area businesses on Lineville.	2/26/2023 6:26 PM
114	Encourage small businesses to locate here. We have a nice small community which could have more shops and restaurants.	2/26/2023 12:41 PM
115	We have no lights on streets in our subdivision (Hawk Nest). We have many young families with little children here but streets just don't feel safe, speed limit is 25 but traffic usually goes 30-35 on average. Some light on streets, at least on corners, would be helpful as well.	2/26/2023 12:28 PM
116	I'm not totally sure what the village does for its events. But the business are doing a great job. Also I love the oil dump station. I change oil in my own vehicles. Scott	2/26/2023 10:49 AM
117	Yes code enforcement should not let family neighborhoods have auto salvage in them.	2/26/2023 9:55 AM
118	Only lived here for about a year. Love it. Only thing we sometimes wish is that recycling pick up was every week instead of every other week. We seem to generate more recycling than garbage in some weeks but it hasn't been a big issue	2/26/2023 9:04 AM
119	Need to get a community swim area/ water park strictly for residents only. Maybe an area for concerts or a fair during the summer.	2/26/2023 4:56 AM
120	Very minor but Payment website for utilities needs to be updated. It should know how much I owe every quarter. I shouldn't have to manually enter the amount.	2/25/2023 6:17 PM
121	Services in Howard were better.	2/25/2023 5:34 PM
122	Storm water run off improvements for our area are long overdue. Got to say our back ditch drainage was finally redone but the neighborhoods as a whole needs much improvement.	2/25/2023 3:00 PM
123	Lineville road is very busy. Increased lane would be essential moving forward.	2/25/2023 1:58 PM
124	Recycling pickup should be weekly. If we recycle appropriately, we generate more than waste. We end up being forced to put recycling items into trash.	2/25/2023 10:45 AM
125	Road conditions on many roads could be improved. We spend real good \$ on buildings-fire dept, village building ,etc. could focus more on wide used infrastructure	2/25/2023 7:55 AM
126	So far my experience being a home and business owner in the village has been pretty good. Taxes are getting extreme but when I see my kids amazing school I almost forget about the	2/25/2023 6:10 AM

2024 - 2026 VOS Resident Strategic Plan Survey

550 per month I pay to rent my home from the government via taxes.....yall are doing a pretty awesome job staying progressive and keeping thr community moving forward.

127	Please add more street lights. It is very dark at night and much wildlife resides in the Suamico area.	2/24/2023 8:16 PM
128	I have inquired regarding burning regulations, specifically a neighbor who has occasionally burned garbage (per neighbor) & the toxic gasses produced. My concern was basically "blown off". I believe it was a health hazard as well as a possible fire risk, as he uses a burn barrel unsupervised in close proximity to trees & without permits.	2/24/2023 7:51 PM
129	People should have a voice in things that affect them and their property. There should be bike lanes put in for people to have a place to ride a bike or walk. The roads are in rough shape and need fixing. There are no street lights in our area. The plow takes out our mailbox and we are the ones fixing it always. There are not many things for kids who don't get involved in sports to do. Maybe some kind of theatre/entertainment venue out here would be good for the youth to have somewhere local to go.	2/24/2023 4:07 PM
130	property taxes could be lower	2/24/2023 3:26 PM
131	Concerned with property tax and allowing developers to develop lot sizes below the 200ft of road frontage and 1 acre for septic. I built here 22+ years ago because of the country feeling	2/24/2023 2:04 PM
132	Please expand our park and rec opportunities! Pair up with Howard so we have access to the quarry.	2/24/2023 12:45 PM
133	Seems during the grass or ditch cutting events on town ditches, The tractors don't extend the cuts into the ditch itself. Water backs up and creates the perfect environment for mosquitoes.	2/24/2023 10:21 AM
134	You could do more to let residents know about Community events and senior citizen programs.	2/24/2023 8:48 AM
135	garbage only fair...often I have to put carts back on it's wheels and too often I have to pick up recycled papers that missed the truck somehow.	2/24/2023 8:48 AM
136	Would love a walking/ bike lane on white pine road. Unsafe to walk on/ ride bike on	2/24/2023 8:21 AM
137	Criminal activity reduction in the area needs to improve	2/24/2023 4:05 AM
138	I appreciate the yard waste area for residents. I also like how Vickery Village has been developed.	2/23/2023 9:14 PM
139	Need more healthy food options.	2/23/2023 6:35 PM
140	Please install a engine braking sign on Cty B for EB trucks turning left at Pine!	2/23/2023 5:02 PM
141	More rec dept activities would be great!	2/23/2023 3:53 PM
142	Can recycling be picked up every week?	2/23/2023 1:33 PM
143	Water quality is hard water and has a chemical odor at times Sewer cost is high and with water a lawn there is very little discount. The park by village hall needs a paved walking path from Vince lane dead end to hall parking lot. Parks are not pet friendly. For the amount of taxes there is very little street lighting.	2/23/2023 12:54 PM
144	Would love to have large garbage item pickup, as they do in Howard.	2/23/2023 12:44 PM
145	I'm fairly certain the responses seem like complaining...but these are things that neighboring municipalities have. There are some good things (like the police officers and snow service), but there are a number of items that should be rectified to improve way of life in Suamico. Wasting the extra money on the fire department could have been spent more wisely some place else. Also, the grass / rubbish removal is basic stuff...I hate having to drive to the dump to get rid of that every week in the summer.	2/23/2023 12:27 PM
146	For how high our taxes are I want to see having our own full time services (own full time police and full time fire) we need more community engagement events such as food truck rally events, movie in a park etc. Also our roads need work! Wider shoulders for walking. Roads are falling apart! Love our community but we need to step up in certain areas. Enough with expanding the schools we now need to focus on the rest of the community!!!!	2/23/2023 12:24 PM
147	No interactions in last three years	2/23/2023 11:29 AM

2024 - 2026 VOS Resident Strategic Plan Survey

148	Reported to Village about fact that neighbor didn't put culvert in and nothing was done from what we can see. Will be interesting in spring when snow melts.	2/23/2023 10:32 AM
149	Would like to see more development of community and public areas.	2/23/2023 10:24 AM
150	Speed limits are rediculously low on some major roads!	2/23/2023 10:10 AM
151	Met with the zoning officer and found him to be unfriendly, rigid, and not very customer focused.	2/23/2023 9:43 AM
152	You need to change the rules for UTV. The speed limit less than the cars is a hazard and it frustrates the car drivers. You need to sand the icy intersections. New gravel on in the Elvia Cinnamon ridge neighborhood-all streets. Stop fixing old barns that don't have a purpose.	2/23/2023 9:23 AM
153	Reduce the number of apartments and condos.	2/23/2023 8:29 AM
154	Having lived in the Village of Howard & then choosing to live in the Village of Suamico I do NOT want to see Suamico move in the direction that the village of Howard has taken. That is to say all the building of apartments and businesses, it is just ridiculous! I like our quaint little community with top notch restaurants, parks & quality of life.	2/23/2023 12:56 AM
155	If it would save money, my opinion is that garbage pickup wouldn't need to be each week. I would do recycle one week and garbage the next.	2/22/2023 8:21 PM
156	Need more traffic enforcement	2/22/2023 6:44 PM
157	Sewer and water billing is unreasonably high. Real estate taxes are also unreasonably high and some historic/legacy Suamico residents appear to have undervalued land values and thus low or below market related property taxes.	2/22/2023 6:17 PM
158	more walking trails or side walks	2/22/2023 5:43 PM
159	Look at replacing the ditches on Birch Rd or update the culverts	2/22/2023 5:42 PM
160	Would like more walking/sidewalk trails	2/22/2023 5:40 PM
161	Overall we've loved living here. Biggest concern is money wasted on schools/unnecessary programs and the resulting cost of property tax/utilities.	2/22/2023 5:09 PM
162	Rarely is our road plowed. Many lights in our area out. Roads are terrible.	2/22/2023 5:06 PM
163	I would love love love a side walk put in on Vel that goes from B (near Subway) all the way to Lineville. I see so many people walking/riding bike on Velp and it would be so much safer with a side walk. Even if it's just a sidewalk on one side of Velp, it wold make a huge difference! Thank you!	2/22/2023 5:02 PM
164	It's not really a service when you charge me \$50 to recycle computer monitor.	2/22/2023 4:39 PM
165	New subdivision lot sizes should not be compromised which has been happening of late. More bike/walking trails should be developed. ATV/UTV should not allowed on the roadways.	2/22/2023 2:55 PM
166	Road maintenance Lineville Road Cry J	2/22/2023 2:53 PM
167	Not happy that the bord authorized atvs on village streets By keeping the issue under the radar The issu e should have been voted on the the residents of Suamico as it definitely has negatively affect quality of life in the village	2/22/2023 1:58 PM
168	I live on a corner. why does the snowplow have to plow all the gravel in my lawn, I am in my 80`s is getting hard to rake it out every year.	2/22/2023 1:14 PM
169	Friendly. Efficient	2/22/2023 12:43 PM
170	Snow removal has improved dramatically on our street. Garbage collection is well done. The costs for water/sewer are exhorbitant due largely to overbuilding the treatment facilities. We are migrating from a rural community to an urban one. The challenge is to not lose our identity as a Village along our journey.	2/22/2023 12:30 PM
171	Traffic enforcement is poor. I know with the mentality of today's drivers it's a huge challenge, but it has to be done. Once you get a reputation of enforcement the word gets out.	2/22/2023 12:10 PM
172	Please stop developing the land. We won't have any rural or green space left!	2/22/2023 11:50 AM

2024 - 2026 VOS Resident Strategic Plan Survey

173	We need more restaurants. Not fast food. It would great to have them throughout the village, not just on the Velp / Lineville corridor.	2/22/2023 11:25 AM
174	I feel like Village Trustees should be open to meeting with constituents who request time to be heard. I recently had a request denied by Dan Roddan.	2/22/2023 10:12 AM
175	There should be term limits to those who are elected officials, current board. Leadership needs to change. Residents should be heard, treated with respect and worked with, not against, considering we are paying your salaries.	2/22/2023 9:22 AM
176	Thank you for your service!!	2/22/2023 9:20 AM
177	County rescue personnel not fit (fat/obese). Could not lift 87 yr old 116 lb stroke victim woman out of a split level without external help.	2/22/2023 9:11 AM
178	All the services have been great for the most part. Recycling needs to happen weekly, but otherwise no real complaints.	2/22/2023 9:05 AM
179	You have "Village of Suamico" and then "Village of Howard" flags all down Lineville Road, and we pay higher taxes in Suamico, but Howard has curbside yard waste removal but we won't. I am angry about this! If you're going to advertise that we're "sister villages" we should have the same benefits!	2/22/2023 8:33 AM
180	You need new home assessors. They are assessing way too much off the market value and that to me is called appraisal. People that live near me have trash out and park in their front yard and because they don't take care of their home and property, they pay way less. They still have real estate, walls and a roof. Homes should be penalized for looking dumpy and un maintained. Stop making the people that give a shit make up for the dirt balls. Thank you this opportunity.	2/22/2023 6:32 AM
181	Snow plow service on village streets is very timely and effective. Keep up the great work.	2/22/2023 6:26 AM
182	All staff at Town Hall are friendly and competent	2/22/2023 2:28 AM
183	Dogs should be allowed on park trails on a leash. We and many others leave suamico for other parks because of this. Most people that walk or jog daily prefer to take a dog with them.	2/22/2023 1:59 AM
184	I would like the speed limit lowered from 45 to 35 on County J from County B to Timber Trail or even further north. Currently it goes to 45 at approximately the intersection of B and J. Cars and motorcycles are oftentimes at 55 or 60 in this are and it's a residential neighborhood. There are cyclists and walkers and children and homes very close to the road.	2/21/2023 8:56 PM
185	We love being far enough away from crazy city living that we can enjoy foxes, deer, turkeys, etc. We are not looking for any booming development. We enjoy the space, quiet, and intimate neighborhood.	2/21/2023 8:49 PM
186	Keep bringing community events and expanding activities/ eateries / businesses	2/21/2023 8:30 PM
187	Too many roundabouts. Roads need to be reservised. Retired residents shouldn't have to pay School tax. We never had kids in this school district.	2/21/2023 8:14 PM
188	You waste every penny you tax us. Fox the pot holes and stop wasting our money. Let the private sector do it properly for 90% less	2/21/2023 7:58 PM
189	The existing compost facility is often nearing capacity for drop off during the summer and fall season. Some thought to expansion or better traffic flows would be beneficial.	2/21/2023 7:53 PM
190	All good other than when I inquired about large cottonwood trees along the road and concern of branches breaking off and possibly landing on passing cars. I received a rather rude and defensive response from public works which I felt was unnecessary.	2/21/2023 7:46 PM
191	Property tax growth each year is unacceptable. My taxes have been going up over \$400 each year.	2/21/2023 7:25 PM
192	Andy and alex are excellent at listening to issues and trying to resolve them as soon as possible. They are very friendly -as are all the ladies at the village office.	2/21/2023 7:12 PM
193	And how about if we hook everybody up the sewer and water even if they're sitting on the village board because the more people on it the less expensive it is maybe this isn't true anymore	2/21/2023 7:04 PM

2024 - 2026 VOS Resident Strategic Plan Survey

194	Please do not add more street lights. One of the wonderful things about living in Suamico is the minimal amount of light pollution at night!!!	2/21/2023 6:30 PM
195	Why is everything so expensive	2/21/2023 6:01 PM
196	1. As population grows we have doctors, nurses and other essential workers living in our community that need to get to work inspite of snow. So snow removal should be done before day light and not delay just because school start is delayed. 2. As the number of subdivision grows we need more roads/wider roads. Velp and other main roads gets very congested during peak hours. As the years go by traffic bottle necks in our neighborhood is going to be a major issue.	2/21/2023 5:58 PM
197	Voted today and saw all the new electronic devices. Has me very concerned the more digital we go the more room for corruption. We must ensure fair elections.	2/21/2023 5:53 PM
198	Storm water drains poorly from my yard and from the street in front of my house. Lots of potholes, raised manhole covers, and unplanned speed bumps in town. Very frustrating. Snow removal has gotten better in the last couple years. Not great, but better. Sometimes it's late in the day before they come through. That's frustrating.	2/21/2023 5:45 PM
199	Park trails at Calavera that a lot of us walked our dogs on and enjoyed nature and got exercise but are now restricted because of a FEW who let their dogs run wild and now all of us are banned. Why not talk to/restrict those who have these pets versus punishing all of us. Again, ridiculous. Hope you are happy because now no one uses those trails. What a waste	2/21/2023 5:44 PM
200	Not happy with allowing commercial buildings so near to residential space and the associated light pollution they cause. There seems to be little effort in regulating this.	2/21/2023 5:41 PM
201	We have had water issues on our property for quite some time. Last year the village came out and did some work but still did not fix the issue. We are pretty disappointed as this issue has been going on for years and it affects the entire neighborhood. 3126 Hawks Landing Way	2/21/2023 5:39 PM
202	I would like to more bike paths connecting along busy main roads.	2/21/2023 5:38 PM
203	I am appreciative that the atv/utv routes have been implemented and successful. I don't want Suamico to turn into a small suburb of Green Bay like Howard has become. We live here due to proximity paired with being removed from the 'city life.' Please keep moving in the direction of the small town feel that Suamico is known and cherished for ❤️	2/21/2023 5:21 PM
204	I feel the village does not always spend tax payer money wisely. Benches along the sidewalk by Idlewild park are unnecessary. Water management in the ditches along Lakeview, Parkland way and Wilding way is handled well. Work with county to improve road conditions and repaving projects.	2/21/2023 5:17 PM
205	I am so disappointed in the lack of walking trails and outdoor activities in Suamico. Howard has done such a wonderful job with theirs. I have responded the last 17 years to these surveys before, asking for more walking trails. I recently went to Calaverra Park with my dog and saw a no animals in park sign. That Park is so big. Can't there be a spot for families and their pets? There is no dog park in Suamico either.	2/21/2023 4:45 PM
206	Love the solederity, wildlife, Pine Lane should be 35 mph, to many people speed and a lot of children reside	2/21/2023 4:44 PM
207	I disagree with not having wisteria circle as a village street...other streets with non conforming lots are part of village roadways	2/21/2023 4:34 PM
208	Everyone I have interacted with has been very nice for the most part	2/21/2023 4:34 PM
209	Snow plow drivers need to keep the gravel on the side of the road not pushed into my grass so my tax dollars don't need to be spent replacing it	2/21/2023 4:30 PM
210	generally good. bay of green bay access needs improvement. 1.parking on hook road, 2. parking on east end of lineville rd, that would be a good start.	2/21/2023 4:08 PM
211	Wish we could get pick up for Christmas trees and large items	2/21/2023 4:01 PM
212	I am not a big fan of ATV vehicles on our roadways. They are loud and don't obey the speed limits. This should have been brought to a referendum and voted on. They are a accident waiting to happen.	2/21/2023 3:46 PM

2024 - 2026 VOS Resident Strategic Plan Survey

213	I believe new subdivision developments should be held to a higher standard going forward. As a resident of a new subdivision, there have been lots of advancement in subdivision developments in the last 20 years, yet our newest subdivision still fall victim to planning deficiencies. The perfect example is the fecuse/North Gate "inner-circle" of lots. Very few municipalities would approve that type of back to back small lot land use that strips character for developments. New subdivisions also typically include broader requirements for public use that none of the new subdivisions include. This would include things like small, low cost parks, walking trails, land retention ect. Suamico is behind in the requirements for this developments, and it would be nice to see them improve and reflect on some of the mistakes subdivision planning has made in the past.	2/21/2023 1:34 PM
214	Want trails and sidewalks to make walking safe along rural roads which is totally dangerous.	2/21/2023 1:01 PM
215	Great leadership of the trustees. We've seen definite improvements in the 18 years we have lived here.	2/20/2023 2:06 PM
216	Need to accept that Suamico is no longer a rural community and improve infrastructure to match needs of the community	2/14/2023 4:46 PM
217	Very upset that a letter about a village meeting addressing the speed change of our street arrived after the meeting. The ATV boundaries are not enforced.	2/13/2023 10:51 PM
218	Center growth to maintain the feel of rural living. A recent property purchased by Calvera Park wishes to establish a German Shepard rescue on the 5-acre (?) property. I would not wish for anyone to leave next to an animal rescue. How did a residential property turn to commercial property without notification or input from the neighborhood(s).	2/13/2023 2:11 PM
219	The village should look at bringing city water to more parts of the village, such as Hunters Run. The village should be trying to get more shops and restaurants as well.	2/13/2023 7:48 AM
220	The ATV/UTV routes are not enforced. I often see people driving on B. I'm disappointed that is was ever allowed in our village. Also Blazers Acres needs to hire someone to help with people crossing B during their fall events. The rate of speed on B in my opinion is not conducive for allowing people to safely cross. Many times traffic is held up or slamming of brakes.	2/12/2023 6:03 PM
221	Wish recycling was weekly but know that is an added cost too.	2/12/2023 8:27 AM
222	Velp Ave is extremely dangerous, kids can not get to school safely. No sidewalks or bike lanes to connect major streets with neighborhoods. The intersection at Velp and White Pine needs to have a light, round about or 4 way stop- too many high schoolers taking chances. Harbor lights road doesn't have sidewalks so kids can not walk to school, not safe for bikers or walkers. this village is not connecting communities. Take a look at Omaha, NE, all the neighborhood developments connect to encourage exercise and community. This area loves to stick to it's own..	2/12/2023 7:26 AM
223	We had a very disappointing experience in relation to the historical society. The planning group provided compromised solution and their input was ignored. I have already provided direct feedback but just very disappointed in the process of the board excluding sky as he was not present and ver missed. I hope there is more fairness in the future as this group did not do what they said and the building sat very unsafe with kids playing by it. Very glad no one got hurt.	2/11/2023 7:17 PM
224	Please fix Veterans Avenue, my car can't handle it any more! Lol	2/11/2023 4:51 PM
225	The only complaint is I have a house alarm system, you charge me for this every year and if I have any false alarms you start penalizing me, I'm sorry I am not as perfect as your services, or is that not right? You claim human error and so do I, If an error gets charged for performing your protections services, you should also be charged when not performing almost perfectly!!!!	2/11/2023 4:11 PM
226	More walking and bike trails sorely needed to travel the town vs vehicle traffic	2/11/2023 2:37 PM
227	Yard waste center is always backed up. One way in and out, needs to be drive through. Leashed dogs are unwelcome in any parks. Why? We pay taxes and dog licenses. Need more senior activities Need a central safe place to walk in the village where we won't get hit by cars or fall on slippery roads. Walking is a basic form of exercise. Doesn't cost money like pickle ball or tennis courts that serve a select population	2/11/2023 2:31 PM
228	It would be good to relax the 2 acre minimum for residential living. Property is tough to come by and unaffordable.	2/11/2023 11:56 AM

2024 - 2026 VOS Resident Strategic Plan Survey

229	Weekly recycling pickup instead of every other, would be fantastic.	2/11/2023 11:19 AM
230	Need more parking for ice access on that reaource	2/11/2023 9:24 AM
231	I'd like to see improvements to some of the residential streets that haven't received attention in quite some time. "No outlet" or "dead end" signage would be nice on appropriate streets to remove unnecessary traffic. Would also like to see some traffic control on Velp/Riverside Dr. area as many vehicles blast through and makes it unsafe for pedestrians to visit the Vickery village area. Traffic through the Velp/Cty B round-about is also absolutely nuts.	2/11/2023 9:19 AM
232	There needs to be more 55+ communities offered to retirees who sell their homes and wish to move into apartments or condos. There needs to be a more dog friendly environments in every aspect of living in this community. Dogs are becoming large parts of our families in this part of Wisconsin. There needs to be more arts/music festivals in this area. I for one would like to organize one of these and wonder how likely that is to add on this type of family activity to our calendars. We have a nice little park (near Vickery Village) in Suamico to start with!	2/11/2023 7:47 AM
233	I would like to see more village activities offered for families.	2/10/2023 10:30 PM
234	Sidewalks are needed, our taxes are so high and we get nothing like Howard residents. Streets are dark.	2/10/2023 10:19 PM
235	I do think that a new playground is needed & more family events. There are so many kids & families & just not a ton of playgrounds in the area for them to play on.	2/10/2023 10:18 PM
236	My biggest concern is lack of safe walk/bike ways. I've lived in the village for 15 yrs. The people that have always lived here like to highlight the "rural" feel of this Green Bay suburb. In reality, this is a robust suburban community. With growing families in the village, we lack any type safe sidewalk / bike lane / shoulders. Our roads are so narrow that I would never let my children ride bikes to a friend's house. This limits the interconnectability among residents and families. Additionally, adequate street lighting is non-existent.	2/10/2023 10:03 PM
237	The board does not care about, nor listen to constituents.	2/10/2023 9:49 PM
238	My family appreciates the community involvement from the fire department and police at community events including trick or treating and community night out.	2/10/2023 9:24 PM
239	Love the gardening program.	2/10/2023 9:03 PM
240	Things we would like to see: large item pick up, leaf pick up, better street lighting, water bill monthly	2/10/2023 8:49 PM
241	I would like to see more pedestrian walkways for exercise/leisure walking	2/10/2023 8:34 PM
242	Road planning and Village development is a concern of mine. It doesn't seem as though the updates are well thought out (few connecting roads anywhere which causes more traffic, not keeping growth in mind for infrastructure)	2/10/2023 8:33 PM
243	I love that Suamico feels small, homey and safe. I appreciate that it isn't as built up as other areas but still boasts plenty of restaurants and amenities.	2/10/2023 8:17 PM
244	I miss shopko. I would like to see Suamico encourage another box store to come to market Suamico.	2/10/2023 8:03 PM
245	Would like a nice walking trail where we can take our dog. Love to keep the rural feel!	2/10/2023 7:44 PM
246	Would love to see weekly recycling pickup added, as well as bi-monthly brush pickup May-November. Not all of us have the means or physicality to get to the community drop site	2/10/2023 7:37 PM
247	Cars speed horribly down Longview Ln. the speed limit is totally ignored and is the road is used by people to avoid Cty hwy J. It is very dangerous and there needs to be some kind of monitoring or enforcement.	2/10/2023 7:17 PM
248	The people working at the Village office do a great job.	2/10/2023 7:17 PM
249	Need recycling pick up weekly.	2/10/2023 7:09 PM
250	I think it would be nice to slow residential expansion particularly multi family dwellings and small lot subdivisions.	2/10/2023 6:59 PM
251	I am happy with the services. I would love to see a park program like they have at	2/10/2023 6:46 PM

2024 - 2026 VOS Resident Strategic Plan Survey

	Meadowbrook in Howard or a swimming facility for Suamico. (An indoor hockey rink would be amazing)	
252	Garbage services are on and off consistent with service	2/10/2023 6:38 PM
253	Support walkability and bikeability of the village, thank you	2/10/2023 6:28 PM
254	The water quality needs to be improved. The water contamination is absurd. It's a health risk for the residents and wildlife.	2/10/2023 6:28 PM
255	We need recycling picked up Every week. If you want people to recycle, pkup more often or they will throw it in the garbage. Also, it would be great to start having a compost program . Thx	2/10/2023 5:48 PM
256	Why does the new captain truck for suamico fire department not marked "Suamico fire department"? It seems as if it def. should be.	2/10/2023 5:46 PM
257	Road conditions on non main streets are not the greatest. Drainage issues at times seem abundant. The new at law is not informed with loud atmosphere and off road vehicles running around all hours of the night causing disturbances.	2/10/2023 4:35 PM
258	We lived in Howard for 17 years and went to many events, restaurants and stores in Suamico. We used the boat launch almost weekly in the summer. Lots of traffic and sometimes angry people but I nice place to launch. I think more parking is needed.	2/10/2023 4:25 PM
259	Need leaf/brush pick up	2/10/2023 4:13 PM
260	Better options for water Continually assess ways to lower taxes	2/10/2023 4:06 PM
261	Fire Chief Joe Bertler was great example of the professional service providesby Suamico Fire Department. I've had numerous interactions with him throughout the last couple years and each has been greatly positive.	2/10/2023 3:37 PM
262	I've had positive experiences this far. However, I'll go back to crack filling on many side roads. Velp is great!	2/10/2023 3:07 PM
263	For the amount of property taxes you take you think the roads would be better.	2/10/2023 2:28 PM
264	It would be nice to have yard waste pickup. I know of the yard waste area but is inconvenient for some people.	2/10/2023 2:19 PM
265	I love the area and it could be great, but we just keep jamming in new apartment complexes and subdivisions everywhere possible, yet we still have to drive 20 mins to get to target, aldi, tj maxx, Ross, kohls. It's especially difficult considering there was a shopko here and now it's a storage unit. We need useful retail. If we're going to bring more and more people into our community, we need to offer more "city" amenities. I'd love to see fitness classes offered as well. Ashwaubenon parks and Rec has great program options for their residents! Would also love to see suamico separate themselves from Howard a little bit and offer things like 4th of July events, parades, public pool/splash pad.	2/10/2023 2:06 PM
266	In general I am a satisfied resident, my main issue is the lack of road sharing with pedestrian and bikes. Roads are too narrow and many of the shoulders aren't kept up so while we can go to mountain bay, that added 15 min. Each way really deters consistent physical activity.	2/10/2023 1:57 PM
267	Living out on Resort Rd, I wish there was more done to mitigate water issues with the ditches especially in the spring. I also wish something was done to add a parking area for Sensiba trail entrance off Resort Rd as it is hazardous being a narrow road and cars parked on the street.	2/10/2023 1:51 PM
268	Steve the building inspector is great to deal with!	2/10/2023 1:45 PM
269	High end shops are nice but not everyone can or wants to afford or frequent then. Some more moderately priced places would be nice.	2/10/2023 1:43 PM
270	Suamico is in need of a drug store/pharmacy such as cvs Walgreens to replace shopko!!!	2/10/2023 1:41 PM
271	N/a	2/10/2023 1:31 PM
272	Recycling services coming every other week is not often enough. Because of this I see a lot of garbage floating through our neighborhood because everyone's bin is overpacked. Recycling should be encouraged not discouraged as I'm sure people toss more than recycle due to this.	2/10/2023 1:30 PM

273	Overall, very happy with the village. The railroad crossing on Harbor lights and on Wood Lane is atrocious. It gets worse and worse. I know it's a real road responsibility, but it does not appear enough as being done to hold them accountable. I'm hoping Harbor lights can be redone as it is in terrible shape again overall very happy with things but wanted to share a couple areas of improvement!	2/10/2023 1:26 PM
274	We just moved here a year ago. So far we love the neighborhood and the village. Suamico has a lot to offer. The school district is amazing and I am very appreciative to the police department who took one of my concerned calls and actually did something. Happy with the all the services provided as well.	2/10/2023 1:24 PM
275	We need more kid places, splash pad, swimming, sledding, etc.	2/10/2023 1:16 PM
276	Need more walking or bike options. Way too many walkers on roads with no shoulders. Further develop downtown Maintain Lot size and water management as housing count and density increases	2/10/2023 1:14 PM
277	Enjoy Suamico living. Please improve safety or consider adding bike lanes for Velp Lineville corridor is also dangerous for any walkers or bikers - should have had better planning for all of the traffic it holds	2/10/2023 12:48 PM

Q12 In your opinion, what is the most important issue facing the Village of Suamico in the next 3-5 years?

Answered: 776 Skipped: 439

#	RESPONSES	DATE
1	Meeting needs of the people who own property in Suamico and being able to continue with the current growth.	5/8/2023 11:24 AM
2	Qualified, accountable leaders who consistently engage with residents to enact and enforce necessary, meaningful policies and changes.	5/6/2023 9:30 AM
3	If we want to keep a rural feeling--lot sizes then need to be 2+ acres at a minimum. We also need to look at business development along 41 and get an industrial park going that will generate taxes and keep people here for work vs. driving into Green Bay or any of the suburbs vs. working here. I also don't want to see Suamico turning into Howard and going apartment development crazy as that totally turns off residents. Many moved out here to get away from this type of housing.	5/5/2023 12:05 PM
4	I am concerned with taxes continuing to go up with no visible change in services such as road improvements	5/5/2023 7:08 AM
5	Loosing of wooded areas, natural nature, lots to small with houses too big.	5/4/2023 4:57 PM
6	Generational flipping of 30 year old subdivisions being unaffordable to younger prospective homebuyers	5/4/2023 11:17 AM
7	Ensure crime stays south of lineville	5/4/2023 6:29 AM
8	1. Unchecked urbanization 2. losing rural charm 3. too much noise "toys" (ATVs) & barking dogs 4. no pride in past community values	5/3/2023 3:16 PM
9	Managing land use	5/3/2023 1:51 PM
10	Younger generations moving and building in the area (positive) but not enough events and general shopping options to maintain the steady increase in population. A target or Walmart would be amazing, along with more community events (example: farmers markets).	5/3/2023 9:30 AM
11	Stop building apartments and keep area country with more than 2 acres per single family home.	5/2/2023 1:41 PM
12	Growing pains and providing easy access (bike and walking paths)	5/1/2023 8:50 PM
13	Expansion on Lineville	5/1/2023 3:22 PM
14	Urban sprawl, taxes, road repairs, cost of water	5/1/2023 7:04 AM
15	Taxes, you need to lower them. And why did you build a huge fire station. Expensive to no gain. And the water here tastes horrible	4/30/2023 3:30 PM
16	Too many subdivisions making us an extension of Howard and eliminating wildlife with the rural lifestyle	4/30/2023 12:29 PM
17	Keeping taxes low and providing services as the businesses grow.	4/30/2023 11:52 AM
18	Over population	4/30/2023 12:02 AM

20	I think it is important to consider our long term plan for a safe and reliable water system. I would like the village to assess the possibility of connecting to the NEW water system as an alternative to additional investments in its system of wells. I understand that the expense could prove to be unacceptable but a cost/benefits analysis might be a good place to begin. I don't have long term confidence in the safety of wells in regions with agricultural presence or expanding residential and business development.	4/29/2023 11:17 AM

22	Residential development will put stress on all services. It may be necessary to build more schools, which will raise the tax rate here. There doesn't seem to be much code enforcement here. Scattered across the community are many substandard and dilapidated dwellings. There is lax enforcement of the use of fireworks. The Village permits large-scale fireworks shows put on by residents. There is no enforcement or standards for noise that I've ever experienced here.	4/29/2023 8:58 AM

246	Rising tax burden on home owners and infrastructure upgrades to address increasing population	3/1/2023 7:34 AM
247	Managing growth issues	2/28/2023 8:03 PM

249	Taxes, improving roads, urban sprawl	2/28/2023 5:54 PM
250	Controlled growth - minimum acreage in many areas once you get further north of the Lineville commercial areas	2/28/2023 4:46 PM
251	Water and storm management. Village needs to press non-resident land owners on cleaning up storm damaged trees, vegetation and signage. Specifically in the Woodington subdivision. Storm damage prevents natural drainage, prevents proper evaporation to help mitigate moisture buildup and is an eyesore and quite frankly irresponsible property stewardship. This needs to be addressed immediately.	2/28/2023 3:28 PM
252	1. Stormwater management 2. The expansion of city sewer and water services throughout the community.	2/28/2023 3:17 PM
253	Growing too fast for services offered	2/28/2023 2:59 PM
254	Schools! More \$\$ goes in, but education goes down! Too focused on the buildings and not the teachings.	2/28/2023 1:58 PM
255	Developing neighborhood commerce areas to support community needs. (Also layer in traffic congestion lineville, but that's being addressed)	2/28/2023 1:29 PM

257	Continuing to think we need to build bigger and better.	2/28/2023 11:36 AM
258	Suamico prides itself with access to outdoor pursuits, these need to be maintained and expanded. Access to water activities/fishing, boat launches and lack of parking needs to be addressed as a priority.	2/28/2023 10:16 AM
259	Rising taxes and too much village oversight	2/28/2023 9:49 AM
260	Stop raising taxes.	2/28/2023 9:26 AM
261	Something needs to be done to facilitate bike and walking traffic. It's terrible to see all the kids riding bikes on Velp in the summer to get to Bay Port. I see drivers swerving on that road all the time as they text, and this area needs a bike/walking path to encourage less driving and improved safety.	2/28/2023 9:16 AM
262	Crowding, velp traffic and police patrol of velp speed limit.	2/28/2023 8:03 AM
263	Over population and crowding. With that apartments and then next comes crime.	2/28/2023 7:52 AM

281	limiting the amount of multi- family construction so that it does not lower residential property values already established.	2/27/2023 11:14 AM
282	Keep Suamico a nice, safe place to live for middle and high income families, do NOT build any low or mixed income housing. Do not take any dfederal money to do that, it always come with strings attached. KEEP SPENDING DOWN.	2/27/2023 10:07 AM

285	Growth	2/27/2023 7:39 AM
286	Education	2/27/2023 12:53 AM
287	Not enough access to the Bay. Hook road- no parking. Lineville- very limited parking. Changed parking on Longtail Beach Rd. End of Lineville is a disaster. Not many people live there. Hardly anyone lives on that road. A LOT of guys park there with trucks and trucks & trailers for access to the bay with wheelers and side by sides. Now the road is pretty much shut down, not allowing parking on either side. There is a NO ATV's sign as well. I know Suamico wants emergency vehicle access, that is the complaint. There should at least be allowed parking on one side of Lineville all the way down. And allow ATV traffic. More and more communities are opening up to ATV travel.	2/26/2023 9:41 PM
288	Lowering taxes, not raising them like you just did	2/26/2023 8:47 PM
289	Growth & raising taxes	2/26/2023 8:28 PM

292	Need to stop the over development as we have too many apartments and subdivisions	2/26/2023 6:32 PM
293	Keeping a small town feel while accepting the growth of the community.	2/26/2023 6:27 PM
294	Reducing the development as it's becoming too congested with apartments and new subdivisions. Let there be land to enjoy the country environment.	2/26/2023 6:18 PM
295	Growth	2/26/2023 4:40 PM
296	Maintaining Suamico's rural feel. We chose to live here because we like having land, a well, and we like living in a rural area.	2/26/2023 2:47 PM
297	Bay access being so limited.	2/26/2023 2:45 PM

312	road repair/maintenance, Don't build on every open piece of property. Green Space is good.	2/26/2023 10:33 AM
313	Just like everywhere. If you're not shrinking government oversight and intrusions on personal Liberty you're not headed in the right direction. The only expansion of govt should be in the services it's provides and the upkeep of infrastructure.	2/26/2023 9:58 AM
314	High taxes	2/26/2023 9:56 AM
315	Traffic, not very safe for atvs or pedestrians (could use more sidewalks)	2/26/2023 9:33 AM

323	Spending on leaf and large item collection instead of continuously increase fire and police spending.	2/25/2023 5:36 PM
324	Continuing to invest/reinvest in the schools in the face of "I pay too much in taxes already"	2/25/2023 4:29 PM

343	Walking/Bike paths	2/24/2023 11:42 PM
344	Growth	2/24/2023 9:19 PM
345	Suamico seems to be thriving, just would like to see more businesses, maybe it would attract more growth within the community. Would also like to see more parks, activities, etc for the children in Suamico. As a mother there is almost nowhere for my child to play or nothing to do. Green Bay has a variety of activities and places such as bowling, Bay Beach, trampoline parks, actual parks, etc. The only attractions here are mini golfing and The New Zoo. Suamico seems to only have bars and restaurants.	2/24/2023 8:26 PM
346	It is of great concern to current Suamico residents that the character of the community NOT be altered by high density developments or apartment complexes. Also, I have noticed recent fast food businesses being built in the area of Velp & Lineville, ie. Taco Bell & another carry out pizza. These are all low wage employers. I have seen several small businesses come & go, with limited success, including the health club now sitting empty. I'm not sure what the problem is or the solution as how we can best support a diverse business community.	2/24/2023 8:15 PM
347	Multi unit housing	2/24/2023 5:12 PM

472	Getting a cap on runaway growth. Suamico's biggest appeal is that it has been a small, friendly, peaceful and nature-heavy town. We need to make sure it is kept that way. A hard line in the sand needs to be kept at the Howard border as far as population density (Howard has way too many high-density housing developments, and more in the works), and we also do not want or need Suamico to be an endless swatch of subdivisions. Suamico is a small town and "in the country" a bit. That literally is it's entire charm. Changing this further than it already has will drive residents, their families and their money out of it. Don't push out the people who have been here for generations.	2/22/2023 9:09 AM

499	Too many people moving to Suamico or building new homes where residents have lived in peace for many years. Especially realtors that are buying farm fields and developing them into subdivisions with homes built way closer to one another than they should be. That ruins peace, turns the country into the city, and promotes more crime. Large lot sizes are the only way to maintain a peaceful village and keep residents happy. If that is not maintained and if citizens are forced to pay for anything they don't agree with they will no longer be happy and the peaceful village of Suamico will turn into a city which nobody I know wants. Q13 Do you support an increase in taxes to add an additional full-time firefighter? The tax bill impact would be approximately \$16 annually for the median assessed valued property of \$277,000 (\$32 for an assessed valued property of \$554,000).

42	Are firefighters working excessive overtime because we don't have enough staff? Are calls going unanswered or longer service times because we don't have one more FTE? If answer to both is yes, then I'd support it, but I'd expect that decreased overtime pay would offset tax liability.	3/1/2023 10:01 AM
43	Taxes are high enough. I am considering moving from Suamico because I already pay \$6000/yr in taxes. Given the choice of increased fire services or more school spending I would have supported hiring a firefighter	2/28/2023 5:58 PM
44	My concerns are with the distance to water to put out a fire in my neighborhood. The additional firefighter won't help if there's no water available to fight the fire. I certainly would have supported additional firefighters over and above the construction of the fancy new fire station.	2/28/2023 3:21 PM

106	Fire department management needs to look at the department and how it is managed in terms of efficiency before full time employees are hired. The department is at times miss managed and favorites are played. Sometimes making questionable decisions that are not in the best interest of the department but only one person.	2/10/2023 4:40 PM
107	While I support this increase a more progressive approach needs to be considered. With consolidation with GBFD we can increase staffing and also get automatic full-time response for a more vast pool of resources.	2/10/2023 3:42 PM

3	Need a policy for reviewing impact and limiting of short term/daily rentals to multi unit neighborhoods and not single family residential areas.	5/6/2023 9:36 AM
4	I think residential development should be controlled to maintain the rural character of our village. Small developments may be appropriate but should be carefully planned to maintain the rural character.	5/5/2023 7:12 AM
5	Not sure	5/1/2023 8:51 PM
6	Seems like the village wants to develop every vacant piece of land whether it makes sense or not. The area east of Seafarer is a good example. The proximity to the bay, state land (preserve) makes this an environmentally sensitive area. Also, the infrastructure leading to this area doesn't support it. The roads are narrow with minimal shoulders. Adding housing increases traffic which the roads around the area cannot support. Lastly, this is a very wet area that doesn't have proper water management	5/1/2023 7:17 AM
7	Should be up to developers to see where demand lies	4/30/2023 11:54 AM

40	This is one of the main reasons we purchased a home in Suamico. We would reasonably consider relocating if it became significantly more urbanized. 61	See my previous comments regarding growth. Suamico has experienced a huge amount of growth over the last 10 years and the number of housing developments and neighborhoods has gotten out of control. There needs to be a cap put on it - or at the very least a dramatic slowing down of it.	2/22/2023 9:12 AM

80	Urban sprawl is a concern for environmental and other issues. High density should be a priority for many reasons including minimizing infrastructure needs.	2/11/2023 10:01 AM
81	That line of that is what prevents planning ahead. You can't have it both ways.	2/11/2023 8:06 AM
82	Keep it on Lineville or Deerfield	2/10/2023 10:10 PM
83	The "rural character" doesn't reflect the reality that suamico is not rural. It's foolish and short sighted to continue to treat the community as rural. Little suamico is rural, suamico is suburban. It hurts the community to continue to ignore infrastructure to maintain this antiquated rural ideal.	2/10/2023 10:09 PM
84	Over development, especially with excessive apartment complexes will have a negative impact on the draw to Suamico. I believe Suamico and Howard are growing too rapidly.	2/10/2023 9:27 PM

89	Parts of the village. Need to remain rural and not be developed.	2/10/2023 4:42 PM
90	I agree, but you can't keep increasing our population and not give us somewhere to shop.	2/10/2023 2:11 PM
91	Maybe the village should do this instead of just talking about it. With time the area changes but that doesn't mean it should change everything because of small differences in neighborhood's like near the high school were there seems to be a certain road that thinks they can run the entire village "MooseCreek".	2/10/2023 2:07 PM
92	Urban development is great as long as all the focus isn't on strip malls and chains. Small business emphasis with thoughtful design standards.	2/10/2023 2:00 PM

Q16 The Village should, in conjunction with the Howard/Suamico Historical Society, allocate funds to purchase, renovate, and preserve historical sites throughout the Village.

33	Not enough access to the Bay. Hook road- no parking. Lineville- very limited parking. Changed parking on Longtail Beach Rd. End of Lineville is a disaster. Not many people live there. Hardly anyone lives on that road. A LOT of guys park there with trucks and trucks & trailers for access to the bay with wheelers and side by sides. Now the road is pretty much shut down, not allowing parking on either side. There is a NO ATV's sign as well. I know Suamico wants emergency vehicle access, that is the complaint. There should at least be allowed parking on one side of Lineville all the way down. And allow ATV traffic. More and more communities are opening up to ATV travel.	2/26/2023 9:46 PM

72	Too many people go to Suamico boat landing..the overload parking prevents people from the nature trails. Violence from ignorant, intoxicated people. Push people south.	2/10/2023 6:34 PM

74	The park on the bay near the suamico river could be improved also	2/10/2023 4:31 PM
75	So much revenue could be brought in by developing around the waterfront Suamico has. There is a whole shoreline that could be developed if we could get past the wetlands. Do something like Oconto has by Dockside. Overnight slips, dining on the water, pavilions by the water for concerts, establishments with slips. Etc	2/10/2023 3:32 PM

CTH B west of 41 could possibly have business development but east of 41 has too much residential now to start adding businesses. 50	Additional commercial growth is not necessary nor desired. It has already grown too far north on Deerfield and needs to come to a hard stop. Any growth should be contained to Lineville, and if it must grow north from there it needs to be contained to the west of 41 and extend no further north than Harbor Lights. No further business expansion east of 41 towards the bay, Contain all of it to the west side of 41.	2/22/2023 9:40 AM

8	This question is misleading. You say the min is 2 acres, but you just rezoned sheedy farms to rural residential and it is not parcelled at 2 acres. It SHOULD BE at least 1.5 acres.	4/9/2023 8:31 PM

27	Don't cram a bunch of houses close together. This is not Green Bay.	2/26/2023 8:14 PM
28	This is critical. We should not be refining farm fields to create more subdivisions. The rural feel is lost and plus there are too many apartment buildings. Jamming more roads and smaller lots negatively impacts current residents. I am strongly opposed to any lots that are less than 2-3 acres	2/26/2023 6:36 PM

40	2 acres minimum	2/22/2023 3:05 PM
41	This minimum lot size restriction is highly inaccurate and should not be representing the Village's position. There are numerous developments well into the rural areas which are far less than even 1 acre. 2 acres or more should be the minimum for ALL future development - and even the rate of those needs to be drastically tempered.	2/22/2023 9:40 AM
42	The larger the lot sizes, the happier everyone will be.	2/21/2023 8:09 PM

49	I feel the home value will go up if there are bicycle paths	3/8/2023 4:50 PM
50	Again, Rural community... deal with it	3/8/2023 3:55 PM
51	Our children use these lanes as well- adds safety as they move about the village	3/8/2023 12:36 PM
52	They have an expensive trail system to use.	3/6/2023 10:16 PM
53	Bike paths to bayport	3/6/2023 2:27 PM
54	Also a bike path that is not in the road, I think the community needs it	3/5/2023 8:08 AM
55	Subdivisions can include bike lanes and/or sidewalks. Not sure what existing roads you have in mind. Some of the roads have very little shoulder now such as CTH J north of the river and past Barkhausen and many of the residential streets are quite narrow. I think you would have push back on purchasing strips of farmland or railroad land or residential land on some of the narrow residential streets. I am not opposed to the idea but it seems like a nightmare.	3/4/2023 6:27 PM
56	We don't think this is necessary	3/4/2023 1:21 PM
57	Have been riding a bike in Suamico for 25 yrs with no issues.	3/3/2023 2:10 PM
58	I bike frequently and would love to have the option to have a bike path!!!	3/2/2023 7:23 PM
59	There are plenty of rural roads to ride	3/2/2023 11:26 AM
60	adding as needed over time. add to roads such as "J" going north to resort rd that would gain access to bayside roads with less traffic that would require bike lanes. (example)	3/2/2023 10:38 AM
61	No more than 10%	3/1/2023 3:47 PM
62	in selecting this option I would to see these bike lanes lead to bike trails, schools, etc.	3/1/2023 11:21 AM
63	Should be considered as part of any major road resurfacing.	3/1/2023 10:36 AM
64	Not safe on most roads without hard shoulder	3/1/2023 9:01 AM
65	This question makes me feel like the survey is tilted. The amount of information in this question is more than in any other question including details on cost. Instead of "bike lanes" I'd rather see bike paths connecting parks and the mountain bay trail and or other county trails	2/28/2023 6:18 PM
66	Assuming the miles are of high traffic areas. Would support more if determined to be high traffic or dangerous areas	2/28/2023 1:35 PM
67	Bicycles should be licensed to offset the cost. this would need to be policed however.	2/28/2023 10:39 AM
68	I walk, what about me?	2/27/2023 9:39 PM
69	We pay enough in taxes	2/27/2023 11:57 AM
70	It would depend on what roads. It would be nice to have trails linked to the zoo and reforestation camp.	2/27/2023 8:59 AM

71	This is a waste of money. Bikes can be safely ridden in small neighborhoods	2/26/2023 6:37 PM
72	Charge cyclists for a sticker or pass	2/26/2023 12:55 PM
73	We really need to add some bicycle lanes especially now that we have a bike shop located downtown Suamico. Flintville for example is a busy road and could definitely use some bicycle lanes.	2/26/2023 12:34 PM
74	Specifically widen Harbor Lights Rd.	2/26/2023 11:46 AM
75	Again the money should already be there taxes are high here.	2/26/2023 11:07 AM
76	Pointless investment if bikers would just follow traffic laws and they are supposed to	2/26/2023 10:03 AM
77	This creates added cost AND a safety hazard	2/26/2023 8:55 AM
78	Enough with the additional taxes. WTH are you doing with the taxes you get already? besides wasting it on sports fields.	2/26/2023 5:05 AM
79	With increased traffics, it very unsafe to bike in Suamico. Currently the area is get unsafe for bikers.	2/25/2023 10:52 AM
80	instead of bike lanes, I would prefer additional biking trail development	2/25/2023 10:51 AM
81	Unsafe bicycle and pedestrian travel in this area.	2/25/2023 9:12 AM
82	Legalise marijuana and pay for the bike lanes with that money	2/25/2023 6:23 AM
83	I rarely see bicycles on the roads in my area; however, I frequently see people walking, often with dogs.	2/24/2023 8:25 PM
84	They need to put in bicycle lanes to make it a safer place to bicycle and walk	2/24/2023 4:19 PM
85	Depends on which roads would be getting bike lanes	2/24/2023 3:08 PM
86	At times I feel there are safety concerns with people riding and walking on the county roads	2/24/2023 2:13 PM
87	Bicycle lanes are a good thing, though I don't see that many bicyclists out. Perhaps there would be more with lanes, but the question of usage needs to be answered before committing funds.	2/24/2023 2:04 PM
88	Bike lanes are needed or more bike trails but this is a large cost.	2/24/2023 10:02 AM
89	Should keep all bike lanes in current road right of ways and not force residents to forfeit land for bike lanes	2/24/2023 9:04 AM
90	Would prefer designated trails.	2/24/2023 8:57 AM
91	if you want to live in the city then move to established cities.	2/24/2023 8:50 AM
92	We ride the Mountain Bay Trail - it's sufficient and awesome! No need to ride by the streets.	2/23/2023 10:53 PM
93	Need more info what roads?	2/23/2023 5:27 PM
94	I would rather see bike trails developed not on roads	2/23/2023 5:19 PM
95	If planned well	2/23/2023 3:57 PM
96	Seems adequate as is	2/23/2023 1:01 PM
97	Yes but, Again with the high we need to find away to not keep raising them! We already have high taxes!	2/23/2023 12:33 PM
98	Cost is way too high. Should be 25% for additional \$25	2/23/2023 10:25 AM
99	I support bicycling but we already have the Mountain-Bay Trail as well as many other Rail-To-Trails for bicycling.	2/23/2023 1:14 AM
100	Harbor Lighrs to Velp Ave and CTH J	2/22/2023 9:50 PM
101	10% to 15%	2/22/2023 6:46 PM
102	Have a bike fee pay for the lanes. I do not want to pay for more that I don't even use	2/22/2023 5:11 PM

2024 - 2026 VOS Resident Strategic Plan Survey

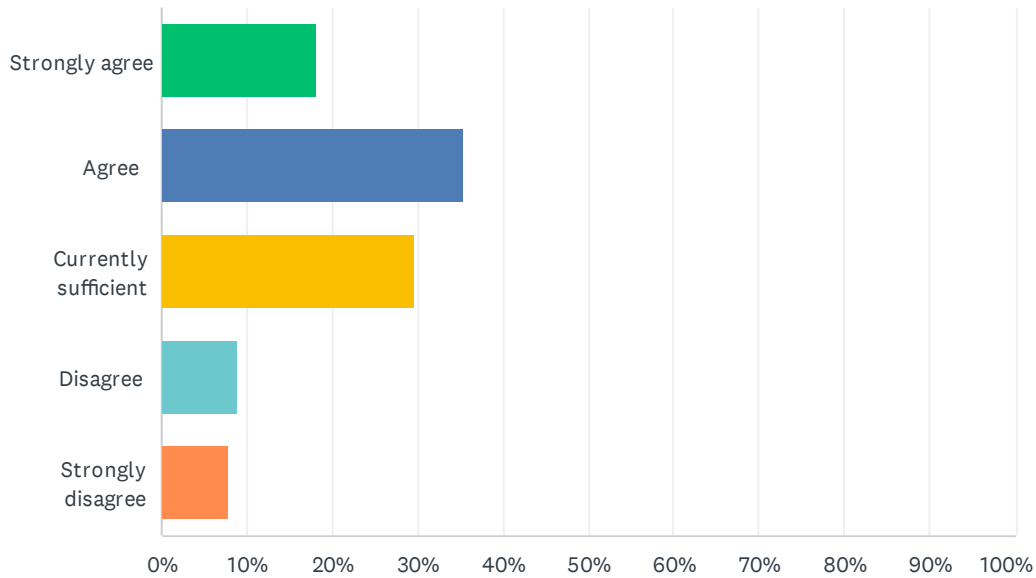

103	If bike lanes are added fees should be charged to for licenses per bike. The riders should be charged for road use just like the rec trails.	2/22/2023 12:03 PM
104	We have enough	2/22/2023 11:56 AM
105	Bike PATHs - isolated from the roadways. Not bike lanes on the roadways. Distracted drivers will almost certainly cause problems with bike lanes. Isolate the biking paths from the streets.	2/22/2023 9:42 AM
106	If Suamico would put in bicycle lanes should be at tax adjustment for loss of land and reconstruction of the property	2/22/2023 9:38 AM
107	I think we need to keep this reasonable. The question that needs to be asked is, "How many residents will actually use bike lanes?"	2/22/2023 6:35 AM
108	People don't respect bikes or people driving carts and horses. To encourage bike lanes may or may not prevent accidents.	2/21/2023 9:55 PM
109	I have enjoyed bicycling my entire life but riding a bike on any road is dangerous and it's only a matter of time before someone gets hurt or killed. Bicycles don't belong on roads with vehicles. They belong on dedicated biking trails like the mountain bay trail. If anything dedicated biking trails like the mountain bay trail should be invested in if needed to provide bikers with alternative places to ride their bikes. I personally know of many dedicated bike allowed trails in the village of Suamico that are accessible to the public so anyone that says otherwise doesn't know what is already available to them as safe biking trails without the risk of getting hit by vehicles on the road. I have a big problem with people that bike on the road especially when they bike on main roads that they know are busy with vehicle traffic. Not only are they putting their own lives in danger but they're also putting drivers in danger of either hitting a biker, swerving around a biker and hitting another vehicle, or forcing the driver to drive the speed the biker is riding the bike at. I have no respect for the bikers that ride in the middle of the vehicle lane on the road and refuse to get over to the side to let vehicles go by them. Roads are for vehicles and if a driver was to hit a biker I think the biker is at fault for being on a dedicated vehicle road. But unfortunately in any accident where a biker would get hit by a vehicle, the vehicle driver would be at fault. I don't agree with that. It is not as easy to see a biker while driving as it may seem. Bikes don't belong on roads made for vehicles. If any bikers are complaining they need to do some simple research and realize how many local designated biking trails are available to them already which do not require them to ride their bike on any roads.	2/21/2023 8:22 PM
110	Get rid of the bike lanes that exist	2/21/2023 8:05 PM
111	Only on busy roads where safety is a factor	2/21/2023 7:55 PM
112	No bike lanes	2/21/2023 7:39 PM
113	We have enough country and wooded areas to make bike trails	2/21/2023 7:20 PM
114	Use the money that is wasted on stupid things for bike trails	2/21/2023 7:16 PM
115	It's called right on the shoulder of the road common sense goes a long way you got to have a line people still hit you	2/21/2023 7:12 PM
116	Bikes don't belong on the road	2/21/2023 6:38 PM
117	Use the mountain bay trail. No need to ride the bike on busy county highways	2/21/2023 6:20 PM
118	I think this would be a good amount of miles to be able to get out to the more rural areas for biking.	2/21/2023 5:59 PM
119	It would be nice to have some bike lanes, I wonder how much they would get used though with Suamico being more rural.	2/21/2023 4:52 PM
120	why not require a \$25.00 or more annual sticker. then the beneficiaris pay	2/21/2023 4:19 PM
121	They can go to zoo to ride. Too high of taxes for minimal amount of people. If they want make them pay for it.	2/21/2023 2:22 PM
122	No new taxes of any kind	2/21/2023 1:45 PM
123	Should also consider off pavement trails on the busiest roads like Lineville velp and cth b	2/21/2023 1:16 PM
124	only if pedestrians can use them as well	2/21/2023 12:57 PM

125	Start with 13.3 miles then reassess additional need.	2/13/2023 2:16 PM
126	Need more for safety	2/13/2023 12:57 PM
127	I rarely see bikes on the roads to begin with. Bikes interfere with vehicle traffic. They have plenty of non-traffic path options already.	2/11/2023 10:45 PM
128	We need trails not lanes as it is frankly very dangerous with just a lane	2/11/2023 7:25 PM
129	Hard to guess right answer, village needs a plan that serves this need, Major or busy routes are the only place we need sidewalks. Not subdivision	2/11/2023 6:53 PM
130	People should know to be careful	2/11/2023 4:56 PM
131	More the better, it will bring people and spur business development and destination status. It will only cost more and be more difficult the longer we wait	2/11/2023 2:51 PM
132	All depends on where doesn't it	2/11/2023 2:39 PM
133	What about a bicycle path similar to the Fox river	2/11/2023 1:08 PM
134	I could understand and would support it around the schools where the kids are forced to walk or ride due to them living within the no busing zone locations.	2/11/2023 12:04 PM
135	It also impacts adjacent properties and drainage	2/11/2023 10:10 AM
136	I honestly do not think there is enough bicycle traffic to merit this expense at the time. When I see more students riding their bikes then we can visit this proposal. My husband and I ride for exercise and leisure. We are often the only ones in the road. Get those kids out in their bikes and then we can talk . At that point it would be about their safety but right now, there is not the need.	2/11/2023 7:59 AM
137	Whether it's bike lanes or sidewalks, increase ability for safe movement that doesn't require vehicles. Sidewalks over 41 at lineville and bay harbor are great. It's ridiculous that they end there. Expand the ability to traverse the community safely without cars. This really helps to build a community, especially among our children.	2/10/2023 10:15 PM
138	need sidewalks more than bike lanes	2/10/2023 10:04 PM
139	I've had resided in 2 separate areas within Suamico. In my mind, both have sufficient areas to ride a bike for leisure. There are separate areas within the village for more exercise focused bike riding.	2/10/2023 9:29 PM
140	Bike lanes on busier roads, velp, Lineville, school lane,	2/10/2023 7:56 PM
141	Too much taxes.	2/10/2023 7:12 PM
142	Money should be taken from the over the top high school to help with this cost.	2/10/2023 6:52 PM
143	Absolutely not these roads are not meant for bicycles unless if they have sidewalks, all they do is cause accidents especially for people that I've lived here forever.	2/10/2023 6:37 PM
144	Just do it. There will always be complaints, but bike lanes are proven assets to all communities	2/10/2023 6:33 PM
145	Mountain Bay Trail	2/10/2023 3:34 PM
146	People have rode bicycles on village streets for year so the addition of bicycle lanes is for the few not the village as a whole.	2/10/2023 2:29 PM
147	Even just maintaining the actual shoulders to what they are supposed to be would be if it motorists, bikes, and pedestrians	2/10/2023 2:04 PM
148	No brainer. Win-win for everyone.	2/10/2023 2:03 PM
149	I'm all for safer bike/running trails	2/10/2023 1:18 PM
150	Active and healthy individuals helps promote the right kind of growth in people we want in our community	2/10/2023 1:00 PM
151	Definitely add bicycle lanes near the schools so that kids can ride safely to school.	2/10/2023 12:56 PM

of neighboring communities. Gardeners aren't riff raff, generally. What are we afraid of - healthy food.

11	nice for folks that don't have a place to grow a garden	3/10/2023 3:28 PM
12	Just don't raise taxes	3/9/2023 1:07 PM
13	We should also encourage homeowners to have their own gardens.	3/4/2023 6:39 PM
14	Has there been a need, any studies on community usage?	2/28/2023 10:42 AM
15	If we have larger lots then we should have room for a garden.	2/27/2023 11:45 PM
16	If people are required to have 2 acres of property why is this needed?	2/27/2023 9:41 PM

18	Poeple who live here have land to have their own gardens.	2/27/2023 10:12 AM
19	Why not use the land the school bought. Out in front of Bay Port!	2/26/2023 11:13 AM
20	Allow citizens to have more than four chickens and to have roosters. Goats, and ducks would be great as well.	2/26/2023 10:05 AM
21	There are currently 8-10 spots, NOT enough, also need to allow perennial planting and allow planting before May to make a legitimate garden. Encourage the start of a community garden club and be less rigid government run.	2/25/2023 9:14 AM
22	Sustainable living and growing our own food is in my opinion one of the most important aspects of a successful village	2/25/2023 6:25 AM

24	And where were these plots being offered?	2/23/2023 5:31 PM
25	If you own 2 acres of land, you have your own property to plant a garden.	2/23/2023 11:03 AM

33	with large lot sizes, folks can have their own gardens	2/10/2023 10:05 PM
34	1st I heard of this	2/10/2023 8:05 PM
35	Where are/would these be located?	2/10/2023 7:11 PM
36	Sustainable living is going to be our only option at some point..soon.	2/10/2023 6:43 PM
37	Should work and model off other community gardens to allow outreach, perennial vegetables to be grown, and vegetables to be planted prior to first frost date. 9 plots for an entire community does not seem sufficient but I am an sure if all plots are consistently full. A community garden should be community ran if available, not necessarily ran by the village.	2/10/2023 12:50 PM

29	I have a well and I hope that never changes. Water comes out of the ground and drains back down. It's an endless cycle with no waste. I don't know why anyone would want to track their water usage. Part of the reason I live where I do is so I don't have to pay for city water. Well water is free, tastes much better, and allows people to live in peace without worrying about how much water they use or how much they may need to pay for that water. As I mentioned earlier in this survey, I have personally seen members of my family that were forced to pay to have city water, sewer, curb and gutter, and sidewalks installed against their will and that is not right for many reasons. I hope I never have to experience anyone else get forced into anything like that they don't agree with ever again in my life.	2/21/2023 8:44 PM

2	Thank you for requesting feedback. We realize first hand the challenges and sometimes thankless aspects of leadership and appreciate your efforts. We look forward to reviewing the survey results and supporting actionable improvements for Suamico in the coming year, specifically related to short term rentals to get ahead of the problems facing Ashwaubenon and neighboring communities. We recognize no municipality can completely exclude otherwise legal use, yet has broader discretion to regulate. We welcome and encourage all trustees to personally view the short term rental property at 2420 Longtail Beach Lane to appreciate the extremely intrusive effect it has on the permanent residents.	5/6/2023 9:54 AM
3	1. lower taxes 2. too many lost dog signs, political signs not taken down after an election 3. we feel the village administration and trustees have their minds made up on some important issues before there is adequate public input and time to examine their outcomes.	5/3/2023 3:21 PM
4	My husband (34) and I (29) bought a house at the end of last summer and we have both absolutely fallen in love with the area (woodland reserve). 8	I do have one issue with regard to residential use of fireworks. Whether permitted or not they are a significant source of nuisance noise, present safety issues and demonstrate disrespect for neighbors and their properties. They can also be a problem for veterans (PTSD), children with behavioral and emotional health issues, pets and anyone else who simply needs a quiet and predictable environment. 16	I live near the intersection of County J and County B. I know the speed limit is a county issue but it would be nice to see a police officer sit and watch for speeders after they cross the bridge heading north. Motorists especially motorcyclists think its a drag strip. I think a little presence in that area would go a long way. Even if they wrote warnings, people would see that they are watching.	4/12/2023 8:23 PM
17	It's important for Suamico to maintain it's character as a rural community with large lots, open spaces and woods. It seems like the board is allowing any developer to build at the bare minimum lot size and packing in as many lots as possible. Please listen to the residents who want to grow, but do so while maintaining the character as a rural community. Lots at 1.15 acres are not large enough for rural residential.	4/9/2023 8:39 PM
18	Howard is turning into an embarrassment to Northern Green Bay. Suamico should not follow what they are doing. Families move to suamico to escape urban living and raise their children in a peaceful environment. If suamico follows Howard this vision will be destroyed.	4/7/2023 10:22 PM
19	I left the big city to find a rural and quiet place to live. I don't want the problems that a city brings with it, Crime, Crime, Crime.	4/1/2023 11:58 AM
20	There is a State owned property, Sensiba Wildlife area that is used by many for hiking. I would like to see the Village plow this parking lot in the winter and keep these hiking trails available to the public in the winter. The same could be done for the Brown Co. boat landing. Need more intergovernmental cooperation to keep these great recreational opportunities available throughout the year.	3/28/2023 8:29 PM
21	There are some major water drainage issues. Lake Jessie drains via pump to unmanaged ditch in woods. This unmanaged ditch is useless to others when the lake is pumping out at high lake water level. Surrounding residents not on Lake Jessie pay the consequence as their ditch water doesn't drain = chance of flooding properties and mosquitoes! Ditches need to be cleaned out Wilding Way.	3/28/2023 6:42 PM

25	I understand and agree with the need for services and amenities, but I believe our spending is excessive. My property taxes have risen to the level of another mortgage payment on my property, which may well make it difficult for me to retire in the place I grew up.	3/21/2023 10:23 AM
26	We currently live in a period of great cultural upheaval. For the sake of our children and grandchildren, DO NOT GO WOKE. Treat all residents with equal respect, not singling out any particular group with especially designated rights, benefits or access to village amenities.	3/17/2023 10:52 AM

30	I would love to keep it 2 acre lots (or more) and if there is any way you can NOT do a dog rescue in that old farm house by Calavera Park I would be grateful. It echo's so much there and there are a LOT of kids in this neighborhood now. If any got out and kids got hurt it would be devastating. It is bad enough they are developing that field :(so sad!	3/13/2023 2:28 PM

33	Simple things like the yard waste center need help. Traffic flow is bad and things get backed up real fast on the weekends when people are off work doing their yardwork. Also some private homes are getting real trashy looking; there should be ordinances so people don't make junk yards in their property, and someone should be enforcing this.	3/10/2023 7:56 AM

37	allowing tax credits to plant trees on farmland to help with erroision and create more wooded areas. Or provide them at low/no cost.	3/9/2023 8:43 AM
38	The new ATV/UTV ordinance has brought an significant increase in LOUD & FAST UTV traffic in our area. Frustrating. Unsafe. I wish this would not have been passed.	3/8/2023 4:41 PM
39	I love living in Suamico, to add some bike lanes to some of the roads here would be well worth the added tax dollars!	3/8/2023 3:23 PM
40	Bike lanes and road changes should focus resources toward the population and how it may connect neighborhoods. For instance, harbor lights road connecting communities on velp with those around the lake neighborhoods.	3/8/2023 12:42 PM
41	Would love to see a new dept store since Shopko went out of business. You are all doing a great job overall!	3/8/2023 11:21 AM
42	Who is in charge of maintaining the sensiba trail? The short stretch along the bay is horrible and needs repair. Who should I contact about that? 920-621-7783. Call me to discuss.	3/7/2023 5:13 PM
43	Can you do something about the company that is trimming tree branches along the roads where they go through and grind branches into a fractured mess. This looks horrible and is not good for the trees as it increases the possibility of invasive species to enter (versus a clean cut approach). It makes our town look messy and that we do not care about citizens property values. Please consider a "round about" on the curve of Cty. M (Flintville Rd)/White pine. This has been a hazard corner for more than 30 yrs. I know of multiple accidents on that corner over the years and it is only getting worse as the trees on the corner get larger. One cheaper solution would be the removal of ALL of those trees that were allowed to be planted by the property owner many years ago. You can not see far enough around the corner, to identify if someone is coming. If you need to go east on White Pine, you need to stop, place your left blinker on and then make sure that no one is coming while trying to look around that corner. Someone smashed into the rear of a vehicle this fall (making that exact turn) that I saw, pushing the vehicle into the oncoming traffic. This totaled one vehicle (driver) and severely damaged the car making the turn. A very dangerous spot!	3/7/2023 1:42 PM
44	Fix the roads!	3/5/2023 11:05 AM
45	Please be mindful of the farmers and longtime/generational residents of the village when planning for the future.	3/4/2023 6:45 PM
46	Need to keep taxes in check. While youth & education are important, not all residents have children. They should not be overburdened with only youth oriented expenditures. Our natural resources are limited. We need to preserve them. We have a unique opportunity with property close to the bay & River. Please do not let private investment monopolize these resources.	3/1/2023 3:54 PM
47	Due to fire prevention programs and inspections fire related calls are down and EMS calls are now the majority of the Fire Depts calls. Therefore as previously stated higher trained firefighter/EMS personnel is essential to the community. Also, with the increase of crime in the country today more of a police presence throughout the village is also essential, I very rarely see a squad car patrol in my subdivision.	3/1/2023 11:34 AM
48	Adding lights, sidewalks and pedestrian signs on East Deerfield Ave near the Northline Apartments would benefit the families that live there. Traffic is horrible on that street, very busy and speeding.	2/28/2023 7:47 PM
49	I intend to come back and revise my responses after reviewing the Strategic plan. I do have concerns about how this is anonymous if I'm able to return to my specific survey. But even if not anonymous, my responses wouldn't vary.	2/28/2023 3:54 PM
50	Should the village consider building out a Vacation Destination out by the NEW Zoo, which would encourage additional activities near the zoo (such as go carts, limited rides, nature tours, horse riding, fishing pond, star gazing events, bumper boats, challenging mini golf...just	2/28/2023 1:47 PM

some off the cusp ideas) this would be supported by additional campsites and hotels along with a general store.

51	We love Suamico area.	2/28/2023 7:52 AM
52	Road improvements are needed throughout the village!	2/28/2023 6:43 AM
53	Less TAXES! It's hard enough to live these days with high gas, taxes, and food costs.. while we're all making the same wages	2/27/2023 12:00 PM
54	I wish the speed limit on CTH J was decreased to 25 mph in the section from Harbor Lights Rd to Riverside, where the speed limit reduces to 25 mph already. I feel it would be safer considering there is an elementary school, park and residential areas in that vicinity.	2/27/2023 11:47 AM
55	Encourage sportsmen and women to come to Suamico and spend their money not make it difficult for them.	2/27/2023 8:12 AM
56	Not enough access to the Bay. Hook road- no parking. Lineville- very limited parking. Changed parking on Longtail Beach Rd. End of Lineville is a disaster. Not many people live there. Hardly anyone lives on that road. A LOT of guys park there with trucks and trucks & trailers for access to the bay with wheelers and side by sides. Now the road is pretty much shut down, not allowing parking on either side. There is a NO ATV's sign as well. I know Suamico wants emergency vehicle access, that is the complaint. There should at least be allowed parking on one side of Lineville all the way down. And allow ATV traffic. More and more communities are opening up to ATV travel.	2/26/2023 9:48 PM
57	Stop adding subdivisions and changing the character of the village. We are losing land, trees, and the rural feel. Enough is enough.	2/26/2023 6:38 PM
58	Suamico is an amazing place to live. I feel so lucky to live here. The most important thing is holding onto the integrity we have...keeping this a rural area, with space, and amenities for residents.	2/26/2023 2:59 PM
59	Why can't we better allocate tax dollars? Why is everything we do about raising taxes? I don't understand..... they are higher than most villages.	2/26/2023 11:19 AM
60	Vehicle parking on riverside Drive and velp around rustique is getting crazy especially on weekends. People have been parking between the no parking signs lately, hard to get through there	2/26/2023 9:48 AM
61	Overall, Suamico is a great place to live, and would recommend to anyone. With the growth the area is seeing, the next 3-5 years are key to sustain this areas quality of living.	2/26/2023 8:59 AM
62	I paid two mortgages our home thanks to the village for causing the second one of \$48.000 for sewer and water with no choice followed by paying quarterly bills including capitol debt costs, which I never had before abd the village leadershipcould care less. We received no benefit, just added cost!	2/25/2023 3:17 PM
63	Thank you for your service!	2/25/2023 2:06 PM
64	I was disappointed that the village approved the use of ATV's on the roads. They are noisy when they go down our road, driven recklessly at high speeds. There will be serious injuries as time goes on. It's a significant disappointment to us as one of the reasons we moved here was for the quiet. I also think the speed limits on many of the roads should not be 35mph but 25-30 mph. I have been passed many times on a local road going 35mph.	2/25/2023 1:58 PM
65	Overall, great job. appreciate the survey to gain feedback.	2/25/2023 10:54 AM
66	Thank you	2/25/2023 9:16 AM
67	I think you guys are doing pretty awesome and it's fun to see what new things come to the village. Thanks for what yall do	2/25/2023 6:27 AM
68	I would like to see golf carts allowed in neighborhoods where the speed limit is 25mph.	2/24/2023 3:17 PM
69	Beautiful place to live, water and air quality need to be considered. (factory farms)	2/24/2023 12:25 AM
70	We've called to speak to Alex previously and left messages. He never responded.	2/23/2023 10:55 PM
71	The Village residents really benefit from the strong schools within our District. One of the reasons families move to Suamico is because of the schools. It is disheartening to hear board	2/23/2023 10:39 PM

2024 - 2026 VOS Resident Strategic Plan Survey

members talk negatively on social media about the District. It would be nice to see the Village board and the District work together and support each other to make our community even better.

72	ATV operation on our busiest roads should not be allowed. To many abusing this with high speed and noisy equipment	2/22/2023 6:57 PM
73	As stated earlier about Birch Rd. There is quote an increase in traffic and bicycles. That might be a good road for bike lanes....just a thought	2/22/2023 6:10 PM
74	Thanks for asking for our opinion! Be careful interpreting survey results as there could be a self-selection bias.	2/22/2023 5:15 PM
75	Let's try to reduce taxes rather than keep raising them.	2/22/2023 5:14 PM
76	Howard/Suamico would benefit by having its own "Cornerstone" rink for Bayport HS and youth hockey players that reside inside and around our village. Many many kids from this area drive to Green Bay or Depere when we would have plenty of high level players to play here. The rink would fit perfectly in front of Bayport HS. Just a thought.	2/22/2023 3:46 PM
77	Suamico is supposed to be a small community close to Green Bay. If people want all these additional services they should live in an area that offers them not expect tax payers to provide them. We are thinking of moving further north due to the "city" Suamico is turning into.	2/22/2023 3:39 PM
78	Change the stance on ATV/UTV use on roadways. It's become a major annoyance and liability that never should have been passed based on the survey results. This needs to be reversed to create the low key/premium community that we're touting.	2/22/2023 3:21 PM
79	We love it here ...for over 40 years. We don't need more development now. Have lots available already! Thank you!	2/22/2023 11:59 AM
80	Howard/Suamico needs another store like Shopko.	2/22/2023 11:03 AM
81	Stem and cap the growth. Keep the appeal of Suamico. Don't let it turn into an extension of what Howard has become. Slow down the speeders in residential areas and around the schools. Recycling needs to be weekly. Thank you!	2/22/2023 9:52 AM
82	Thank you. I think at the most basic level, we need to focus on community growth all while preserving the " quite, small town feel" that current residents love.	2/22/2023 6:41 AM
83	Done	2/21/2023 9:10 PM
84	Please keep the village of Suamico rural and don't ever reduce the required lot size. Larger lots will keep citizens happy, maintain peace, and keep crime down. Nobody wants Suamico to become a city. People live here to get away from the city and to enjoy their own space in peace. Please also never force anyone to pay for anything like city water, sewer, curb and gutter, or sidewalks if they don't agree with it. I say this out of respect for our forefathers that fought and died for us to live in this free country. Their sacrifice needs to be honored and respected. Thank you.	2/21/2023 8:44 PM
85	Fuck off and die	2/21/2023 8:09 PM
86	No	2/21/2023 7:40 PM
87	We moved from congested city for the rural homely feel that Suamico offered. We would love to be able to maintain the open green spaces with lots of nature and wildlife for future generations. We don't need more subdivision/development and more housing on every lane and open green land. If we have housing pop up on every open lot we would loose what make Suamico unique and great.	2/21/2023 6:18 PM
88	Need more parking at the boat launches. Harbor Lights Road needs to be widened with the large volume of traffic on it.	2/21/2023 5:58 PM
89	Cell phone coverage in many areas of Suamico is next to terrible! While this isn't a 'service' offered by the village, I'd like to see the village address this issue and perhaps encourage (or influence) cell phone companies to improve their network services for the residents of Suamico.	2/21/2023 5:48 PM
90	Suamico is a great community. Let's keep it's safe and not overdevelop housing and turn it into an overcrowded overpopulated area.	2/21/2023 5:38 PM

2024 - 2026 VOS Resident Strategic Plan Survey

91	I moved to Suamico in 2005 from Howard. We purchased our home because of the rural setting. It cost us twice as much as our home in Howard. It was worth it and we have loved living in Suamico in our home because of the rural charm that I keep referencing. When I purchased it, I did a lot of research on the zoning, the zoning of the lots around us, the water and sewer plan around us. I know things will change with the usage of the land around me, and that is fine. If I didn't want it to change I should just buy up the land. I think changes can be planned in Suamico as it develops in the future with respect to the existing people in those neighborhoods. Help keep the reasons that makes Suamico so special to many of the people that have lived here for better portions of their lives. Allowing land to be rezoned to be more valuable so a seller can make a huge profit by allowing apartments and packing in housing is disrespectful to the adjacent property owners in my opinion. If the neighbors are all fine with it, let it pass through. If the land is zoned for something and has been for years, maybe let someone develop it with those existing zoning rules. If you want to live in a community that is all about people making a lot of money from developing it, I guess just sell out and let people build as much as they want. I for one want to be part of a community built on trust and tradition. One where we can trust that progress keeps all parties in mind, especially the ones that continue to live in their neighborhood and carry on the traditions of the Suamico community. I like to travel, and have been many places all over the world. When I am done with a trip I love that I am coming home, home in Suamico Wisconsin. Thank you for reading my comments. Also thank you to all the people that work for the village and are trying to make the best decisions for it's future.	2/21/2023 5:24 PM
92	Splash pad or community beach would be epic.	2/21/2023 5:22 PM
93	access to the bay should be a high priority. it touches 1000s of men women children. fishing and hunting are wisconsin constitutional rights. I and many sportsmen i know getting old and having to walk a mile to go ice fishing is unacceptable. thank you for this opportunity	2/21/2023 4:27 PM
94	Is it possible or affordable to put curb and gutter on Riverside Drive. I know it would be costly. How much would it raise taxes and how long?	2/21/2023 4:02 PM
95	Please get a larger retail store in the community!! Thanks! :)	2/21/2023 2:47 PM
96	Keep it rural. Don't let what's happening in Howard happen here. Make the schools dist accountable for budgets and maintenance.	2/15/2023 7:54 PM
97	Hahn. Gf try h hi	2/11/2023 11:25 PM
98	The roundabouts on Lineville are a problem — they cause huge traffic backups regularly almost every day. Similarly, traffic on Velp between Lineville and County B is becoming a problem. We need roundabouts by White Pine and on Riverside. Lastly, we need a big box retailer on Lineville or somewhere nearby. I was hopeful one would replace ShopKo but it was inexplicably turned into storage...in a prime retail area (the strategic plan failed on this one... bigly).	2/11/2023 10:14 PM
99	Thank you Alex for what you do and the level of professional and expertise you bring to the village. It has and does make a difference	2/11/2023 7:29 PM
100	I do love it here. As an avid bird nerd it's perfect for me!!	2/11/2023 4:57 PM
101	Elected officials should represent taxpayers not just special interest groups	2/11/2023 2:44 PM
102	Please allow dogs at Calavera Springs Park and do not develop any more of the park.	2/11/2023 10:14 AM
103	Thank you. This is a necessary step forward to improve the hearts and minds of our community members!	2/11/2023 8:08 AM
104	Would like to see access to the Howard Quarry extended to Suamico residents.	2/11/2023 8:00 AM
105	Love areas like the Sensiba Wildlife Area, Barkhausen. Please keep green space! Also love the Vickery Village area and it's development. We don't need anymore banks!	2/11/2023 6:35 AM
106	Please consider ways to keep crime and traffic issues to a minimum and maintain the safety of the Village of Suamico! We raise small children here and traffic has been increasing substantially over the past 10 years. Comfort and safety are essential to this community. Thank you for the opportunity to share our thoughts/wishes!	2/10/2023 11:31 PM
107	Done	2/10/2023 9:46 PM
108	Thank you for putting together the survey. I look forward to reviewing the results.	2/10/2023 9:31 PM

109	Try to get an Aldi due to increased housing to add another grocery option to the area.	2/10/2023 8:26 PM
110	Please consider leaf and Christmas tree pick up. Keep Suamico small and safe. It is an excellent place to raise a family and many choose this area due to its size and rural feel.	2/10/2023 8:23 PM
111	Fix the round about issue with the train on Lineville and Velp! Ridiculous	2/10/2023 7:14 PM
112	I love Suamico!	2/10/2023 7:12 PM
113	Thank you for doing the survey	2/10/2023 6:35 PM
114	Wish shoots was not there. Too loud. Wrong crowd. Would like to see development along river.	2/10/2023 4:55 PM
115	Also reevaluate the use of UTVS and certain roads to access different parts of the area. Some of us are "stuck" because we can't cross or access certain roads.	2/10/2023 3:36 PM
116	Great village to live and play in. Wish there were more community events. Love the music in the vickery village evenings.	2/10/2023 1:57 PM
117	Please explain to the village why new developments aren't expected to hook up to city sewer and water	2/10/2023 1:55 PM
