

House Number Sign Form

Help emergency services better protect and save your family. It is critical for all owners of any residence, apartment building, or business in the Township to display the house number in such a fashion that it is clearly visible from the street, day or night. The house number shall be made up of numbers, which are not less than four (4) inches in height and shall be reflective and in contrast to their immediate background.

House Number Signs are available through the Pennsburg and Red Hill Fire Companies. The signs are green on both sides and pre-drilled with 4" white reflective numbers. The sign dimensions are 6" X 12" for horizontal numbers and 6" X 18" for vertical numbers. If you wish to purchase these signs through a fire company, please complete the following information:
