To : Planning Board
Rob Watchilla, Director of Planning and Community Development

From : Stuart Beckley 

Subject: B'Leaf Parking

With regard to the request by the B'Leaf owners and managers to release the requirement for parking monitoring, I encourage the Planning Board to consider this favorably. I drive past this business each evening and even at this busy time, there is always available parking. I think the release of this condition will assist a small local business.

Thank you for your consideration in your review.
