 The land in this area is privately owned. By their kindness, these private landowners have allowed us to build snowmobile trails across their property. This permission is for snowmobile trails only, snowmobiling any other use on their land is trespassing. If you are reported to the Law Enforcement Authorities, you may also be sued for trespasses and damages by the landowner. You may groom snowmobile trails for your convenience. You may ride on them at your own risk, but PLEASE observe their property boundaries. You may not trespass.
