
Sec. 5-41. Fireworks.

(a) It shall be unlawful for any person/entity to implement a fireworks/pyrotechnics display on public or private lands until a final permit(s) is issued from the town enforcement official.

(b) All fireworks/pyrotechnics shall be stored, transported and displayed in accordance with all applicable federal, state and local laws, rules and regulations.

(c) Permits for fireworks/pyrotechnics display shall be issued only in accordance with the town fireworks application; in addition, compliance with the New York State Uniform Fire Prevention and Building Code, New York State Penal Law, National Fire Protection Association and any other laws, rules and regulations may also be required for any permit to be issued.

(d) Application fees for fireworks/pyrotechnics display shall be set from time to time by a resolution of the town board. The prescribed fee shall accompany the application for the permit and is non-refundable.

(e) Additional costs associated with the fireworks/pyrotechnics permit application review and display may be assessed by the town board and shall be borne by the permit applicant, agent for the applicant or property owner. These fees may include costs associated with fire protection, police or security protection and overtime costs for personnel.
