Vestal Hills Memorial Park Correspondence:

Nina noted that we both had made contact with the cemetery indicating that we could review their capital plan when it was ready. A follow-up call will be made.

Historic Markers:

The process for submitting applications to the William G. Pomeroy Foundation for historic markers has changed slightly. The first step now consists of submitting the proposed sign text along with a list of primary documents supporting the dates and facts. Step two is to provide the proof which can be sent as a pdf.

We will submit two applications; one for the Rounds House and one for Chugnut.

We discussed submitting the Vestal Center Methodist Church and the Tucker House (Mary Murphy Harrison's) on Prentice Road along with a possible 3rd next year.
