*A Tribute To Sutherlin's Seniors*

**Sutherlin High School  
Bulldogs**

**Graduating Class of 2022**

*Sutherlin High School*  
*Class of 2022*

“Our current senior cohort, the class of 2022, has experienced the most unconventional education journey. First, they handled the disruption of their sophomore year by the onset of the COVID pandemic. Subsequently, during their junior year, students navigated the messy waters of an academic season filled with uncertainty and constant adjustments as we responded to the pandemic. Now, in their senior year, they walked into a school turned upside down by continued protocols and mandates. Under these circumstances, that were less than ideal, you would think our students would throw up their hands and symbolically admit defeat.

Instead of massive disappointment, I have seen the opposite. I have experienced daily behaviors by students that defy our expectations. These manifestations of resiliency and expansion are expressed in rarely seen actions such as in the student who opens the door for a stranger in the morning and helps that stranger carry items to the main office. This same energy is present in the student who picks up a lunch tray left behind and finds a trash can to dispose of it. It is expressed in the student who writes to me to communicate gratitude for the influence of a teacher in their lives. That growth is also on display in the student who finds emotional support for a friend who is struggling through a difficult family situation. It is also ever-present in the group of performers and teammates who join in thought and meditation before a final theatric performance or big game. The past two years have taught me that our students are more resilient than I gave them credit for and have reminded me that a hopeful outlook for the future far outweighs the projections of pessimism and discouragement. I look forward to observing these young adults continue to grow and excited to see how they continue to give back to the community of Sutherlin!”

Sincerely,

Jon Martz, Principal
