Recycling

Recycling occurs every other week on the same day that your garbage is collected. Thanks to you, recycling is working. To make sure it keeps working, remember these important rules:

Streamline recycling allows you to commingle the recyclables (plastic, glass, aluminum, metals, paper & cardboard) into one cart, no bagging necessary.

Plastic

- Containers must be empty, rinsed and replace lids before putting in recycling bins.
- Household bottles, jars & jugs. Dairy containers & lids. Produce, Bakery & Deli containers.
- NO plastic bags, wraps or films at this time.
- NO plastic cups & lids.
- NO motor oil bottles
- NO Styrofoam

Glass & Metal

- Aluminum bottles and cans. Steel & tin cans. Glass food & beverage bottles & jars. (Empty and rinsed, not smashed)
- NO drinking glasses, window glass, mirrors, light bulbs, ceramic or china.
- NO aerosol cans, propane tanks, paint cans or scrap metal. NO aluminum pans or foil
- NO metal cookware.

Paper & Cardboard

- Flatten cardboard boxes and cut large pieces to fit cart. Including Pizza boxes and food containers.
- Drink boxes and milk cartons must be empty, rinsed and flattened.
- Do not recycle tissue products, shredded paper, pet food bags, bows and ribbon or foil gift wrap.
- Do not recycle Styrofoam or microwave containers.
- Extra cardboard may be disposed of at Festival Foods and/or Sadoff Iron & Metal Company. Check businesses for pricing.
