

Register before you come on any computer with internet connection (home or library).

Simply go to:

**[offenderwatchexpress.com](http://offenderwatchexpress.com)**

The login screen will automatically display and you can begin your registration update (the screen looks exactly the same as this kiosk)

Once you have completed your update, be sure to have your local Law Enforcement agency “accept” the changes you have made and print the report to be signed.

Registrations are **NOT** accepted (compliant) until a **signed copy** has been returned to the State Registry from your local Law Enforcement agency.

Utah S.O. Registry 801-495-7700
