**Re: DAMAGE TO UNDERGROUND UTILITY FACILITIES ACT /
INFORMATION TO BE FILED WITH COUNTY CLERK**

Dear County Clerk,

This communication is provided to satisfy the requirements defined in Utah Code Title 54, Damage to Underground Utility Facilities – 54-8a-3(2) and 54-8a-9(1)(c)(i) & (ii) pertaining to information required to be filed with the county clerk.

- 54-8a-3(2) – In counties where an association is established, the association shall file its telephone number with the county clerk on behalf of all participating operators.

811 is a national “Call Before You Dig” three-digit phone number. Anyone dialing 811 in Utah will be redirected to Blue Stakes of Utah 811 (Blue Stakes).

Excavators may also use the toll-free number of (800) 662-4111 to contact Blue Stakes.

- 54-8a-9(1)(c)(i) – An association whose members or participants have underground facilities within a county shall file a description of the geographical area served by the association.

Blue Stakes is the association which provides the communications link between excavators, homeowners, and utility companies as the statewide one-call center to contact to have underground utility lines located and marked before commencing any excavation. **Blue Stakes serves the entire geographical area of the state of Utah.**

- 54-8a-9(1)(c)(ii) – An association whose members or participants have underground facilities within a county shall file the name and address of every member and participating operator with the county clerk.

Enclosed is a listing by name and address of every member and participating operator of Blue Stakes that have underground facilities within your county.

Please contact me if you have any questions or need additional information. Your assistance in this matter is appreciated.

Sincerely,

Paul C. Huntsman
President
